

Creative Media Production and Video Journalism Opportunities on Campus

- Are you interested in working in Media Production?
- Would you like to produce live events?
- Are you interested in develop creative content for the University's new 4.8mm 21' x 14' HD LED Video Screen?
- Are you looking for opportunities to write and produce video feature stories and reports?

The University of Regina is looking for Creative Media Producers:

- *Directors,*
- *Camera Operators,*
- *Post-production Editors,*
- *Animators,*
- *Video Journalists, and more!*

Whether you have experience in one or more of these areas, are looking for opportunities to further develop your skills, or even are looking for the opportunity to learn some new skills, we would love to speak with you.

We know that you are out there, that you have skills and a desire to gain valuable hands on experience in media production and video journalism.
