

Dear Campus Community,

The Office of Research Services is pleased to announce the upcoming launch of two new ethics modules—Ethics Amendments and Ethics Renewals—in the Converis Research Information System.

See the Converis Amendment and Renewal Quick Sheets and Short step by step guidance videos here: <https://www.uregina.ca/research/office-research-services/human-research/ethics-forms.html>

This will be a soft launch period until January 1, 2026, during which researchers may submit amendments and renewals using **either** the current PDF forms or the new Converis modules.

Effective January 1, 2026, all Ethics Amendments and Renewals must be submitted through Converis, as PDF submissions will no longer be accepted.

If you have any questions, please contact: Research.Ethics@uregina.ca

Thank you for your understanding and support.
