

NEW SCIENCE VISUAL IDENTITY

The Dean of Science is pleased to unveil the new visual identity for the Faculty of Science. To be used in conjunction with the University of Regina's visual identity, the newly created logo signifies the elements that unify the six departments of the Faculty.

Emblem:

The emblem shows an abstraction of the scientific method. Its six nodes further represent the six departments within the Faculty of Science.

Colour:

The colour for the new Faculty of Science logo matches the hood of Science's graduates at convocation.

Shape & Text:

The shape of the logo, and text within, mirror the elements shown on the periodic table.
