

UNIVERSITY OF REGINA ARCHIVES AND SPECIAL COLLECTIONS  
DR JOHN ARCHER LIBRARY

COLLECTION NO. 2018-31  
COTEAU BOOKS

JUNE 2018  
ELIZABETH SEITZ

**Administrative Sketch:** Coteau Books is a non-profit production cooperative based in Regina, Saskatchewan. Coteau Books was developed in Moose Jaw in 1975 as an outlet for Canadian poetry and writing.<sup>1</sup> Today Coteau Books has distribution around the world and continues to promote Canadian writing to readers around the globe.

**Scope and Content:** This collection ranges in date from 2005 to 2010 and was transferred to Archives and Special Collections in June 2018 with a list of the box contents provided by the donor. A few revisions to the file list were necessary but the folders remain in the donor's original order, however copies of the publications which were included were deposited into folders where there was ample space for it. Larger files, too big for one file folder, were split into two folders and labeled 1/2, 2/2.

Notes were made in pencil on the file folders in the collection to indicate where self-adhesive notes are located. These notes were created and attached by the donor, in some cases the self-adhesive notes have notations made on them while others are blank.

Five compact disks were copied to the University's servers for interim preservation. Four photographs were indexed, numbered and sleeved.
