Governing Academic Program

Students follow the requirements of their academic program that were in effect in the year they were admitted to the program unless (a) that version of the program is terminated or (b) they obtain the permission of their faculty to follow a different set of requirements. In the case of programs requiring choice of a major, the governing program is the one in effect at the time the student chooses the major.

When a program or set of program requirements is terminated, the faculty will set a deadline for students who are currently in the program to complete its requirements. Students who are readmitted or transfer to the faculty are required to follow a new program unless otherwise stated. Students who have not completed the old program requirements by the deadline must choose a new program.

If a program or set of program requirements must be terminated without notice, students will be assisted in finding courses to substitute for those that are no longer offered.

Awarding Of Concurrent and Additional Degrees

Upon formal application by a student, the University may permit enrolment in two concurrent undergraduate programs. Enrolment in two concurrent undergraduate programs is not the same as enrolment in a joint program leading to two degrees. Joint programs are indicated as such in the faculty sections of this Calendar and on the Application for Undergraduate Program Admission. A student’s primary program will be the one the student declares and is, subject to any approved faculty regulations. Faculties will determine which of their undergraduate programs cannot be taken concurrently with another, and will publish this information. Students should refer to their faculty section.

As well, students who already hold a bachelor’s degree from the University of Regina or another institution may pursue undergraduate studies leading to additional bachelor’s degrees of the same or another designation.

The following conditions apply to concurrent and additional programs. Conditions 4 and 5 apply to degree programs only.

1. In order to graduate with a certificate, diploma, or degree program, a student must first be admitted to the associated program (see the Admissions section of this Calendar). Exceptions to this regulation may be approved by the dean of the faculty that offers the program.
2. All of the requirements for each program must be met.
3. If students hold a first degree from another institution, they must meet the faculty’s residency requirement for subsequent programs.
4. The principal area of study or academic emphasis of each degree program must be different. This determination will be made by the dean of the faculty that offers the second degree program.
5. 30 additional credit hours must be completed for each additional degree beyond the first. If the degree programs are of different lengths, then the cumulative total required is 30 credit hours plus the credit hours of the longer program. For example, a student who completes both a three-year (90 credit hour) and a four-year (120 credit hour) degree program, in either order or concurrently, requires 150 credit hours (30 + 120) in order to graduate with the second degree. Formal after-degree programs may require additional credit hours.
6. When a student who is enrolled in two programs concurrently graduates from a primary program, and the secondary program remains valid and current, the former secondary program becomes the primary program. A new student primary program record will be created by either the Enrolment Services Admissions Office (programs in different faculties) or the student’s faculty or college (programs in the same faculty).

University Minimum GPAs and Institutional Honours

Graduation

A minimum undergraduate grade point average (UGPA) of 60.00% is required for graduation from all undergraduate degree programs. In all undergraduate faculties, the program average required for graduation will be calculated only on those courses which form part of the degree program (failed courses and extra courses are not included).

Each faculty may set its own standards for graduation provided that they are not less than the University minimum. Students should check with their faculty advisor regarding these standards.

Institutional Honours

Distinction and Great Distinction

Also refer to faculty specific graduation regulations.

A minimum program grade point average (PGPA) of 80.00% is required for graduation with Distinction.

A minimum PGPA of 85.00% is required for graduation with Great Distinction.

Distinction and Great Distinction designations are awarded to students who have completed a degree program.

Honours and High Honours

Honours and High Honours are awarded to degree programs in which students take a more intensive concentration in their major area. These standards are faculty specific and students should check with their faculty sections or their advisors regarding Honours and High Honours.

Other Institutional Honours

In accordance with University and faculty regulations, in addition to those noted above, the following institutional honours appear on students’ transcripts, parchments, and in the Convocation program:

Students should also refer to their faculty regulations regarding Intuitional Honours.

- Institutional Honours are defined as follows:
- Co-operative Education: Students who successfully complete the number of work terms required by their faculty will graduate with a Cooperative Education designation that is noted on their official transcript and parchment.
- Internship: Students who successfully complete the number of work terms required by their faculty will graduate with an Internship designation.
- Bilingual mention/mention bilingue: A minimum of 40% and maximum of 60% of courses counted towards the degree program taken in French, including at least 3 courses from departments other than French (but must be from the Faculties of Arts; Media, Art, and Performance; or Science).
- International designation: Completion of at least one of the following international experiences:
  1. a one term(or more) out-of-country co-op work term, internship, or practicum, or
  2. a three credit hour (or more) University of Regina course (or a course taken on a letter of permission at another Canadian post-secondary institution) that includes at least two weeks out of the country. If the course includes less than two weeks out-of-country experience, the approval of the dean or designate will be needed for the student to receive international designation, or participation in an international exchange program, completing three or more credit hours, or
  3. a minimum of three credit hours of courses taken by prior permission of the University of Regina at an out-of-country post-secondary institution.
  4. Other international experiences will be considered on a case-by-case basis.
Applying to Graduate
Graduation is not automatic upon completion of a program. In order to graduate, students must complete and submit an Application for Graduation form for each credential (degree, diploma, certificate) they are applying for. Application forms are available at the faculty, federated colleges and academic unit offices, the Registrar’s Office, and on the web.
Applications for graduation may be submitted at any time, before or after completion of program requirements, and are processed in the order in which they are received. Students who are applying to graduate at the end of fall term are recommended to submit their applications to their faculty, federated college, or academic unit at least three months before the projected completion of their program.

