DR JOHN ARCHER LIBRARY

DR. RAY F. E. HARVEY

PRELIMINARY ON SEPTEMBER 25, 1987

REVISED BY M.K. OLSON ON MARCH 25, 2019

**Note on Arrangement:** Files reorganized and some retitled. Original order not deemed usable.

Dr. Ray Francis Ethelred Harvey was the Vice-Principal of the University of Saskatchewan, Regina Campus from January 1970 to June 1972. Prior to joining the University faculty in 1965, he was Deputy Minister of the Department of Education, and before that had served as chief superintendent of Saskatchewan schools, superintendent of provincial high schools and superintendent of schools in Nipawin and Medstead. In 1965, Dr. Harvey was appointed Professor of School Administration in the Faculty of Education. When the School of Administration was granted Faculty status in 1968, he was named its first dean.

Dr. Harvey was a member of the Joint Committee on Higher Education and was chairman of the Regina Campus Sub-Committee. The major purposes of the Joint Committee were: to examine all aspects of post-secondary education; to examine the feasibility of establishing several colleges in defined regions of the province to further the economic and cultural development of the region; and to examine and evaluate the articulation of all formal and informal educational programs in a community.

**Scope and Content:** The collection consists primarily of records generated by two committees: the Department of Education's Committee of Inquiry on Teacher Salary Negotiation Procedures, 1966-67, and the University of Saskatchewan's Joint Committee on Higher Education, 1965-68. Records of the Vice-Principal's Office are contained in collection 78-4.

**Access Restrictions:** This private collection may contain university records that are subject to review before access may be granted. Access to University records is governed by the *Local Authority Freedom of Information and Protection of Privacy Act*.
