International Baccalaureate (IB)

The IB challenges students to excel in their studies and encourages both personal and academic achievement. The University of Regina recognizes Higher Level IB courses with grades of 5 or better for transfer credit. Students must request an official transcript from IB to be sent to the University of Regina for consideration.

To request your IB transcript visit: https://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts/

The U of R is able to access IB transcripts through the secure IB online website and will receive a notification once your document has been sent to us.

This list is not exhaustive and additional courses may be eligible for transfer credit. If you have taken a Higher Level IB course which is not listed please contact Transfer.Credit@uregina.ca to request an evaluation.
