**WE'RE LOOKING FOR TRANS, NONBINARY, GENDER DIVERSE YOUTH, AND SCHOOL PROFESSIONALS AFFECTED BY BILL 137**

If you would like to take part in a study on what Bill 137 means in the everyday life of trans, nonbinary, and gender-diverse youth at school, we want to hear from you! We're looking for trans, nonbinary, and gender-diverse youth who are between 13 and 15 years old, or were in high school when Bill 137 became law. If you are a school professional who supports trans, nonbinary, and gender-diverse youth, we want to hear from you too.

As a participant in this study, you will be asked to complete a one-time, one-hour interview over Zoom. Your participation would involve 1 session (possibly more if you are a youth and would like to participate in a youth advisory group).

In appreciation for your time, you will receive $50 for each meeting.
