### **Varsity & Club Sport Events**

- a. In-season teams (BB, Hockey, VB, Track & Field, Swimming) will continue with practice and competition plans until such time that the SK public health orders change or Canada West determines to move in an alternate direction.
- b. Off-season teams (Football, Soccer) will resume on-campus training January 10.
- c. On-campus home games (BB, VB) will be closed to spectators during the current remote teaching directive. Season ticket holders will be provided with a pro-rated refund.
- d. Off-campus home games (Hockey) will follow guidelines of the City of Regina/PHO.

### **FLC & Aquatic Centre (Lane swimming activities)**

- a. The FLC and Aquatics Centre (for lane swimming) will close between December 24 and January 5.
- b. Depending on the Public Health Orders after Christmas, the FLC may or may not be available to students and community members through the end of the current remote teaching directive. A decision will be made on this no later than January 4.

- c. Should we have need to close, those who paid membership fees will be credited an extension on their membership - 2 days for every 1 day we are closed (January 4 and beyond).

### **External Rental Groups**

- a. Facility access (pool, gymnasiums, classrooms) will continue to external rental groups – rental groups continue to be responsible to ensure participants are fully vaccinated.
- b. Those groups seeking to suspend their bookings will be accommodated.
- c. Mask use to follow current campus directives.

### **URFit** (Leisure and exercise classes for students and the broader community)

- a. URFit classes will be suspended until the end of the current remote teaching directive.
- b. Fees will be credited or charged on a pro-rated basis.

### **Academic**

- a. The special offering of KIN 450 (a make-up from last term) will shift to remote for the lectures (those still begin on January 4 and continue the remainder of that week).

### **Swimming Lessons/Aquatic Classes other than Varsity Sport**

- a. Lessons/activities will be suspended until the end of the current remote teaching directive.
- b. Fees will be credited or charged on a pro-rated basis.

### **Intramurals/Campus Recreation for Students**

- a. In-person intramurals will be suspended until the end of the current remote teaching directive.
- b. Fees will be credited or charged on a pro-rated basis as needed.
- c. Schedules will be adjusted as needed.

### **Centre for Health, Wellness, and Performance**

- a. Access to allied health professionals for treatment, specialized rehabilitation (including Exercise Therapy and Athletic Therapy for athletes and non-athletes) will continue during current remote teaching directive.
- b. Specialized programming (Blue Cross Love to Live, Rock Steady, and Enrich Neuro-rehab) will continue during the current remote teaching directive.
  - i. L2L Clients who want to shift to virtual programming during the current remote teaching directive may do so.
  - ii. New referrals will continue to be accepted for initial assessments.
- c. Specialized employment testing will continue during the current remote teaching directive.
- d. Specialized small group programming (POPAT Preparation) will continue during the current remote teaching directive.
