**Grade Point Average (GPA)**
A GPA is an average of numeric grades, adjusted for variations in the credit hours that are assigned to the courses in which the average is based. GPAs are calculated at the University of Regina for each terms (Term GPA – TGPA), for a student’s previous academic session (Sessional GPA – SGPA), for a student’s program (Program GPA – PGPA), and for a student’s whole academic record (Undergraduate GPA – UGPA, and Cumulative GPA – CGPA).

In some faculties, students may have the privilege of designating a limited number of credit courses as being non-contributory to the computation of their GPA. This means that they will not be included in the calculation of their GPA. Courses to be taken on a non-contributory basis must be so designated at the time of registration and must be approved by the student's faculty or college. For more information on non-contributory (pass/fail) courses, students should contact their faculty offices.

**Non-Numeric Grades**
Grades for which there is no numeric value. See the Academic Regulations section.

**Not Passed (NP)**
NP is a failing grade that may be assigned in three cases:
1. When a student does not successfully complete an element of a course, and that element has been explicitly identified in the syllabus as essential to passing the course. Successful completion of the final examination, a laboratory component or a term paper, are examples of elements that could be so identified.
2. When a student has abandoned a course without formally withdrawing.
3. When a course is dropped after the last day to receive a W. For the purposes of the calculation of a GPA, the NP is interpreted as a grade of 40 for undergraduate students and 55 for graduate students to reflect the difference in the passing grade. When a letter grade is not assigned, the actual numerical grade earned should be entered. 40 should not be substituted for the actual earned grade.

**Not Yet Report (NR)**
An interim grade used when a student's completion of a course is delayed for reasons intrinsic to the course (e.g. unavailability of a lab, delay in obtaining ethics approval of a project, difficulty in setting up an examining committee), or when an investigation or appeal of academic misconduct in the course is in progress.

**Numerically-Graded Course**
A course graded on the percentage scale. Grades of 0-100%, NP (40%) and XF (00%) are considered numeric grades.

**Open Elective**
