Applicants must list all post-secondary institutions attended. Transfer credit will not be awarded for courses taken at institutions that are not listed on application forms.

2.1.4 FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY

The University of Regina collects and creates information about students (“personal information”) under the authority of The University of Regina Act and in accordance with The Local Authority Freedom of Information and Protection of Privacy Act and the Personal Information Protection and Electronic Documents Act, for purposes of admission, registration, and other decisions on students’ academic status, and the administration of the University and its programs and services. Some of this information may be disclosed to the relevant students’ society and alumni association, and will be reported as required by federal or provincial authority. Information regarding the admission of current high school students may be shared with the student’s current high school as needed. Any misrepresentation may be shared with other post-secondary institutions. By enrolling in courses at the University of Regina, students consent to the collection, use, and disclosure of personal information as described above.

2.1.5 DISCLOSURE TO STATISTICS CANADA

Statistics Canada is the national statistical agency. As such, Statistics Canada carries out hundreds of surveys each year on a wide range of matters, including education.

It is essential to be able to follow students across time and institutions to understand, for example, the factors affecting enrolment demand at post-secondary institutions. The increased emphasis on accountability for public investment means that it is important to understand ‘outcomes.’ In order to carry out such studies, Statistics Canada asks all colleges and universities to provide to Statistics Canada student identification information (student’s name, ID number, Social Insurance Number), student contact information (address and telephone number), student demographic characteristics, enrolment information, previous education, and labour force activity.

The Federal Statistics Act provides the legal authority for Statistics Canada to obtain access to personal information held by educational institutions. The information may be used only for statistical purposes, and the confidentiality provisions of the Statistics Act prevent the information from being released in any way that would identify a student. Students who do not wish to have their information used are able to ask Statistics Canada to remove their identification and contact information from the national database.

Further information on the use of this information can be obtained from Statistics Canada’s website: www.statcan.gc.ca.

2.3.1.2 Extensions of Application Deadlines
Published deadlines for application to individual faculties or programs may be extended by the Dean of the relevant faculty; information about current extensions is available at unconnected.uregina.ca or from the Admissions Office (see §2.1). Extensions do not apply to students who are petitioning after being required to discontinue or because their GPA is too low for admission or re-admission (see §2.7.1).

Students planning to take some or all of their courses at a location other than the main campus in Regina may have extensions to the standard deadlines listed above.

2.3.2 Supporting Documents
Applicants to an undergraduate faculty will be required to submit supporting documentation for their application depending on educational background attained, and the approved faculty-specific admission requirements.

2.3.2.3 Unavailable Documents
Applicants who are unable to obtain all or some of their academic documents for reasons beyond their control may apply for special consideration from the Undergraduate Admissions or International Admissions office by submitting a letter outlining their qualifications, what steps they have taken to obtain their official documents, and the reason why missing documents cannot be submitted.

2. The application fee ($2.1.1);
3. An official transcript or a school-certified copy of an official transcript (with school seal or signature of guidance counselor) of results to date. Saskatchewan students may indicate on their Ministry of Education Request for High School Transcript Form that they would like transcripts to be sent after both the first and second semesters of grade 12. They may also supply the Student Profile printed by the school from the Saskatchewan Ministry of Education Web Application; or

The same procedure may be followed by students who are applying for Winter term (semester) admission and who will graduate from high school following an accelerated Fall term (semester) that finishes in December. Students who will complete their final Grade 12 semester in January should apply for regular admission for the Spring/Summer term (semester) or the following Fall term (semester).

Students who are completing their high school outside of Canada and the U.S. may be considered for early conditional admission if they have a 70% (or equivalent) average on the specific courses required from their chosen faculty from the most recent of their final grade 11 (or equivalent) grades, mid-term, projected and/or final grade 12 (or equivalent) grades or a combination of the above. Applicants who are refused early conditional admission will be reconsidered for regular admission if they supply an official transcript, by August 15, which shows their final high school grades and graduation.

2.3.3.4 Adult 12 Early Conditional Admission
Adult 12 students are eligible for early conditional admission if:

1. They will have attained Adult 12 standing prior to the start of the semester;
2. They have final grades in a minimum of half the required final admissions subjects to the faculty;
3. The average of all final grades (in admission subjects only) available at the time of admission meets the admission average of the faculty.

2.3.3.5 Advising and Registration
Applicants who have accepted their offer of admission are encouraged to contact their faculty or federated college office to arrange for advising and registration in courses (see §3.1 - 3.3).

2.3.3.6 Transcripts for Final Admission
Early conditional applicants must arrange for one official transcript of their final high school grades to be sent to the Admissions Office by August 1. Photocopies and faxes of transcripts are not accepted as official documents for review of the final admission requirements (2.4.1.1). Saskatchewan students are encouraged to have grades submitted electronically by the Saskatchewan Ministry of Education.

