Acting Dean of Science: Douglas Farenick  
HR Health, Safety and Environment: Sarah Posehn, Luanne Ferner, Darren Cherwaty, Curtis Koskie

Terms of Reference
• Term for members is 3 years, effective September 1ST.  
• Members may be appointed for a second or subsequent term.

Background
In 2004 the University of Regina Occupational Health Committee determined the University of Regina Faculties identified as higher risk would be required to establish Local Safety Committees and develop a process where health and safety concerns can be addressed at a local level. This local Science Safety Committee was established at that time. In Science the local committee members are selected in accordance with Faculty practices.
