

Audit and Risk Management Committee

Membership:

Four independent members of the Board (i.e., no-one who is an employee, student, or in any way directly affiliated with the University)

Resource Persons:

President and Vice-Chancellor
Provost and Vice-President (Academic)
Vice-President (Administration)
Vice-President (Research)
Executive Director, University Governance (University Secretary)
Associate Vice-President (Finance)
Internal Auditor
Coordinator (Policy and Enterprise Risk Management)

Duties:

The role of the Audit and Risk Management Committee is to monitor financial results, to provide oversight on risk management, and to advise the Board of Governors accordingly.

1. Review and recommend to the Board approval of the annual budget plan (including the operating budget, the capital budget, the preventative maintenance and renewal budget, and the ancillary services budget), and the annual Operations Forecast developed for the Ministry of Advanced Education.
2. Review and recommend to the Board annual approval of changes in tuition and academic student fees.
3. Review the University's financial reports, including oversight of the key areas of estimate and judgment prepared for the Board, in accordance with the Board-approved Fund Monitoring policy.
4. Review and recommend to the Board approval of any changes to the budget plan recommended during the fiscal year, and any other major issues with financial implications that the President or the Board refers to the Committee.
5. Receive and review the Provincial Auditor's audit plans prior to the annual audit; the draft annual audited financial statements; the content of management letters; other reports from the Provincial Auditor; and any report of management that accompanies published financial statements; and to report on and/or recommend approval of these matters to the Board.
6. Review and recommend to the Board audited financial statements of the University (including those resulting from any additional audit engagements) and the pension plans.
7. The Committee will meet *in camera* with the Provincial Auditor and/or the Internal Auditor for a part of any meeting considering audited financial statements and reports from the Provincial Auditor or the Internal Auditor.
8. The Committee will facilitate a positive working relationship in the performance of University audits, in particular between management and the Provincial Auditor as External Auditor, and consultants or staff acting as Internal Auditor.
9. Review the internal audit charter, recommending to the Board approval of changes as required.

10. Review and make recommendations to the Board for approval the annual internal audit plan for the University.
11. Review any findings and recommendations from the Internal Auditor and Enterprise Risk Management Coordinator, and provide oversight and monitoring of any follow-up reports that relate to either party's recommendations.
12. Oversee the general internal financial controls of the University and, if necessary, request an investigation and analysis of any activity of the University relevant to the Committee's mandate. The Committee may provide direction as to the appropriate accounting policies for the University.
13. Review and recommend to the Board approval of the University's Enterprise Risk Management Register. Ensure that management has in place and uses adequate systems for identifying, assessing and appropriately managing risks, including ensuring that the University has effective crisis management systems, contingency plans and risk mitigation strategies.
14. Receive for information, at least once annually, a report on the University's insurance.
15. Provide input into the layout and content of the University's Annual Report, and review and recommend to the Board its approval.
16. Review pending and ongoing litigation in order to assess potential settlement costs and/or associated risks.
17. Receive an annual report from management related to account write-offs and bad debt expense, and recommend to the Board approval of any write-offs in excess of \$100,000.
18. Review and receive for information management's attestation that all required statutory remittances have been paid.
19. Receive and recommend to the Board approval of significant changes in policies regarding financial controls, risk or audit.
20. Participate in the decisions regarding the appointment, removal and performance review of the internal auditor.
21. Review reports from the Office of Internal Audit on allegations received through the safe disclosure reporting line, investigations performed, results of investigations, and actions pursuant to the investigations.
22. Annually review its terms of reference and recommend changes to the Board as appropriate.