An exception to the deadline for receipt of transcripts will be made for applicants applying for Fall admission who are writing departmental examinations in August or completing summer school, and for applicants to the Winter term (semester) who will complete their final high school semester in December. It is the applicant’s responsibility to contact the Admissions or International Admissions office (see §2.1) with this information before the transcript deadline, and to arrange for the final official transcript to be sent as soon as results are available.

Conditional admission will be revoked and registration in courses cancelled for any applicant who neither contacts Admissions, nor supplies an official transcript by the deadline.

2.3.3.7 Final Admission Decisions
Once the official transcript showing graduation is received, students are re-evaluated for final admission based on the faculty-specific requirements listed in §2.4.1.1, and are notified in writing of the final decision.

2.3.3.8 Gap Year Program
The Gap Year Program is offered to current, direct-entry high school students (excluding Nursing; Education requires special permission) applying to the Fall intake. It allows these students, once accepted, to defer their admission and any University of Regina funded automatic entrance scholarships for one year. Further information is available at unconnected.uregina.ca.

2.3.4 Additional Information about Quota Programs
Averages needed for admission to faculties and programs with limited enrolment may be higher than the minimums stated in §2.4. Enrolment in any faculty or program may be limited at any time, without notice to the number of students who can be accommodated. As of the date of publication of this Calendar, quotas have been set for admission to the programs listed below.

2.3.4.1 Faculty of Education

1. General application procedures

Applicants to the Elementary, Secondary, Arts Education, and Music Education programs must complete the Teacher Education Application in place of the Application for Undergraduate Admission. Applicants to the Baccalauréat en éducation programs must complete the application for Baccalauréat en education. Applicants to the Indigenous Education programs must complete both the Undergraduate Application for Undergraduate Admission and the Indigenous Education Teacher Admission Profile.

The Teacher Education Application is available online in October of each year (for the following Fall) on the web at unconnected.uregina.ca.

Applicants submit transcripts according to the procedures in either §2.3.2 or §2.3.3 (for current Grade 12 students). The
2. Admission, Re-Admission, Faculty Transfer, and Recognition of Prior Learning

application fee is required for those applicants who have not previously paid this fee (see §2.1.1).

Selection of applicants to all programs except those in Indigenous Education is made by the Faculty of Education, on the basis of all information provided. For certain programs, interviews may also be scheduled. Separate quotas are in place for all programs. The number of first-year and transfer students accepted each year varies according to the total number of students in each program. The annual application deadlines (see §2.3.1.1) may be extended selectively by program until quotas are filled.

2. Offers of admission

Offers of admission to the Elementary, Secondary, Arts Education, and Music Education programs are normally mailed in April or May. Upon admission (regular or early conditional), applicants must notify the University that they intend to accept the offered place by the deadline stated in the letter, and begin full-time studies in September of the same year. Admission will be revoked if students fail to accept the offered places by the deadline, or if they are not registered in courses as of the last date to add courses in the Fall term (semester).

3. Indigenous Education

Applicants to programs in Indigenous Education follow the standard application deadlines and procedures in §2.3.1 and §2.3.2, but must also submit an Indigenous Education Teacher Education Admission Profile directly to:

Department of Indigenous Education, Health, and Social Work
First Nations University of Canada
Regina, SK S4S 7K2
Tel: 306-790-5950, Ext. 7526; Fax: 306-765-3330
Website: www.fnuiv.ca

Profile forms are available at http://fnuniv.ca/. Applicants to Indigenous Education are accepted to begin classes in the Fall term (semester) only, except for the BEd Elementary and Secondary After Degree programs, which usually begin in the Winter term (semester). Admission will be revoked if students fail to accept the offered place by the deadline date specified in their letter of acceptance, or if they are not registered in courses as of the last date to add courses in the Fall/Winter term (semester).

Applicants are interviewed by the department; deadlines for receipt of applications for interviews are as follows:

2.3.4.2 Faculty of Engineering and Applied Science

Applicants follow the standard admission procedures in §2.3.2 or for current Grade 12 students §2.3.3. Applicants will be accepted if they have an average of 70% or higher on required high school subjects (90% or higher for direct entry to major of choice). Registration in some programs/majors may be limited. Refer to §12.10.2.1 for information on the selection of majors.

2.3.4.3 School of Journalism

The School currently accepts an annual total of 26 students to its two-year programs. Admission is for the Fall term (semester) only. Academic requirements are listed in §2.4 and the deadline for application in §2.3.1. For more information about the School, its programs, and the application and admission process, consult the School’s web page at www.uregina.ca/arts/journalism.

Applicants follow the procedures in §2.3.2, but complete an Application for Admission to the School of Journalism* in place of the Application for Undergraduate Program Admission, and must also include the following:

- a cover letter (maximum of 2 pages) indicating the reasons for application and summarizing any media experience;
- a résumé (maximum of 2 pages); and
- supporting documents (maximum of 10 pages) which may include samples of published or unpublished writing, reference letters, and any other relevant material; photocopies are acceptable (no audio or video tapes).

* Current U of R students are to submit the Internal Application for Admission to the School of Journalism. Students not currently in the Faculty of Arts must also submit an Application for Re-Admission/Faculty Transfer.

