By CAITLIN MULLAN

AND

ELIZABETH SEITZ

MAY 2010

**Biographical Sketch:** Patrick Lane was born at Nelson, British Columbia on March 26, 1939. His parents are Richard and Eileen Lane (nee Titsworth). Patrick attended high school in Vernon, British Columbia and married Mary Hayden in 1957; Carol Beale in 1973 and Lorna Crozier in 1978. He currently resides in Saanichton, British Columbia with his wife Lorna. He has grown five children: Mark (1958), Christopher (1960), Kathryn (1962), Michael (1974) and Richard (1976).

He has written more than 20 books and is considered to be one of the foremost Canadian writers of his generation. He has held Writer-in-Residence positions across Canada and has published around the world.

Lane is associated with numerous professional writing associations and committees. He has received grants from the Canada Council, Ontario Arts Council, Manitoba Arts Council, Saskatchewan Arts Board and the British Columbia Arts Council. His poetry, fiction, and non-fiction have been translated widely and he has received many awards and prizes for them. Lane has been a critic and commentator appearing regularly on CBC and other numerous media.

**Scope and Content:** This collection of Patrick Lane's is comprised of 3.81 metres and ranges in date from 1914 to 2010, the predominant dates are 2007 to 2009.

A considerable amount of the collection is Correspondence by email, the collection is organized into various series, the major series are: Awards, Correspondence, Permission, Personal, Professional Activities - Teaching, Professional Associations, Publications Featuring Patrick Lane, Writing by Others, and Writing by Patrick Lane.

Patrick Lane also conducted a number of online poetry courses in which participants corresponded through e-mail. This correspondence has been grouped by course, and original order has been maintained. In one instance Patrick Lane had previously organized the correspondence from an online course into folders by participant. This ordering was maintained in these records and may be found in files 287 to file 294. This collection also contains correspondence and drafts related to Lane's novel *Red Dog Red Dog*. Also contained within this collection are 1 Artifact, 2 Video Tapes (VHS format), 2 Audio Tapes, 7 Compact Disks, 8 Oversize Items, 113 Photographs and 5 Ink Jet prints. As there was no filing system for the textual records at time of donation, one was created by Archives staff (except for the series for online correspondence by participant) which remains in the original order. Preservation photocopying was required and carried out on newspaper clippings and the two oversize birthday books, the loose photographs were numbered and sleeved, the photographs used in the Personal series are numbered on the preservation photocopies.

**Custodial History:** These papers were in the custody of Patrick Lane until their transferral to the Archives and Special Collections in 2010.

**Legal Agreement:** The donor agreement is pending.

**Future Accruals:** Future Accruals are expected.

**Access Restrictions:** There are no access restrictions to the records in this collection however there are several Restricted files. These Restricted files are indicated in the finding aid and are open to researchers with prior permission from the Archivist.

**Related Accessions:** 85-93, 85-99, 90-102, 92-24, 94-94, 97-46, 2002-57 and 2007-1

**Note on Arrangement:** The Professional Activities – Teaching series was arranged by grouping materials from the poetry workshops and retreats Patrick Lane taught several times a year. Sub series were created to separate correspondence from course materials and administrative materials. Each of these events culminated with a published “chapbook” of poetry written by the students of the workshop or retreat. These items have been filed with their respective workshop when identifiable.

Indexes for Audio Visual, Oversize and Artifact material are also available as is a detailed Photograph Index, please enquire with the Archives staff.
