Thank you for your interest in the Bachelor of Social Work (BSW) program, through the University of Regina, Faculty of Social Work, Saskatoon Campus

The BSW is comprised of:
- 60 credit hours of general university credits (completed using various delivery options)
- 60 credit hours of social work credits (completed through the U of R, Faculty of SW, Saskatoon Campus).

There are two admission processes:

1) **Admission to U of R OR Readmission to U of R (for previous U of R students)** *(STEP 1)* -

- **U of R Application**
- If eligible, student admitted into Pre-Social Work.
- **Enrollment** in SW courses is limited to SW100 and/or SW202. Students are encouraged to focus on first completing a majority of their general university credits prior to enrolling in SW classes. The exceptions are SW100 and SW202.
- Students register as soon as possible in U of R courses by using UR Self Service; watch **UR Self Service video** for assistance
- **Transcripts** - U of R students, completing courses at other Universities, should request one transcript to be sent at the end of each semester to Enrollment Services (AH 108), U of R, 3737 Wascana Parkway, Regina, SK, S4S 0A2. Once transcripts are evaluated, a copy of the transfer credit evaluation is mailed to student. This evaluation process takes approx. three weeks to complete.
- **NEXT STEP** – Once admitted to U of R and transcripts have been evaluated, schedule an **advising appointment**

2) **Admission to BSW** *(STEP 2)* -

- **BSW requirements & application**
- **BSW Application deadlines** - deadline is Jan 15 of each year
- **BSW Guide to applying**
- After Oct 1, sign up for an online BSW Application Information Session from the Upcoming Events Calendar on the SW website (www.uregina.ca/socialwork/).
- **Conditional Admission** - Students admitted to BSW on a conditional basis will be moved from Pre-SW to BSW on the assumption that all conditions will be met by the end of the winter semester. If conditions are not met by a specific date, student will return to Pre-SW. Student will be eligible to re-apply to BSW next year.
