

GUARDIAN WAIVER - SSS/COUGAR/RAMS CAMPS 2021

Thank you for your interest in joining us this summer! Please note that this year we will be changing our payment process for all spring and summer programming. Due to COVID-19, we will not complete your transaction immediately. It will be processed 14 days prior to the camp start date. For online registrations, please register and enter credit card information into the payment plan option offered at the end of the registration process.

Important: Please note that your spot is not secured if your payment is declined. The RAS office will email you to notify you if this happens. You will have 48 hours to make payment by contacting RAS at (306) 585-4371 or by going into your account online to complete payment. After the 48 hours, if payment has not been made, the registration will be withdrawn.

Program Cancellations and Closures: Please note that programs may be cancelled for any reason by the University of Regina either for a specific class date or in its entirety. If a program is cancelled in its entirety, a pro-rated refund will be provided. If a specific class date within the program is cancelled, a make-up class may be provided. Please note that this may not always be possible. The University of Regina is closed on all statutory holidays as well as any University of Regina closures for maintenance or other reasons. This includes the period from December 25 to January 1 inclusive.

Transfer Policy: Transfers are allowed within the same program area up to one day prior to the start date of the program, space permitting. An example of this is if the original registration is in Summer Sports School, the registrant may transfer into another Summer Sports School program but not into a Cougar Camp. Registrants may transfer with no charge up to 3 days after they registered in the program. A \$10.00 fee will be assessed for all transfers after the three day grace period. No transfers are allowed after the start date of the program.

Electronic Devices: Cell phone or other electronic devices are not permitted in the locker room areas.

I agree that my Child is medically fit to participate in the Program. I understand that medical and/or personal information will be stored in a University database and/or in paper form at a physical location at the University.

I consent to have my child's photo taken and published. Photos or videos taken during programs at the University of Regina or during online programs may be used for promotional purposes in all forms of media, for any and all promotional purposes including advertising, display, audiovisual, exhibition or editorial use. I understand and agree that I will not receive any payment for my time or expenses or any royalty for the publication of the photographs and/or videos.

Online programs offered through the University of Regina (the "University") does not provide child or ward supervision. It is the sole responsibility of the parent or guardian of the child or ward to provide supervision during the online programs. This waiver, in its entirety, applies to all programming offered by the University of Regina (the "University"), including online programs.

I understand that the University collects and creates information about individuals ("personal information") under the authority of The University of Regina Act, and in accordance with The Local Authority Freedom of Information and Protection of Privacy Act (Saskatchewan) and the Personal Information Protection and Electronic Documents Act (Canada), for purposes of the administration of the University and its programs and services. Some of this information may be reported as required by federal or provincial authority. I consent to the collection, use and disclosure of my Child's personal information as described above.

I have read, understood and agree to the terms of this agreement. I hereby execute this release, waiver and indemnification on my own behalf, on behalf of the Participant, and on behalf of our respective heirs, successors, representatives and assigns and I knowingly assume any inherent risks of the Program.
