Members of the University Community,

The search for the University of Regina's new President and Vice-Chancellor is well underway with the search firm, Boyden, having conducted candidate outreach activities over the summer and fall.

At the most recent meeting of the Search Advisory Committee, the Committee agreed to further consider a number of candidates. These candidates will be contacted to participate in preliminary interviews and further discussion. We continue to anticipate final interviews and selection of our new President and Vice-Chancellor to occur early in the new year, with the goal of having our new President in place by July 2021.

I encourage you to stay informed of the status of the search process through our Presidential Search website here: <https://www.uregina.ca/presidential-search/index.html>.

Sincerely,

Roger Brandvold
Chair, University of Regina Board of Governors