The selection process includes an entrance examination (usually in February or March) and panel interviews (usually in April) for short listed applicants. Offers of admission are made in May, and must be accepted by the deadline stated in the letter, normally within 2 weeks.
The School advises all applicants, in writing, of the outcome of their application.

2.3.4.4 Saskatchewan Collaborative Bachelor of Science in Nursing

The Faculty has a first-year enrolment limit of 345 students. Admission is a competitive process based on academic proficiency. There is one intake each year for the Fall term, and a Winter intake will occur for Upper Years students only; however, the Dean may permit admissions during other terms to manage enrolments. Students are able to qualify for admission consideration based on either high school (§2.4.1.1) or post-secondary (§2.4.2) criteria. Meeting the minimum requirement does not guarantee admission. Information and applications can be found at www.sasknursingdegree.ca.

2.3.4.5 Faculty of Social Work

For the admission requirements to either the Pre-Social Work program or the Bachelor of Social Work (BSW), refer to §2.4.2. For the Pre-Social Work requirements for the BSW, please refer to §17.8.2.

All applicants to the BSW program must apply online at urconnected.uregina.ca. See §17.2.2 for further information. Students who are not admitted to the BSW at the first attempt may remain in the Pre-Social Work program category, and are not limited in the number of times they can re-apply. See §17.8.2.1 for further information.

For admission or qualifying requirements to either the Indigenous Social Work Qualifying program or the BISW, refer to §17.8.4.

Applicants to programs in Indigenous Social Work must apply to and be accepted by both the University of Regina and the School of Indigenous Social Work. They are required to have a year of acceptable human service experience. As well, all students applying to the School of Indigenous Social Work must provide a current Canadian Police Information Check (CPIC) and a current report from the Child Abuse Registry(ies) that is relevant to the applicant's place(s) of residence for review by the Admissions Committee. A CPIC that indicates a criminal record does not preclude students from admission to the School of Indigenous Social Work. Such records will be reviewed and assessed with respect to the nature of the offence(s), what the student has done to rectify the situation, and what measures the student has taken to enhance personal development subsequent to the charges/convictions.

2.4 Admission Requirements for Undergraduate Programs

2.4.1 Admission from Canadian High Schools

The admission average is calculated on all courses required for admission, as shown in the table in §2.4.1.1. Equivalent courses offered in French may be substituted for those shown, but proof of English language proficiency may be requested by the Admissions Office from applicants to programs other than the Baccalauréat en éducation. Equivalent courses from earlier curricula are accepted at the discretion of the Admissions Office.

The following faculties and programs do not accept students directly from high school:

School of Journalism: Applicants apply to the Faculty of Arts to complete two years of qualifying studies (“pre-Journalism”). See §2.3.4.3 and §9.22.2.

Bachelor of Social Work: High school applicants to the Faculty of Social Work are admitted as Pre-Social Work students and must complete a minimum of 30 credit hours before applying to the degree. See §2.3.4.5 and §17.2.2.

Applicants who do not have the equivalent of 15 or 24 credit hours of courses at a recognized U.S. post-secondary institution must have graduated, or be graduating in the June before admission, from a U.S. high school. Applications will be considered individually: criteria that will be considered in the evaluation process are SAT I or ACT scores, GPA and class rank. Normally, a minimum SAT I score of 1100 (critical reading and math) or a minimum ACT score of 24 will be required. As well, applicants must meet the following high school core curriculum requirements:

- 4 years of English

- 3 years of Laboratory Sciences
- 3 years of Social Studies
- A minimum of 16 credit hours

Faculty-specific admission subject requirements (types and numbers of courses: see §2.4.3.1) must be met, with the mathematics and science requirements of the Faculties of Engineering and Applied Science, Kinesiology & Health Studies, and Science being met by AP or higher-level IB courses, or SAT II results, as shown below. The AP and IB courses listed receive transfer credit for grades of 4 and 5 respectively.

An interview with a Faculty advisor may be required by the University.

Successful applicants will be admitted to the Faculty of Arts (with a condition of "mandatory advising"), the Faculty of Social Work or the Faculty of Media, Art, and Performance. Home Based Learners with an interest in applying to other faculties should contact the Admissions office.

2.5 SPECIAL ADMISSIONS (NON-DEGREE)

Please note that not all courses are open to students admitted to these categories and that some of the following categories do not receive priority in registration. See below and §3.3.

2.5.1 APPLICATION DEADLINE FOR SPECIAL ADMISSIONS

The deadline for application for all categories of special admission is the last day that the course may be added without the instructor’s and Dean’s permission (see §1.2 and §3.3.5).

2.5.2 UR ACCELERATED PROGRAM FOR HIGH SCHOOL STUDENTS AND HOME-BASED LEARNERS

Applicants who are currently enrolled in high school or as home-based learners (minimum age 16) may be admitted to the University to take one course per term (semester). Applicants must submit to the Student and Instructor Services (Credit), Centre for Continuing Education, a completed Application for Admission & Registration for Accelerated Students signed by the school principal or (for home-based learners) their main educator with the application fee ($50). A new signed Application for Admission & Registration form is required each term (semester). Students who wish to receive Special Project credit on their high school transcript for successful completion of a University of Regina credit course must complete a Special Project application form available from their high school.

