List of Investigators for research funded by the U.S. Public Health Service or National Science Foundation

Complete this form if you are a University of Regina (UofR) Principal Investigator applying for PHS funding either as Prime Awardee or Sub-Awardee.

In accordance with the U.S. regulations, Investigator is defined as: "the project director or principal investigator AND any other person, regardless of title or position, who is responsible for the design, conduct or reporting of research funded by the PHS/NSF, or proposed for such funding, which may also include, for example, collaborators and consultants."

If UofR is the Prime Awardee, this list is to include all UofR Investigators, as well as External Investigators (non-funded) and Sub-Recipient Investigators (subject to a sub-award agreement).

If UofR is a Sub-Awardee, this list is to include all UofR Investigators, as well as any External Investigators (non-funded) who are participating on the UofR sub-award portion of the grant.
