

Computer Common Areas

To help limit the spread of illness, please wipe the table and print device before use

How to use wipes:

1. Apply wipe to touch surfaces – table surface, chair back and arm rests, device touchscreen and start button, and copier lid handle.
2. Surfaces must remain wet for 1 minute.
3. Allow to air dry, do not dry with paper towels.
4. Dispose of wipe in nearest garbage can.

Oxivir Tb:

- Low odor – no fragrances added
- Wipes are generally not irritating to eyes or skin – no gloves needed
- The active ingredients degrade to oxygen and water, no harmful residue
- Other products may not be approved/effective

Guidelines:

- Stay home if you are sick, even with a cold.
- Before and after using the computers wash your hands with soap and water for at least 20 seconds.
- Practice social distancing (limit close physical/social contact such as shaking hands or embracing, etc.).
- Computers are to be used individually.
