Scheduling patterns vary by faculty but commonly alternate work and academic terms. Students must register for a minimum of 12 credit hours in their academic terms (only 9 credit hours are required in the spring/summer term for arts and business students). Fees: Co-op students are required to pay a fee for each work term (refer to the Tuition and Fees section of this Calendar). Many students find career-related work through the Career Centre, but students are also encouraged to conduct their own job search. Registration for Work Terms: As soon as students obtain a work placement, they register for work terms through their faculty (with the exception of engineering students who are automatically registered by their faculty). Students must register on-line for Co-op work terms. Once registered for a work term, students are not permitted to drop except for compassionate or medical reasons. Grading of Work Terms: Students must complete a work term report for every work term. The student's employer also submits a work term performance evaluation. On the basis of those two evaluations, work terms are graded pass/fail. Regulations: Policies, procedures, and deadlines for Co-operative Education programs must be adhered to. Details are contained in the Co-op Student Handbook at: www.uregina.ca/careercentre/coop/current-students/handbook.html Withdrawal and Termination: Once registered, students may withdraw from a Co-op work term only for reasons beyond their control. Voluntary withdrawal at any point may result in a failing grade. For engineering students, see the Faculty of Engineering Co-operative Education Programs section. Students may be terminated from a Co-op program in a variety of circumstances, including failing a work term, allowing PGPA to fall below the minimum required, or committing acts of non-academic misconduct (see the Academic Regulations section in this Calendar and the Student Code of Conduct and Right to Appeal section). Transcript Record: Students who successfully complete the number of work terms required by their faculty will graduate with a Co-operative Education designation that is noted on their official transcript and parchment (diploma). Internship Programs: Actuarial Science Internship: For students between years three and four (72–108 credit hours) of the Actuarial Science undergraduate degree program. See the Admission to Co-op chart above. Engineering Internship: Engineering Internship is a single 12- or 16-month placement immediately preceding the two final academic terms of an Engineering Systems program. Students who successfully complete the requirements of the program will receive "Internship" designation on their transcript and parchment (diploma). Students who participate in Co-operative Education may not be eligible for internship. Refugee Student Fund
Every time students pay their student union fees, they help to bring refugee students to the University of Regina. Working with World University Service of Canada (WUSC), the URSU provides funding for refugee students to escape countries in turmoil and for the chance at a better life in Canada. To get involved with the refugee program, contact the Vice-President Operations and Finance or WUSC directly.

UR Pride Centre for Sexuality and Gender Diversity
The UR PRIDE Centre for Sexuality and Gender Diversity offers a range of services related to LGBTI (lesbian, gay, bisexual, transgender, or inter-sex) concerns. In addition to providing a safe space to meet, socialize, and explore relevant issues, UR PRIDE also assists members of the University community who need support, information, or research material related to LGBTI issues or homophobia prevention. University of Regina policy guarantees a safe and welcoming environment for LGBTI staff and students and the UR PRIDE Centre works closely with the University to make sure these values are upheld. All people, regardless of sexual orientation, are welcome, and students seeking opportunities to gain volunteer skills or leadership experience are always encouraged to get involved. Visit www.urpride.ca for additional information.

Lockers
Most lockers on campus are administered by the Students’ Union. They can be rented for the fall and winter terms for a nominal fee, plus an additional refundable deposit. Lockers are available on September 1 and must be cleaned out by April 30 of the following year. Lockers are available in the Archer Library, the Laboratory Building, College West and the Education Building. URSU does not administer ALL of the lockers on campus. Students looking for a gym locker in the Kinesiology building should contact Recreation and Athletic Services. There are also a limited number of lockers available in the Language Institute (contact the Language Institute), the Riddell Centre (contact the Music Department) and the Laboratory building (contact the Science Department).

Community Cupboards
Advocating for students means more than just meeting with politicians. There are always students on campus who are barely making ends meet. In addition to the emergency bursary program, the Students’ Union has teamed up with the Regina and District Food Bank to provide nonperishable food for people who are going hungry. The community cupboards are located in the student lounge outside of the URSU Front Desk on the second floor of the Riddell Centre. Food is available on the honour system to students who need it with the understanding that they will not take more than they can use right away, thus depriving other students in need. Food donations are gratefully received at the URSU Front Desk, or can be anonymously left on the shelves.

Welcome Week
Before school work gets too crazy, we’re going to welcome you back in style! We’ve got so much for you to do in the first week of school in September that you’re going to be longing for that second week of classes – just so you can get a break! Parties and activities are available for every group – new students and returning students; young students and mature students; drinkers and non-drinkers. Highlighted by the Concert on the Green, and capped off by the biggest Friday night party of the year in the Owl, we’ve got something for you to do. Welcome Week is also a great opportunity to meet fellow students and get involved in a campus club or social justice group.

U-Pass
The U-Pass is a program designed for University of Regina students that will allow them to use Regina Transit as much as they like for a once-per-term fee. By paying the mandatory fee of $87.60 each term, they will in turn get a city-wide transit pass valid for the whole term (4 months) at rate cheaper than current discounted student rates of $72 per month.
