Appeals by students in connection with academic decisions of any Faculty will be heard by the Council Committee on Student Appeals (CCSA) except for matters of discipline which will be heard by the Council Discipline Committee. Matters such as grades assigned for individual classes or credits given for classes transferred from other institutions will normally not be considered by the CCSA.

The CCSA considered 11 appeals during 2016-17 academic year, with two appeals pending. Of the 11 appeals, three cases were further appealed to the Senate Appeals Committee (SAC).
