### **Undertaking Regarding Conflict of Interest, Conflict of Commitment, and Confidentiality**

I have read the University of Regina's *Conflict of Interest and Conflict of Commitment Policy* and understand the declaration is given in accordance with that *Policy*.

I understand and agree to the following:

- Other than noted above, I am not engaged in any activity and have no interest that is or could be perceived as a conflict of interest or conflict of commitment.
- I will not participate in any University activity that involves a real or perceived conflict of interest or conflict of commitment. I will declare the conflict and remove myself from the activity in question.
- I will keep in strictest confidence all confidential and proprietary information I receive as a member of the University. I will use this information for University business only.
- I will update the information in this declaration if/when circumstances change.

I declare that the information contained in this Conflict of Interest and Conflict of Commitment Declaration is true and correct to the best of my knowledge.
