**Expenditure Budgets** - Beginning in 2014-15, benefits and market adjustments were decentralized and attributed to faculty and departmental budgets. To adjust for this difference 15% of salary has been attributed to all expenditures budgets from 2008-09 to 2013-14.

Expenditure budget amounts listed below are only for Organization 2410 "Graduate Studies Dean's Office" all other Organization accounts attributable to the overall Faculty of Graduate Studies contain funding for various student financial supports (scholarships, teaching assistantships, etc.).

**Faculty and Staff** - Academic staff include professors (all ranks), lecturers and instructors. Non-academic include administrative support or technical support positions. Note that reported Faculty/Staff positions are **as budgeted** - not as actually occupied  
**report is as of Nov 22 2017**

**FGSR (Dean's Office)**
