Duties:

The role of the Finance and Facilities Committee is to provide oversight and make recommendations to the Board of Governors on matters regarding the University's facilities and financial resources:

1. Approval and oversight of major capital projects, including submissions for government funding,
2. Oversight of the University's preventative maintenance and renewal programme, and approval of significant projects, including submissions for government funding.
3. Review and recommend to the Board annual approval of changes in ancillaries fees and prices,
4. Receive and review on an established schedule reports regarding capital, preventative maintenance and renewal, fundraising, research revenue and ancillary services in relation to the established budget and work plan.
5. Recommend to the Board approval of execution of any new long-term debt.
6. Review and recommend to the Board approval of all land and facilities ownership transactions.
7. Review and recommend to the Board approval of the creation and/or dissolution of research institutes and centres or corporate entities as recommended by management.
8. Review and recommend to the Board for approval changes to the parking bylaws.
9. Review and recommend to the Board approval of the Campus Master Plan including revisions to it and all major capital projects (over \$500,000).
10. Review annually a report on program and service fees for community-based programs.
11. Review and recommend to the Board approval of investment managers and investment policies (SIP&Gs) for the University's Trust and Endowment Fund and Pension Plans including long-term investment objectives, long-term asset mix, and the benchmark portfolio to be used to judge

and monitor investment performance. To recommend to the Board statements of investment results and required reports.

12. Receive and review reports on admissions and enrolment, including international student activity.
13. Review and recommend to the Board approval of new or changes to policies pertaining to the acquisition, operation, maintenance and use of campus physical assets.
14. Review and recommend to the Board approval of new or changes to policies pertaining to ancillaries, research and fundraising.
15. Annually review its terms of reference and recommend changes to the Board as appropriate.