Note: Students who plan to attend the Convocation ceremony should pay attention to the relevant application and attendance deadlines in the Convocation and Convocation Ceremonies section below. If an application is denied, the student must apply for graduation again once all requirements have been fulfilled.

Approval to Graduate and Conferral of Degrees
The eligibility of all applicants for graduation is checked by the faculty that will approve the degree (for students registered in the federated colleges, or academic units, a first check is made by the college or academic unit and a final check by the faculty). Applicants must successfully complete all of the course requirements for the degree, diploma, or certificate for which they have applied, and must meet the minimum PGPA for graduation in that program.

When program requirements have been met, the applicant is recommended by the faculty for approval of graduation to the Executive of Council, which meets monthly from September to November and January to June (for the current year’s meeting dates refer to the Executive of Council webpage.)

The relevant degree, certificate, diploma, or degree is conferred by the University Chancellor within one week after approval by the Executive of Council.

Note: Faculties may not meet on a monthly basis. Students should refer to the faculty sections of this Calendar for information about minimum processing times to prepare applications for approval by the Executive of Council.

Posthumous Degrees
A degree, diploma, or certificate may be awarded posthumously when the requirements for a degree, diploma, or certificate are 75 per cent completed on the recommendation of the primary faculty of registration. The concurrence of the student's next of kin is required for the faculty to submit the application for graduation. Posthumous degrees will be acknowledged in the Convocation program and may be acknowledged or presented at the ceremony.

A credential is not considered to be posthumous if the student dies following completion of the program requirements but prior to formal approval for conferral, or following conferral of the credential, but prior to the ceremony at which the credential would have been acknowledged.

Graduands on Letter of Permission
Students who, in the final term before graduation, are approved by their faculty or college to take a course towards their program at another post-secondary institution must have official transcripts sent from that institution to the University of Regina Registrar's Office certifying their final grade. The official transcript must be received in the Registrar’s Office (AH 210) no later than five business days before the meeting of the Executive of Council to approve the lists of graduands. Refer to the Executive of Council web page for meeting dates.

Transcript Record
All degree, diploma, or certificate program information, except the date of conferral, appears on students’ official transcripts as soon as they are approved for graduation by their faculty. The date of conferral appears on the official transcript once the Chancellor has conferred the degree (see Approval to Graduate and Conferral of Degrees section above).

Parchments
Parchments are issued at the Convocation ceremony to attending graduates. The remaining parchments are held at the Registrar’s Office for approximately one month after the ceremony and are then mailed to the address students have listed as their mailing address in UR Self-Servic.. Students must ensure their mailing address is up to date in UR Self-Service. If the parchment is returned to the University, graduates will be responsible for the re-mailing costs. In the interim, graduates with proof of identity may collect their parchment at the Registrar’s Office, AH 210. A third party must have written, signed authorization from the graduate and show their photo identification in order to collect a parchment.

Additional information and forms referred to in the following items may be obtained from the convocation website.

Name on Parchment
Parchments are printed with the full legal name of the graduate, as recorded in the University’s student information system at the time of graduation. Students are required to provide proof to the Registrar’s Office in support of any request for correction or change of name. For more information about legal name and name change and supporting documentation refer to the UR Policy website and/or the Change of Name form.

Early Release of Parchment
Graduates who require their parchment before the Convocation ceremony at which it is to be issued, should order an “Early Release of Parchment” at the online Graduation Store and accompanied by the processing fee.

Duplicate and Replacement Parchments
Students may order a duplicate or replacement parchment by ordering at the online Graduation Store. https://www.uregina.ca/student/registrar/student-records/duplicate-parchment.html.