2.5.3 AUDIT ONLY

Applicants who want only to audit courses (that is, to listen to lectures without receiving degree credit) do not have to be formally admitted to the University, but must be formally registered for courses they are attending. Refer to §3.5 for procedures. Students who are on university-level forced withdrawal (MW) are not permitted to audit courses.

2.5.4 CASUAL STUDENTS

The Casual Student Program is designed to allow members of the general public to take courses for general interest. The following restrictions apply to this program:

- Applicants must be aged at least 18 (if under 18, they must have already graduated from high school).
- Students who have received a Faculty requirement to discontinue (RTD) or University-level forced withdrawal (MW) at the University of Regina or another post-secondary institution are not eligible to participate.
- Students can register in open registration.
- The maximum registration for any term is 6 credit hours.
- The maximum length of time students are allowed to stay in either the Casual Student Program and/or the General Studies Program before applying to transfer to a Faculty is 24 credit hours.
- Regular evaluation of academic performance applies to Casual Students. Academic performance is evaluated following each term. If Casual Students already have full or part of a U of R degree and come in with more than 24 credit hours, those credit hours count towards evaluation of academic performance and application of academic policies.

Casual students apply and are registered through Student and Instructor Services (Credit), Centre for Continuing Education, using an Application for Casual Student Admission & Registration. Casual students who have not previously attended the University of Regina are required to pay the application fee. Students must meet University of Regina English Language Proficiency requirements prior to admission as per §2.2. High school and post-secondary transcripts are not required unless a desired course has prerequisites. These transcripts can be unofficial and are accepted directly from the applicant.

Academic advising is not required, but is available from the Career & Professional Development Division on request (contact Student and Instructor Services (Credit) at 306-585-5807 to book an appointment). Casual students who may wish to transfer into a Faculty at some time in the future are strongly encouraged to seek preliminary advising from the Faculty. Casual Students may apply to transfer to a Faculty or another program at any time, and must meet the admission/transfer regulations then in effect, including provision of official transcripts. The form to be completed is the Application for Undergraduate Program Admission. The new Faculty will evaluate all courses completed in the Casual Student Program and determine their applicability to the new program. Applicants who have completed courses through the University of Regina’s Centre for Continuing Education or Casual Student Program must achieve a UGPA of at least 60% (see §5.9.3) on all University of Regina courses taken. Those who do not meet this criterion may submit a petition to the Admissions Office for review by the Faculty. The decision of the faculty with respect to admission and conditions for continuation is final.

2.5.5 GENERAL STUDIES

General Studies is designed for students who are not currently admissible to a Faculty at the University of Regina, including students who are unable to provide admission documents by stated deadlines, those who apply after the published deadlines, or who do not currently meet stated Faculty admission requirements (including early conditional students who do not meet final admission requirements). This program is intended for first-time University of Regina students. Students must meet the
2. Admission, Re-Admission, Faculty Transfer, and Recognition of Prior Learning

University of Regina English Language Proficiency requirements prior to admission as per §2.2.

The University of Regina Admissions Office will refer potential General Studies students to the Student and Instructor Services (Credit), Centre for Continuing Education after reviewing their admission applications and determining eligibility for General Studies.

General Studies students are guided by the following criteria:

- Students are admitted to General Studies for two terms only, during which they must work to provide admission documents and/or meet stated Faculty admission requirements.

- Students who have received a Faculty requirement to discontinue (RTD) or University-level forced withdrawal (MW) at the University of Regina or another post-secondary institution are not eligible to participate.

- Deadline for admission to General Studies is the first day of classes.

- Mandatory advising is required before registering for courses.

- Students are permitted to register in a maximum of 12 credit hours and four courses (which may include AMTH courses, ACAD 100 or 0 credit hour courses) per semester. Early conditional students who do not meet final admission requirements but who are already registered in courses will have their courses adjusted.

- The maximum length of time students are allowed to stay in either the Casual Student Program and/or the General Studies Program before applying to transfer to a Faculty is 24 credit hours.

- General Studies students will register during open registration.

- All regular academic performance regulations apply.

- Transfer credit will be reviewed if necessary.

- As this program is designed for first-time University of Regina students, General Studies students are not eligible for the Fresh Start program.

2.5.6 Exchange Programs

Exchange programs are based on formal agreements between the University of Regina and another university or college (the “home institution”) which allow its students to attend the University of Regina for a defined period of study of one or two terms (semesters).

The Application for Inbound Exchange Students and associated written procedures are available at the home institution. Applicants are admitted to the University of Regina faculty which offers the courses in which they are interested. Applicants must either submit their list of desired courses on the application form, or contact the faculty when they receive their admission letter. Applicants should note that admission to courses in some subjects is restricted to University of Regina degree program students, and should be prepared to make alternative selections.

