

**COMPUTER SCIENCE TRAVEL AWARD FOR THESIS-BASED  
GRADUATE STUDENTS**

---

**Eligibility**

1. The applicant must be a thesis-based graduate student in good standing, registered and enrolled full-time in the CS Masters or Ph.D. programs at the University of Regina.
2. The applicant must be presenting an accepted paper or a poster for which he/she is the first author.
3. The conference/event must be relevant to the applicant's thesis.

**Value**

Up to CAD 750 subject to budget approval.

**The application must include the following:**

1. A copy of the Graduate Student Travel Award application (submitted to FGSR).
2. A proof of acceptance of the paper/poster.
3. One page statement showing the relevance of the conference and the accepted paper/poster to the thesis.

Awards are paid to recipients after proof of attendance and participation at the conference have been submitted to the CS office.

Award recipients are asked to acknowledge the support of the Department of Computer Science. The logo of the Dept. of Computer Science should be visible on the presentation slides or the poster.