The following conditions apply:

- The graduate’s University of Regina financial account must be at zero balance. Orders will not be processed if there are amounts owing.
- The University will issue a duplicate parchment if the graduate would like a copy of their parchment. “Duplicate” and the date of printing will be noted.
- If a parchment has been lost, damaged, or destroyed; or if a graduate has a legal name change, the graduate will order a replacement parchment. If a replacement parchment is requested because of a legal name change, the graduate will need to complete a Change of Name form, provide proper documentation, and return the completed form and the original parchment to the Registrar's Office, AH 210. The original parchment must be returned before a reprint is issued.
- The prescribed fee must be received prior to processing.
- If a graduate orders a duplicate, or a replacement parchment due to a name change, or if they graduated prior to May 2017, the reprint will be done in the current style with the signatures of officials now in office along with the date they originally graduated.
- All parchments that are sent by courier require a signature by the receiving party. It is the graduate’s responsibility to pay for another mailing for any parchments that are returned. It is the graduate’s responsibility to ensure the shipping address information is correct.
**University of Regina Alumni Association**

The University of Regina Alumni Association (URAA) was established in 1974 to promote the accomplishments and support the development of the University of Regina, its students and alumni. This is reflected in the Alumni Association’s vision statement: “We are the leading proponent of our University and our alumni throughout the world.” Membership is automatic to all who have been granted a degree, diploma, or certificate from the University of Regina. The organization is governed by a volunteer board of directors who are elected by the membership. The Alumni Association is an active participant in the University. Through its many fundraising activities, the Association has established a number of worthwhile funds and scholarships. These include the Children of Alumni Scholarship, the Dr. John Archer Scholarship, the Bert Fox/Robert Ferguson Alumni Entrance Scholarship, the Dr. George and Helen Ferguson Alumni Entrance Scholarship, the Ferguson Alumni Scholarship for Kinesiology and Health Studies, the Dr. David Barnard Graduate Scholarship in Fine Arts, the Bill Ciz Memorial Athletic Award, the Donald O. and Deborah Wells International Study Award, Leadership Scholarships and the Scott Irving Spirit Award.

At each spring and fall convocation, the URAA board welcomes each graduate as a new alumnus to the Association by presenting them with a small token of welcome. The Association also recognizes five outstanding alumni each year at the Alumni Crowning Achievement Awards.

As members of the Association, alumni receive Degrees magazine, AlumniConnect, benefits and promotions exclusive to alumni, and information about upcoming activities and programs. Alumni who do not wish to receive notifications or who wish to update their contact information can notify External Relations at www.uregina.ca/external/alumni-relations/update-your-info.

**Graduate Retention Program**

In January of each year, the Registrar’s Office supplies a list of names of graduates, applicable to the previous tax year, to the Government of Saskatchewan, Ministry of Advanced Education. The Ministry of Advanced Education determines the eligibility of the individual graduate for the Graduate Retention Program (GRP) and issues the relevant certificates.

Students who grant permission to have their name included on the list submitted to the Ministry of Advanced Education must check the “yes” box on the Application for Graduation form and provide their Social Insurance Number if it is not already in the student information system. Students who check the “no” box will not have their name submitted and it will then be their responsibility to apply on their own behalf to The Ministry of Advanced Education to determine their eligibility.

**Financial Holds and Graduation**

Students who have an outstanding account with Financial Services, the Library, AV Services, or a federated college, may be approved for graduation, have their degree, diploma, or certificate conferred, and participate in the Convocation ceremony. Their parchment and any other certification, including transcripts, letters of confirmation, and congratulatory letters will be withheld until their account is paid in full.

**Convocation and Convocation Ceremonies**

Convocation is the assembly of the University Chancellor, the University Senate, and all graduands from the University of Regina. Convocation meets twice a year to present students with their degrees, diplomas, and certificates and to acknowledge scholarships and prizes. These ceremonies are usually held in early June, and in mid-October.

**Inquiries about the convocation ceremony** may be directed to UR Graduation@uregina.ca. For dates of future convocations and all information relating to the convocation ceremonies, consult the website at: www.uregina.ca/student/Registrar/graduation-convocation.

**Academic Regalia**

University regulations require graduates who are participating in the Convocation ceremony to do so in proper, approved academic regalia. The University of Regina graduands do not wear caps (mortarboards). All graduands wear black gowns except for the following: PhD students wear a scarlet gown with royal blue trim, facing, and cuffs; Federated College students wear the color of gown approved for the federated college – that is red for Campion College, royal blue for Luther College, and sky blue for the First Nations University of Canada.

Graduands are welcome to wear their Indigenous ceremonial dress, other cultural ceremonial dress, or their military or law enforcement dress uniform with, or instead of, the gown at the Convocation ceremonies. In these instances, graduands must still be hooded and wear the University of Regina hood. Protocol inquiries about appropriate academic regalia should be directed to the Registrar’s Office: ur.graduation@uregina.ca. A list of degree hoods and descriptions is available on the website.
