## INTRODUCTION

Susan Whitney is the owner and manager of the Susan Whitney Gallery, a successful, commercial art gallery which specializes in sculpture, craft, folk art and paintings. Since 1978, Whitney has organized hundreds of exhibitions of provincially, nationally and internationally renowned artists. Of the 30 artists the gallery represents, a majority are from Saskatchewan with the remainder from over parts of North America. Whitney also works as an art appraiser, primarily through the Professional Art Dealer's Association of Canada (PADAC).

This collection consists of administrative and artists records from the period of 1986-89. Artists such as Joe Fafard, David Thauberger, Vic Cicansky and Wilf Perreault are well represented within this collection. The Susan Whitney papers give an overview on current trends in Saskatchewan art.

NOTE: Original order maintained.