Extensions of an exchange visit from one to two semesters are possible only if the agreement allows for a two-semester exchange and the home and host institution approves the extension.

2.5.7 Professional

A person who requires Business Administration courses for completion of a professional designation (CPA, CIM, etc.) may apply for admission to the Faculty of Business Administration as a Non-Degree Professional student. A one-time letter of permission from the professional organization is required. Students in this category cannot obtain a University of Regina certificate, diploma or degree, nor can they complete pre-Business requirements, while in this category.

Applicants are required to demonstrate proof of English language proficiency before admission.

2.5.8 Special (Post-Graduate)

Graduates of the University of Regina, and of other universities in disciplines offered by the University of Regina, may apply for admission as a special student to take courses for personal interest or continuing professional development. Applicants are admitted to the faculty offering the discipline in which they graduated. The terms of their registration are dictated by the faculty.

Applicants who have not previously attended the University of Regina must arrange for an official transcript to be mailed to the Admissions Office from the university from which they graduated. No other transcripts are required. Proof of proficiency in English (refer to §2.2) is required of applicants who graduated from a university where the language of instruction was not English.

2.5.9 Visiting (including Common Visiting Students)

The Visiting Student Program allows students of another accredited university, college, or technical institute (the “home institution”) to take courses at the University of Regina towards their program at the home institution.

Visiting students are admitted and registered by the Registrar’s Office. Applicants must submit a completed Application for Admission & Registration for Visiting Students, with the application fee ($21.1), and a letter of permission from their home institution that lists the courses that they have permission to take. The letter of permission will be accepted either directly from the home institution or from the applicant.

Visiting students from Saskatchewan Polytechnic and the University of Saskatchewan who are attending under the terms of the Common Visiting Student program (formerly Campus Saskatchewan) must first be admitted to the program through their “home” institution. Information regarding the admission and registration process can be found at unconnected.uregina.ca/apply/admissions-requirements.ezc, or email: distance.registration@uregina.ca.

2.5.9.1 Students on Letters of Permission

Students, including international students, on Letters of Permission from legitimate post-secondary institutions outside of Canada are allowed admission to the university.

2.5.9.2 Visiting Undergraduate Research Program

This program allows the university to welcome and host undergraduate students who are not registered in courses. Students with this status will have access to the basic student services such as the University’s library and recreational facilities. Students participating in this program must ensure that he/she has purchased appropriate International Health insurance coverage for the duration of their stay at the University of Regina. Students under this program will pay all appropriate admission fees.

2.6 Re-admission, Faculty Transfer and Second Programs

Re-admission is required when students have not registered in the past academic year (three terms) and want to register in the same faculty they last attended. Current or former students, who want to be admitted to a new faculty, or to be admitted through a federated college instead of the University or vice versa, must apply for a faculty/college transfer.

Admission, re-admission, and transfer are available only to current programs. Unless otherwise stated by a department with respect to a particular program, students re-admitted or transferred must follow and meet the program requirements in place at the time of their most recent re-admission or transfer.
2.6.1 APPLICATION DEADLINES FOR RE-ADMISSION AND TRANSFER

Applications are to be submitted to the Admissions Office or UR International in person by 4:30 p.m. or online before midnight on the posted deadline. Applications received after the deadline will be processed for the next available term (semester).

2.6.1.1 Exceptions to Re-admission and Transfer Deadlines

Students in the categories listed below follow deadlines in other sections, as indicated.

1. Required to appeal or petition for re-admission after being required to discontinue or because of a low GPA: §2.7.1
2. Applying to a Special (non-degree) category: §2.5.1

2.6.1.2 Recommended Re-admission Deadlines

Refer also to §2.3.1.1.

2.6.1.3 Transfer Deadlines

Transfer deadlines are the same as for new admissions. See §2.3.1.

2.6.2 APPLICATION PROCEDURES FOR RE-ADMISSION AND TRANSFER

2.6.2.1 Application Fee for Re-admission and Transfer

There is no charge for re-admission or transfer.

2.6.2.2 Documents Required for Re-admission and Transfer

Students who have attended another recognized post-secondary institution since they were last at the University of Regina must have one official transcript sent directly to the Admissions Office from the institution(s) they attended. Photocopies and faxes are not accepted.

Re-admission after any forced withdrawal from the University is not automatic. Those reapplying must submit appeals to the Admissions Office and show cause as to why they should be re-admitted so that the relevant faculty can render a decision. Refer to §5.13.6.4 for additional applicable regulations.

In addition, students applying to the Faculty of Arts with a less than 60% UGPA on 15 or more attempted credit hours of approved post-secondary education are not automatically re-admissible and must petition for entry to the Arts Transition Program. Applicants to the Arts Transition Program must submit a letter of petition to the Admissions Office or International Admissions Office along with their application. See also §2.7 and §9.2.1.

