NOMINATION INFORMATION:

All alumni are eligible to be nominated for election as a member of Senate. If elected, service is for a 3-year term commencing 1 July 2022.

There are typically three Senate meetings held per academic year – in the Fall, Winter, and Spring. An orientation session is held for all new Senators in conjunction with the Fall meeting.

The Senate seeks representation from every sector of the community including business, academia, and cultural communities with a view to engaging the wider community locally, regionally, and nationally. There are 14 members of the Convocation representing 10 electoral districts.

Because of its broad public representation, the Senate has been described as the University’s “window on the world.” Its functions in this respect are of utmost importance. Its general area of concern is the academic welfare of the institution, and within this area, it has a variety of duties and powers. Most of the broader
issues of academic policy within the University are reserved for its approval. In another role, it acts as an ultimate court in academic affairs.
