If you are not attending or unable to write your final exam, contact your faculty immediately. Depending on your circumstances, you may be advised to apply for a deferral of term work and/or final exam or to withdraw from the course and/or term. If you are advised to withdraw, do so immediately as any refunds are prorated based on your date of withdrawal. Students who are medically unable to withdraw at the point of discontinuation may be granted a retroactive adjustment based on a date specifically supported by a medical professional. See below. If you submit a Student Medical Certificate for a deferral or withdrawal on medical grounds, you must also submit either an Application for Deferral of Term Work and/or Final Exam or an Application for Grade Adjustment.