Students applying for re-admission to the Faculty of Business Administration (all programs, including diploma and those offered via First Nations University of Canada) must meet the current admission requirements in place at the time of application for re-admission (see §2.4). All students re-admitted to the Faculty of Business Administration will be re-admitted initially to the Qualifying Program by the Admissions Office. The Faculty of Business Administration will move students to the appropriate program, as necessary.

Students applying for re-admission to the Faculty of Kinesiology & Health Studies with less than a 60% UGPA on 24 or more attempted credit hours of approved post-secondary education are not automatically re-admissible and must petition. Students who have failed more than 15 credit hours are not eligible for transfer to the Faculty of Kinesiology and Health Studies except with permission from the Office of the Associate Dean of Kinesiology.

Students may petition for re-admission by the deadlines given in §2.7.1. The letter of petition should accompany the application. If students are accepted for re-admission, conditions will be placed on their registration.

Proof of change of name must be supplied if documents are in a name other than that supplied on the application for re-admission or transfer. Refer to §2.1.2.

No other documents are required unless specified by a faculty: see §2.4.2.

2.6.2.3 Applying to a New Faculty

Students must submit a completed Application for Re-admission or Faculty Transfer to the Admissions Office by the posted deadline with any documents noted in §2.6.2.2 and §2.4.2. The Admissions Office notifies applicants of the transfer decision by mail.

2.6.2.4 Applying to a New Program in the Same Faculty

A change of program within a faculty is made by the academic office of the faculty or college through which the student is enrolled, most of them without formal procedures. There are a few exceptions:

1. Faculty of Arts students who are applying to the School of Journalism follow the procedures in §2.3.4.
2. Faculty of Education students who wish to change programs follow the procedure outlined in §11.2.1.
3. Faculty of Social Work Pre-Social Work and Indigenous Social Work Qualifying students who are applying to the BSW, BISW, or CISW follow the procedures in §2.3.4.5.

2.6.2.5 Transfers between the University and the Federated Colleges

Students who are enrolled in their faculty directly may apply to enroll through a federated college by submitting a completed Application for Re-admission or Faculty Transfer. The same procedure is followed by students who are enrolled through a federated college and wish to enroll directly with the University of Regina.

2.6.3 FACULTY TRANSFER AVERAGES AND REGULATIONS

Internal applicants for transfer follow the requirements and regulations in §2.4.2, with the following exceptions:

- Transfer from the Centre for Continuing Education - §2.6.4
- Transfer from non-degree status - §2.6.5

Applicants for transfer to quota programs should consult §2.3.4 for additional information.

2.6.4 TRANSFERS FROM THE CENTRE FOR CONTINUING EDUCATION

Applicants for transfer from the Centre for Continuing Education to an undergraduate program follow the procedures for first-time applicants (§2.3), but do not pay the application fee. Applicants must meet the transfer requirements laid out in §2.4.2.

2.6.5 TRANSFERS FROM NON-DEGREE STATUS

Former degree program students of the University of Regina who have since pursued a non-degree program, follow standard transfer procedures to return to a degree program (§2.6.2).

Students who are first admitted with non-degree status (see §2.5) and who later wish to transfer to an undergraduate program, follow the procedures for first-time applicants (§2.3), but do not pay the undergraduate application fee if paid previously. Applicants must meet the transfer requirements laid out in §2.4.2.

2.6.6 ADDING A SECOND PROGRAM

Students interested in completing the academic requirements of two different programs at the same time, must discuss this option with an academic advisor in their current (Primary) program. Referring to the table below, adding an "Internal Secondary" program indicates both programs are within the same faculty and do not require a formal application. Adding an "External Secondary" program indicates both programs are not in the same faculty, and will require a formal application using an Application for Undergraduate Concurrent Curricula Program form:
2. Admission, Re-Admission, Faculty Transfer, and Recognition of Prior Learning

Admission to a Secondary program is dependent on approval of both the student’s Primary and the potential Secondary program. Faculties that allow Secondary programs may have restrictions on the programs available. For additional information, refer to §6.2, Awarding of Additional and Concurrent Degrees.

2.7 Applicants in Unsatisfactory Standing

Refer to §5.13 for all regulations governing Academic Performance.

The provisions in this section are for students who have been required to discontinue studies at the University of Regina, either through an RTD or an MW, including a University of Regina faculty or any other recognized post-secondary institution. All students who have been required to discontinue from the University of Regina are required to petition for re-admission. Students required to discontinue from a University of Regina faculty may either petition for re-admission to the original faculty or petition to transfer to another faculty (see §2.7.4.2). Once students have successfully petitioned a faculty, they must complete 9 credit hours in that faculty with a minimum grade of 60% in each course before transferring to another faculty or they will have to petition to transfer. Students wishing to return to a faculty from which they have been required to discontinue must petition that original faculty in order to be re-admitted or transferred even if the student has successfully completed academic work in another faculty since being required to discontinue. Students who have been discontinued by other post-secondary institutions on academic grounds do not have to petition for admission if they have subsequently been admitted to an approved post-secondary institution and established satisfactory standing by successfully completing a minimum of 9 credit hours, provided that they meet the admission standards of the faculty to which they are applying.

