

Student Zoom Tips

✓ Student Zoom instructions can be found in the [UR Courses Student Guide](https://www.uregina.ca/remote-learning/index.html) and <https://www.uregina.ca/remote-learning/index.html>

1. Before Your Zoom Session

- Find a quiet space
- Grab a device - PC, Mac, iOS or Android
- Locate the Zoom meeting link in UR Courses
 - Click on the link then click Join meeting

A rectangular button with a grey background and the text "Join Meeting" in white.

2. Joining a Session

- The very first time accessing zoom, you will be prompted to download a small bit of software so that you can access this program. This will be different, depending on what device you choose.
- Test your video camera and mic by joining one of the test sessions offered by your instructor or by connecting to the Student Peer Support Zoom Room anytime - <https://zoom.us/my/uregina.student.orientation>.

3. While in a Session

- Take advantage of the tools you have to interact.
- Click on Mute, when others are talking
- Stop Video – if you need to step away
- Chat – if you can't get your mic to work
- Share Screen if you are asked to share your work!
- End Meeting to leave.
- Note: This is the menu for a desktop, and appears when you hover your mouse near the bottom of your screen. This menu will appear in different locations depending on your device. So please explore the room! Have fun.

4. Considerations

- Be aware of your camera angle and room noise
- Introduce yourself, so your instructor knows you are in the room
- Wait for a break in conversation to add your points
- Speak clearly
