COLLECTION NO. 2016-19

NICK RUSSELL
MATERIAL ON FLOPPY DISKS

JULY 2016
BY JAMES HOLOBETZ
AND
ELIZABETH SEITZ

This collection is comprised of two series of 45 computer floppy disks: Macintosh and Windows.   These disks belonged to Nick Russell. The disks, run on a Macintosh computer and/or on a Windows platform, are included, several of the disks have files which are no longer able to be opened or printed, any files which could be opened and printed were printed out, in several cases the files were printed from both the Macintosh and Windows files (Disks 1, 4, 5, 11, 12). This collection of disks was in use between 1993 and 1997.

Box 1   Four small boxes contain disks #1 - 45
               Disk 1 – Files Printed in both **Windows (File 1)** and **Macintosh (File 18)**
               Additional Information: LABEL: Nix #9 – Files were able to be copied in
                       Windows. Opening them with Office 2007 did not work well.
                       Opened them with LibreOffice 5.1 worked better but still seemed to
                       have some formatting issues. Opened on Macintosh, copied.
               Disk 2 – No Files Printed in **Macintosh (File 19)**, Additional Information: LABEL:
                       mac1 – Could not open files: "Disk is not formatted. Would you like
                       to format it?" Possibly a Macintosh file system or corruptedDisk.
                       Opened on Macintosh, copied.
               Disk 3 – No Files Printed in **Windows (File 2)**, Additional Information: LABEL:
                       Greg – Windows Install Files (CPRO2.EXE). Do not know which
                       programs they are. Copied in Windows.
               Disk 4 – Files Printed in both **Windows (Files 3, 4, 5, 6)** and **Macintosh (File 20)**,
                       Additional Information: LABEL: Untitled – Files were able to be
                       copied in Windows. Opening them with Office 2007 did not work
                       well. Opened them with LibreOffice 5.1 worked better but still
                       seemed to have some formatting issues. Opened on Macintosh,
                       copied.
               Disk 5 – Files Printed in **Windows (File 7)** and **Macintosh (File 21)**, Additional
                       Information: LABEL: Nix19 – Windows Install Files. Do not know
                       which programs they are. TIFF files. Copied in Windows. Also Mac
                       files (i.e. RESOURCE.FRK, FINDER.DAT). Copied in Macintosh.
               Disk 6 – Files Printed in **Windows (File 8)**, Additional Information: LABEL:
                       TLX_321_R – Telix installation files (Windows).
               Disk 7 – No Files Printed in **Windows (File 9)** or Macintosh, Additional
                       Information: Could not open files: "Disk is not formatted. Would
                       you like to format it?" Possibly a Macintosh file system or corrupted
                       Disk. EDIT: Not a Macintosh Disk (...not readable by this computer)
               Disk 8 – Files Printed in **Windows (File 10)**, Additional Information: LABEL:
                       PAINTBRUSH – Microsoft Paintbrush installation files (Windows).
               Disk 9 – Files Printed in **Macintosh (File 22)**, Additional Information: LABEL:
                       John Wells – Macintosh Files. Word document files.
               Disk 10 – No Files Printed in Windows or **Macintosh (Folder 11)**, Additional
                       Information: LABEL: Untitled – LEXMARK Color Jetprinter 1020
                       installation files for Microsoft Windows.
               Disk 11 –Files Printed in **Windows (Folder 12)** and **Macintosh (File 23)**,
                       Additional Information: LABEL: Untitled – Microsoft Word
                       documents (No RESOURCE.FRK or FINDER.DAT).
               Disk 12 – No Files Printed in **Windows (Folder 13)** or **Macintosh (File 24)**,
                       Additional Information: LABEL: NIX17 – Text files. Opened in
                       Windows, copied. Disk repair warning in Macinitosh. RESOURCE.FRK,
                       FINDER.DAT present. I/O Error copying files in Macintosh even at the

command line level (cp –rvf * [destination]). Piece-mealed it and copied files

Disk 13 – No Files Printed in **Windows (Folder 14)** or Macintosh, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 14 – No Files Printed in **Macintosh (File 25)**, Additional Information: LABEL: NixMAc5 – Macintosh files. Text files with unfamiliar formatting.

Disk 15 – Files Printed in **Macintosh (File 26)**, Additional Information: LABEL: NixMacstuff – Macintosh files. Word for Mac;

Disk 16 – Files Printed in **Macintosh (File 27)**, Additional Information: LABEL: Untitled; Macintosh files. Word for Mac.

Disk 17 – File Printed in **Macintosh (File 28 1/2; File 29 2/2)**, Additional Information: LABEL: Untitled; Macintosh files. Text documents. CP Wire - National

Disk 18 – No Files Printed in **Windows (File 18)**, Additional Information: F-Prot Virus scan for Windows

Disk 19 – No Files Printed in **Windows (File 19)**, Additional Information: Simeon 4.09 install files for Windows Disk 1

Disk 20 – No Files Printed in **Windows (File 20)**, Additional Information: Simeon 4.09 install files for Windows Disk 2

Disk 21 – Files Printed in **Macintosh (File 30)**, Additional Information: LABEL: Untitled; Macintosh files. Word for Mac.

Disk 22 – No File Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 23 – Files Printed in **Macintosh (File 31)**, Additional Information: LABEL: Untitled; Macintosh Files. Word for Mac.

Disk 24 – No Files Printed in **Macintosh (File 32)**, Additional Information: LABEL: Mac5; Macintosh Files.

Disk 25 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 26 – Files Printed in **Macintosh (File 33)**, Additional Information: LABEL: MacSJCbroch; Disk Repair Warning; Macintosh Files. Word for Mac.

Disk 27 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 28 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 29 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 30 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 31 – No Files Printed, Additional Information: Could not open files: "Disk is

not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 32 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 33 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 34 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 35 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 36 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 37 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 38 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 39 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 40 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 41 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 42 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 43 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 44 – No Files Printed, Additional Information: Could not open files: "Disk is not formatted. Would you like to format it?" Possibly a Macintosh file system or corrupted Disk. EDIT: Not a Macintosh Disk.

Disk 45 – No Files Printed in **Macintosh (File 34)**, Additional Information: LABEL: NIX13; Macintosh Files. TIF Files. Pictures of Old City Hall and McCullum Building.

File 35 contains Disks #1 - #45