Even when students have been required to discontinue for a set period of time, admission or re-admission is not automatic. Students may only be admitted or re-admitted to the University if accepted by a faculty (see §2.7.2). When a student has been admitted, and the University later receives a transcript showing an undeclared involuntary withdrawal from a previous institution, the student’s admission will be revoked and registration will be cancelled.

2.7.1 Application Deadlines for Petitioning Students

Applicants must meet the following deadlines, or those in §2.3.1.1, whichever are earlier:

<table>
<thead>
<tr>
<th>Application Deadline</th>
<th>Fall Semester</th>
<th>July 1</th>
</tr>
</thead>
<tbody>
<tr>
<td>Winter Semester</td>
<td>November 1</td>
<td></td>
</tr>
<tr>
<td>Spring/Summer Session</td>
<td>March 1</td>
<td></td>
</tr>
</tbody>
</table>

Note: General extensions of deadlines do not apply to applicants in this category; however, the Dean of the Faculty may specifically extend the petitioning deadline.

2.7.2 Application Procedures for Students Petitioning to Return After Being Required to Discontinue (RTD) or Forced to Withdraw (MW) on Academic Grounds

Applicants follow normal application procedures for admission, re-admission, or transfer, but must also appeal for re-admission (petition), by the application deadline (or document deadline, if applicable), to the Admissions Office or UR International. The letter, with other required documents, is forwarded to the requested faculty, which decides whether or not the applicant is to be admitted and any conditions for registration or continuance. The decision of the faculty is final. The faculty communicates its decision directly to the applicant. Applicants who are refused by one faculty may petition another for the next available term (semester).

2.7.3 Application Procedures for Students Petitioning to Return After Being Required to Discontinue on Disciplinary Grounds

Students who have been expelled for misconduct may submit an application for re-admission and letter of petition to the University Secretary, Room 505.4 Administration-Humanities, 306-585-4436, for consideration by the Council Discipline Committee. If their petition is approved by the Committee, students must still meet the academic requirements for admission, re-admission, or transfer to their chosen faculty.

Students who have been suspended for misconduct and who have completed their suspension period are not required to petition. They must reapply and follow normal deadlines and procedures for admission or re-admission and transfer (see §2.3 or §2.6). Refer to definitions of “expulsion” and “suspension” in the Glossary.

At the discretion of the Director of Enrolment Services, an applicant who has been dismissed for disciplinary reasons from another post-secondary institution may be required to petition to the Council Discipline Committee and receive permission to apply for admission or re-admission before being considered on academic grounds. If the applicant is admitted, the previous dismissal may be considered in any future proceedings for misconduct.

2.7.4 Restrictions on Applications

2.7.4.1 Forced to Withdraw from the University (MW)

Applicants who have been forced to withdraw (MW) from the University of Regina will not be considered for admission, re-admission, or transfer to any faculty until the period of their discontinuance has expired.
2.7.4.2 Requirement to Discontinue from a Faculty (RTD)

Applicants who have been required to discontinue from a faculty may petition for transfer to another faculty, observing the normal deadlines and process for petitions, or may sit out the period of the RTD and petition for re-admission to the original faculty, following the petition procedures in §2.7.2. Refer to §5.13.8 for additional regulations.

2.7.4.3 Requirement to Discontinue from a Program

University of Regina students who have been required to discontinue from a program and who wish to change programs within the same faculty must consult their faculty on application procedures. Applicants for first-time admission and applicants for transfer to a new faculty must follow the petition procedures in §2.7.2, and may apply for the next available term (semester).

2.7.5 Academic Recovery Program

The Academic Recovery Program is a two-semester program that gives students who have experienced difficulties in university an opportunity to strengthen their study skills, evaluate their education and career direction, and build strategies to aid with future academic and personal goals. Students will take credit courses and participate in other activities designed to help them succeed academically. These include participating in support workshops, creating a personal and professional development portfolio, and participating in guided study sessions. Students will have access to additional tutoring and support as well as academic success advice from experts.

For specific details about the program, refer to §5.13.10.

2.8 Recognition of Prior Learning

2.8.1 Transfer of Credits Between Programs of the University of Regina

All undergraduate credit courses offered by faculties at the University of Regina are accepted for credit by the remaining faculties, to the extent allowed by program requirements. A student who enters a new program or faculty may have courses that are extra to the degree program. Graduate courses may not be credited towards undergraduate programs.

The following University of Regina courses are included in academic performance evaluation and carry credit towards enrolment (for example, towards full-time registration status for student loans, visas, or GIS participation), but do not necessarily carry degree credit:

2.8.2 Transfer of Credits from Other Post-Secondary Institutions

The University of Regina accepts the Pan-Canadian Protocol on Transferability of University Credits; see: [www.cmec.ca](http://www.cmec.ca)

Relevant undergraduate courses taken at other recognized universities, colleges, and technical institutes both within and outside Canada, are considered for credit towards University of Regina programs. Undergraduate general studies courses taken at Bible colleges, theological colleges, and seminaries that are member institutions of the Association of Universities and Colleges of Canada (AUCC), affiliated with an AUCC member institution, or accredited by the Association of Biblical Higher Education (ABHE) or the Association of Theological Schools (ATS) will also be considered for credit, but the University does not give credit for courses in theology or ministerial preparation. The University also does not award credit from courses taken at private vocational schools.

