

September 30, 2020

Members of the University Community,

The search for the University of Regina's new President and Vice-Chancellor is well underway with the search firm, Boyden, conducting candidate outreach activities over the summer and early fall.

At the most recent meeting of the Search Advisory Committee, the Committee participated in a workshop and facilitated discussion on unconscious bias. This session yielded meaningful conversation and consideration that will continue to be addressed throughout the search process.

Candidate outreach will continue over the next number of weeks, with the Search Advisory Committee engaging in further discussion with Boyden to evaluate and shortlist candidates. We anticipate final interviews and selection of our new President and Vice-Chancellor in the next year, to take office by July 2021.

I encourage you to continue to stay informed of the status of the search process through our Presidential Search website here: <https://www.uregina.ca/presidential-search/index.html>

Sincerely,

Roger Brandvold
Chair, University of Regina Board of Governors
