SECTION 7 – PAY PARKING, PERMITS AND PARKING PRIVILEGES

Pay parking

7.1.1 Pay parking is available on the Campus as follows:

- (i) in parking lots pursuant to a permit or parking privileges; or
- (ii) in controlled pay parking lots pursuant to a permit or parking privileges obtained through the use of a pay parking station or an electronic payment system;

In each case subject to fees as determined by the President from time to time as published by the University or indicated on or in the applicable parking signage, parking pay station, parking meter or electronic payment system.

7.1.2 Pay parking will be enforced as specified by the applicable parking signage.

7.1.3 Under no circumstances does a permit or parking privileges extend privileges to park in a parking stall, a pay parking zone or a parking lot unless specifically designated on or in the permit or parking privileges, or as noted in these bylaws.

Requirements to Park

7.2 In order to park a motor vehicle in a parking stall, pay parking zone or parking lot, the operator must either:

- (i) have a valid permit to park in the parking stall, pay parking zone or parking lot; or
- (ii) acquire parking privileges through use of a parking pay station, a parking meter or an electronic payment system as the case may be, in each case as indicated on the meter or parking signage in the pay parking zone or parking lot, or related to the pay parking stall, and as specified in Appendix B.

Additional Information Required

7.3.1 In addition to the requirements set out in section 7.2, the operator of a motor vehicle parked in a parking stall (where they intend to pay via an electronic payment system) or a pay parking zone shall forthwith enter the license plate number and jurisdiction of registration of the motor vehicle and, if using an electronic payment system, the location ID number or zone number, in accordance with the instructions on the parking pay station or within the electronic payment system. Incorrect entry of the motor vehicle's license plate, the location ID number or the zone number shall result in it being deemed that payment was not made for the parking stall.

Controlled Pay Parking Lots

7.4.1 Pay parking is available in controlled pay parking lots which will be operated in accordance with the time periods specified by the applicable parking signage, and subject to the fees as set out in Appendix B. Controlled pay parking lots will be operated in accordance with the time periods as specified by the parking signage and as approved from time to time by the President.

7.4.2 During the hours of operation, on entry to the controlled pay parking lot, the operator is required to stop and obtain a permit from either the attendant or the automated permit dispenser. On exiting from the controlled pay parking lot, the operator is required to stop and submit the permit or receipt to either the attendant or the automated parking pay station and pay the required fee. Failure to stop and pay the fee or submit the permit or receipt is a violation of these bylaws. The assessed fine is in addition to the accumulated parking charges to be paid.

Shared Permit

7.4.3 Only one motor vehicle registered to a valid permit may utilize the permit's parking privileges at any given time. If more than one motor vehicle registered to a valid permit is parked on Campus at the same time, the additional motor vehicle(s) must purchase a separate permit or parking privileges. Concurrent parking is not permitted.

No Aiding Additional Vehicle

7.4.4 No person shall allow their authorized permit to be used in aiding additional or subsequent motor vehicle(s) from entering or exiting or attempting to enter or exit a controlled pay parking lot without paying.

No Tailgating

Parking Services will administer and issue, on behalf of the University, permits and parking privileges granting the owner or operator of a motor vehicle the ability to park in the area designated on the permit or the parking privileges.

Removal of Permit

7.6.3 All permits, which are no longer valid, shall be removed from the motor vehicle.

- (i) registering current license plates and temporary license plates for motor vehicles authorized to park pursuant to the permit; and
- (ii) registering carpool members.

Sale or Transfer of Motor Vehicle

7.6.5 When an owner of motor vehicle for which a permit has, or parking privileges have, been issued by the University sells or transfers ownership of the motor vehicle, the owner or operator must immediately advise the University, and the permit or parking privileges associated with the motor vehicle will be withdrawn. For further certainty if the owner replaces the sold motor vehicle with a new motor vehicle using the same license plate, the owner may request that the University transfer the permit or parking privileges to the new motor vehicle.

Invalid Permits

7.6.6 Where a permit is required a permit shall be invalid:

- (i) after the time and/or date of expiration;
- (ii) when it is displayed on a motor vehicle other than the one for which it was issued;

- (iii) when it is a forged permit;
- (iv) when it is not affixed to the motor vehicle in accordance with section 7.6.2;
- (v) when it has been cancelled or revoked in accordance with these bylaws;
- (vi) when the motor vehicle is parked other than as designated on the permit;
- (vii) when the prescribed fee for the permit has not been paid in full;
- (viii) when it has been reported lost or stolen;
- (ix) when it has been transferred, sold or traded contrary to section 7.6.10; or
- (x) when it has been used in breach of these bylaws.

