I. Administrative History

The Susan Whitney Gallery was established in 1978. At that time the Gallery was owned by five founding shareholders -- Susan Whitney, Victor Cicansky, Joe Fafard, Jill Rawlinson, and Richard Spafford. By the late 1980s Susan Whitney remained as the sole shareholder.

The mandate of this commercial art gallery is to exhibit and sell contemporary art, including painting, sculpture, tapestry, photography, and furniture, as well as Canadian folk art. The Gallery has participated in a number of international art fairs.

The records comprising the Susan Whitney Gallery fonds were created, collected and held by the Susan Whitney Gallery before they came to the University of Regina Archives. The original order and titles of the records have been maintained.

See also Accessions nos. 85-85, 87-45, 91-14, 94-23, and 97-21.
