Banner Access Certification Statement

Date: _____

We have examined the current Banner Access data provided to us by Information Services outlining all employees within our unit that have access to Banner functionality. We have verified this data and each individual's need for access to the Banner functionality identified. Where necessary we have instructed Information Services to make alterations to employee access. We certify that subject to these changes being made the access rights provided to each employee are required to complete their work assignments.

Faculty or Administrative Dept. Name

Signature of Head or Designate