Invalid Parking Privileges

7.6.7 Where parking privileges are required parking privileges shall be invalid:

- (i) after the time and/or date of expiration;
- (ii) when they have been cancelled or revoked in accordance with these bylaws;
- (iii) when the motor vehicle is parked other than as designated under the parking privileges;
- (iv) when the prescribed fee for the parking privileges has not been paid in full; or
- (v) when they have been used in breach of these bylaws.

Revoking Permits/Parking Privileges

7.6.8 The University reserves the right to revoke the issuance, or refuse the sale, of a permit or parking privileges to an individual under the following conditions:

- (i) when the information supplied for the permit or the parking privileges by the applicant was false or misleading;
- (ii) when the individual is or has been in possession of a forged permit;
- (iii) where the individual has used a permit or parking privileges in breach of these bylaws;
- (iv) where the individual has shown flagrant disregard for the bylaws; or
- (v) where the individual is a persistent violator.

7.6.9 A person with outstanding citations may not purchase a permit or parking privileges until the outstanding citations and other fees (including late payment fees) are paid in full.

Sale/transfer of Permits and Forged Permits

7.6.10 Permits and parking privileges are issued to individuals and are not transferrable, and shall not be sold or traded for gain.

7.6.11 No person shall make or use a forged permit.

7.6.12 The owner of a permit who breaches section 7.6.10 or allows their permit to be used to make a forged permit may have their permit cancelled (in addition to the payment of any penalty prescribed in these bylaws).

Persistent Violators

7.7 The University may refuse to allow a persistent violator to park a motor vehicle on the Campus until either the outstanding citations and other amounts owing (including but not limited to towing, immobilization, late payment and court fees) have been paid, or arrangements satisfactory to the University have been made with Parking Services, and to enforce such prohibition the University may take any of the enforcement steps set out in section 9.

Lost or Stolen Permits

7.8 In the event a permit is lost or stolen, the permit holder shall provide proof that this has been duly reported to a law enforcement agency. Fees and conditions for replacement permits will be determined from time to time by the President.

Section 8 – enforcement

Authority

8.1 These bylaws will be enforced by parking enforcement officers, peace officers or persons engaged under contract to the University for that purpose.

- (i) any holder of a permit;
- (ii) any operator or owner of a motor vehicle or bicycle;
- (iii) to a pedestrian; or
- (iv) to any other person who is in violation of any of the provisions of these bylaws.

8.2.2 Where a person commits or is alleged to have committed a violation of these bylaws for which a fixed penalty is listed in Appendix A of these bylaws, a peace officer or parking enforcement officer shall:

- (i) provide the citation to such person; or
- (ii) attach the citation to that person's or that operator's motor vehicle in such a manner that is visible; or
- (iii) where there is electronic, video or other evidence to corroborate a violation of these bylaws, but it is impractical or impossible for a parking enforcement officer or peace officer to place the citation on the motor vehicle at the time of the violation, send a citation via mail to the registered address of the owner of the motor vehicle.

Where the University has an email address for the owner or operator of the motor vehicle, a copy of the citation will also be emailed to the owner or operator as the case may be.

8.2.3 The citation shall be substantially in the form as may from time to time be approved by the President.

8.2.4 No person, other than a peace officer, parking enforcement officer or designate shall issue a citation or place a citation on any motor vehicle, and no person, other than the owner or operator of a motor vehicle, shall remove a citation from a motor vehicle.

Monitoring Parking

8.3.1 The University may monitor motor vehicles in parking stalls, pay parking zones or parking lots in order to determine the time that a motor vehicle has been parked, and for such purposes may:

- (i) place an erasable chalk mark on the tread face of a tire of a motor vehicle; or
- (ii) record and monitor electronic images of the motor vehicle, and neither the parking enforcement officer/peace officer nor the University shall incur any liability for doing so.

8.3.2 No person shall remove an erasable chalk mark placed under section 8.3.1 while the motor vehicle remains parked in the location where it was marked.

Payment of Penalties

8.4.1 Any person who contravenes or fails to comply with any of the provisions of these bylaws for which a specific penalty is provided may pay to the University, in Canadian dollars, the amount specified in Appendix A for the violation. If voluntary payment is made within a period of fourteen (14) days from the issuance of the citation, and accepted by the University, then the person shall not be liable for prosecution for breach of these bylaws under the provisions of section 8.6.1 hereof.

8.4.2 For payment received within fourteen (14) days following the issuance of the citation, the President may authorize Parking Services to accept a lesser payment as shown in Appendix A.

8.4.3 Where a parking summons is issued for a violation of any provision of these bylaws, a person may make a voluntary payment of the specified penalty sum listed in Appendix A for that violation, and if they do so before the specified date set out in the parking summons the person shall not be liable for further prosecution for breach of these bylaws under the provisions of section 8.6.1 hereof.

Citation Appeal

8.5 The University may provide for an internal appeal of a citation, on such terms and conditions as may be determined by the University, in its sole discretion.

Failure to Pay/Default Conviction

8.6.1 If any person who contravenes or fails to comply with any of these bylaws for which a specific penalty is provided in Appendix A, and fails to pay the sum specified in Appendix A within the time allowed under section 8.4.1 hereof, then the sum shall be recoverable and enforceable by civil proceedings, or through summary conviction proceedings under *The Summary Offences Procedure Act, 1990*, either before a presiding Justice, Judge or Justice of the Peace of the Courts of Saskatchewan.

8.6.2 The amount prescribed for each violation of these bylaws set out in Appendix A is designated as the specified penalty sum for that violation for the purposes of entering a default or deemed conviction pursuant to Part VI of *The Summary Offences Procedure Act, 1990*.

Late Payment Fee – After Conviction

8.6.3 Where the owner or operator of a motor vehicle has been convicted under *The Summary Offences Procedure Act, 1990* and payment has not been received within thirty (30) calendar days following such conviction, the University may assess a late payment fee equal to the amount of the original citation.

Owner Liability

8.6.4 The owner of a motor vehicle is liable for any violation of these bylaws in connection with the operation of the motor vehicle and for all outstanding citations and late payment fees incurred by the owner or authorized operator of the owner's motor vehicle in accordance with section 90.3 of *The University of Regina Act*, as amended.

Student Parking Penalties

8.7 In addition to any other manner of recovery and enforcement provided for in these bylaws, if any student contravenes or fails to comply with any of the provisions of these bylaws for which either a specific or general penalty is provided, and has outstanding citations or fails to pay the sum specified, the amount of such outstanding citations, penalties or fines and any other fees imposed hereunder (including late payment fees) may be added to the student's account with the University, and until such amounts are paid the student may be denied from:

- (a) acquiring and/or maintaining University parking privileges;
- (b) registration for the classes;
- (c) making changes to his or her registration;

9.1.3 The Board of Governors hereby appoints the President to establish bus stops, loading zones, accessible parking stalls, parking stalls, parking lots and pay parking zones on such roads, in such places on Campus, and in such numbers as it shall determine to be necessary. The President shall establish the time limits or other conditions of use and same shall be designated by traffic signs for the said bus stops, loading zones, accessible parking stalls, parking stalls, parking lots and pay parking zones.

Removal, Impoundment, Towing, Immobilization, Storage and Disposal

9.2.1 In the event a motor vehicle is placed or parked as to cause a hazard or obstruction on any road or any other place, or in the case of an emergency, any parking enforcement officer or peace officer may remove, or cause to be removed, said motor vehicle for storage to a designated motor vehicle compound or another location on the Campus.

9.2.2 In the event a motor vehicle is unlawfully parked, any parking enforcement officer or peace officer may remove, tow, immobilize by whatever means, or otherwise store the said motor vehicle.

9.2.3 Where a parking enforcement officer or peace officer has removed, towed, and/or stored a motor vehicle pursuant to sections 9.2.1 or 9.2.2 hereof, it may be impounded by the University until the cost of the removal and storage are paid, together with such outstanding citations and other fees (including late payment fees) levied under and pursuant to these bylaws, in which case the motor vehicle shall be released to the owner or a duly authorized agent after such ownership has been verified.

9.2.4 Where a parking enforcement officer or peace officer has immobilized a motor vehicle pursuant to sections 9.2.1 or 9.2.2 hereof, it will remain immobilized until the cost of and related to the immobilization is paid, together with such outstanding citations and other fees (including late payment fees) levied under and pursuant to these bylaws, in which case the owner or operator, as the case may be, will be provided with a code to unlock the immobilizer.

9.2.7 If the cost of immobilizing, towing, removal, impoundment, and storage and such fines levied as described in Appendix A and B of these bylaws are not paid within the period of thirty (30) days from the date of the removal or immobilization, the University may recover same from the owner of the motor vehicle by legal action in a court of competent jurisdiction, or sale of the motor vehicle by public auction, or pursue all other remedies available to it under *The Summary Offences Procedure Act, 1990*.

9.2.8 The University is not liable for any loss or damage to a motor vehicle or to the contents of a motor vehicle, which is immobilized, towed, removed, impounded, stored, seized or sold pursuant to this section.

9.2.9 The immobilization or removal of any motor vehicle under this section shall not relieve the owner or operator of any liability under any other section of these bylaws for any violation for which the owner would otherwise be liable prior to the immobilization or removal of the motor vehicle.

9.2.10 The proceeds of the sale of a motor vehicle shall be applied in payment of:
