Re: 15 – 18 Month Academic Unit Review Follow-up

Dear Dr. Marsh:

Thank you for attending the December 13, 2022 Council Committee on Academic Mission (CCAM) meeting and providing us with an update on your academic unit.

There has been significant progress made in Interdisciplinary Studies and Creative Technologies following the academic unit review. There is evidence of growth and advancement in the areas of culture, governance, and collegiality. We encourage your program and faculty to continue on this positive trajectory.

We encourage your unit to consider engaging in the process of curriculum mapping. This activity provides an opportunity to align individual courses with program outcomes. As well, student and faculty experiences can be considered through this approach. Curriculum mapping helps to ensure that courses are structured in a strategic and thoughtful way that enhances student learning.

Congratulations on the progress you have made to date. Please do not hesitate to contact us if you have any questions or require any assistance.

Sincerely,

Dr. David Gregory,
Interim Provost and Vice-President (Academic)

Dr. Laurie Clune
