Members of the University Community,

I am delighted to report that the search for the University of Regina's next President and Vice-Chancellor has generated significant interest from leaders located across Canada, North America, and beyond. The Search Advisory Committee continues to work diligently through selection and interview processes with a strong pool of candidates, in order to ultimately make a recommendation to the Board of Governors for their approval.

We anticipate that final interviews and selection of our next President and Vice-Chancellor will occur early in the New Year, with the goal of having our new President in place by July 2021.

I encourage you to stay informed of the status of the search process through our Presidential Search website: <https://www.uregina.ca/presidential-search/index.html>.

Sincerely,

Roger Brandvold  
Chair, University of Regina Board of Governors