Applicants who have taken courses at a Quebec CEGEP beyond the minimum required for admission or at a post-secondary institution outside Canada, and who would like to have those courses considered for transfer credit, must submit to their Faculty an institutional calendar that includes descriptions of courses taken. If the material is in a language other than English or French, an official original translation must accompany the documents. If descriptions of the relevant courses are available in English on the institution’s website, the appropriate web reference will be accepted in lieu.

Transfer credit will be considered for course work beyond 12 years of formal education or an equivalent credential approved by the University of Regina.

The evaluation of transferable credits is made by a student’s faculty, usually at the time when the student first registers for classes. The University of Regina evaluates courses taken at other institutions only for admitted students and only for credit towards academic programs. For those programs in which credit may be granted for work experience, a block of non-specific credit is recorded with an “institution” of Occupational Experience. A transfer credit evaluation made by one faculty may be reviewed and adjusted by the new faculty if a student transfers. The following principles apply to this process:

1. Courses that are given a specific University of Regina course equivalent (e.g., ENGL 100, ADMN 260) are recognized by all faculties, subject to the minimum grade required (see §2.8.2.1) and the requirements of the student’s new program.

2. Courses that are given non-specific credit (e.g., ENGL Level 100, ELEC Level 200), and courses in disciplines not offered by the University of Regina, will be re-evaluated by the new faculty and credit may be altered or refused.

2.8.2.1 Minimum Grades Required for the Awarding of Transfer Credit

The minimum grades shown in the first and second columns of the next table are for Canadian universities using a percentage-based grading system in which the lowest passing grade is 50% and 60% respectively. The third column provides U.S. post-secondary equivalent grades. Grades from other grading systems and types of institutions will be converted for this purpose. Grades in courses awarded transfer credit are not used in calculation of GPAs except as noted in the Faculty sections of this Calendar.

2.8.5 CREDIT BY CHALLENGE

Challenge examinations allow a student to obtain credit by demonstrating mastery of the course material in a comprehensive examination. The following restrictions apply:

- students who have attended another university before the University of Regina may not apply for credit by challenge until the evaluation of transfer credits from their previous university program has been completed;
- except in special circumstances and with the permission of the Dean of their faculty, students may not apply for credit by challenge if they have completed more than 15 credit hours at the University of Regina;
- courses audited or taken for credit (whether passed or failed) at the University of Regina or any other university may not be challenged;
- no course may be challenged more than once;
- students may not challenge a prerequisite course after successfully completing the advanced course except by permission of the department head.

Each faculty and department may decide which courses may be challenged. No business administration, education, or activity-based courses are eligible for challenge. Each faculty and department also determines the method of conducting the challenge examination, which must be in a form that can be reassessed. Grading of a challenge examination is the same as that of the course challenged (that is, either numerical or pass/fail). A student may apply to have the grade assigned to a challenge examination reassessed according to the procedure in §5.11.

Applications to challenge credit are made through the Registrar’s Office, using an Application for Credit by Challenge. The fee for the examination is the same as tuition and fees for the regular course.

2.8.6 PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR)

PLAR is facilitated through the Centre for Continuing Education (see §18.2.3.7). Some faculties and academic units on campus have formal policies on Prior Learning Assessment and Recognition; Other forms of PLAR in limited use at the University of Regina include:

- Block (transfer) or direct credit, or advanced standing, for work experience in selected programs that require this type of experience;
- Evaluation based on portfolio.

Those interested may consult their faculty or college.

Centre for Continuing Education:

Centre for Continuing Education students may be granted PLAR credit for up to a maximum of six credit hours toward the Centre’s credit certificate or diploma programs, except for the Certificate in Administration Level I & II.

Faculty of Arts: The Faculty of Arts may evaluate and grant credit for qualifying informal learning up to a maximum of 15 credit hours. Credit may be granted on a case by case basis and according to the Recognition of Prior Learning (RPL) assessment process. Credit will only be awarded for demonstrated learning which includes knowledge, skills and abilities. It will not be awarded for experience alone. See §9.3.2 for further details.

Faculty of Kinesiology and Health Studies: The Faculty of Kinesiology and Health Studies will evaluate and grant credit for qualifying previous formal and non-formal learning that is equivalent to Faculty courses or programs (up to 15 credit hours). Recognized prior learning will be applied toward the requirements of Faculty programs. See §14.3.3 for further details.

Faculty of Media, Art, and Performance: A Student may be granted a maximum of thirty credit hours for recognized prior learning towards a degree offered by the Faculty of Media, Art and Performance. See §14.3.3 for further details.

For more information about exchange programs, see §8.1.2.
Faculty of Social Work:
