Note on Closed Records: Records held by the church are subject to church guidelines regarding access. Baptismal, Confirmation, and Internment records can only be seen by permission of the corresponding parish. Researchers must inquire with the appropriate parish for permission to access, and permission must be provided in writing to the Archivist. For vital statistics records, including Births, Deaths and Marriages, access may only be granted if the requested information falls within the Genealogy Index guidelines provided by eHealth Saskatchewan, those being: Births registered in Saskatchewan more than 100 years ago; Deaths registered in Saskatchewan more than 70 years ago; Marriages registered in Saskatchewan more than 75 years ago.
