

## UR Learner Pathway and Transfer Opportunities

### Cambridge International Examinations

Thousands of learners worldwide gain places at leading universities every year with Cambridge International AS & A Levels. The syllabi develop a deep understanding of subjects and independent thinking skills. The University of Regina recognizes the following Cambridge A level exams for transfer credit. A minimum grade of B must be achieved to be considered eligible for credit. Students must request an official transcript from Cambridge International Examinations to be sent to the University of Regina for transfer credit consideration.

To request your Cambridge A level scores visit: <http://www.cie.org.uk/cambridge-for/parents-and-students/exams-and-results/results/>
