

Important COVID-19 Update:

1. Effective Sunday, March 15, 2020 at 3:00 pm (15:00 CST) the following facilities will be closing:

- the Fitness and Lifestyle Centre
- the Aquatics Centre
- all Gymnasiums

These facilities will remain closed until further notice.

2. To allow clients the opportunity to remove their personal belongings, the change and locker rooms will close effective 8:00 am (08:00 CST) Monday March 16, 2020. It will remain closed until further notice. If you require access at some point after the facilities have been closed, please contact kinesiology@uregina.ca.

3. The Faculty of Kinesiology and Health Studies has also determined to cancel all of our allied health services effective Monday March 16, 2020 beginning at 6:00 am (06:00 CST). This includes the following services currently scheduled through the Dr. Paul Schwann Centre:

- Chiropractic services
- Massage therapy
- Athletic therapy
- Physical Therapy
- Traditional Chinese Medicine
- Exercise therapy
- Personal and Small group training
- One on one assessments, etc.

These decisions have been made based on the best science available and in an attempt to mitigate the impact that the virus will have in Regina and Saskatchewan.

Any questions regarding facility closure and service cancellation should be directed to kinesiology@uregina.ca.
