When a document has the status “Payment Required”

1) Click the PAY button.

2) Complete the payment form.

Entering the **billing address and postal code** of the credit card you use is a requirement of the MyCreds™ payment system (Stripe). The verification for the postal code goes back to the bank / financial institution that issued the payment card. The format for the postal code needs to match the financial institution’s records. You should refer to your statements (online or hardcopy) to see what the format for the postal code is with the issuing financial institution. To give you an idea of the variations, some need the letters to be uppercase while others use lowercase; some are looking for the space between the first 3 characters and others are not. There is not one standard format; the format for the postal code needs to match your financial institution’s records.
3) Click the **PAY** button on the lower left side of the form.

A message will tell you if your payment has been successful. You will be returned to the documents page where your document’s status will be updated to **Available**.
