AND  
ELIZABETH SEITZ

**Administrative Sketch:** Michael Ambrosi started this family owned business in 1929 and for 85 years Ambrosi Printers served Regina and community until closing its shop doors in December 2014. Located on Victoria Avenue and Montreal Street the company printed everything from bags and business cards to stationery on three Ludlow machines and four Heidelberg Offset Printing Press machines in their shop. The engraving blocks in this collection were used for printing calendars and stationery as well as other material for the University Women's Club, the Regina College and the University of Saskatchewan, Regina College.
