Mission Statement
The mission of La Cité universitaire francophone is to fulfill the university education needs of Saskatchewan’s Francophones, whatever their first language. La Cité plays an active part in the cultural, linguistic and professional development of the Fransaskois community by offering credit and non-credit courses and programs. In this context, La Cité initiates, encourages, develops and supports research and the dissemination of academic work in French on issues of concern to Francophone minority communities. La Cité fosters an accessible and stimulating Francophone environment and living space on the University of Regina campus.

Admission, Re-admission, and Transfer
Please refer to the Admissions section in this Calendar for University policies on Admission, Re-admission, and Transfer.

Stale Dated Courses
Students who are admitted or re-admitted to La Cité, having completed courses in their proposed major more than 10 years ago, may be required to update their knowledge by repeating or taking additional courses in their major. These decisions are made by the recommendation of the head of the department offering the major or program. The earlier attempt at any passed courses that must be repeated under this regulation can be counted for elective credit.

Academic Advising and Registration

Academic Advising
Academic advising at the Centre de services aux étudiants is designed to help students to understand their academic options and program requirements, outline support services, and highlight opportunities on campus and in the Fransaskois community in French. Students enrolling with La Cité are encouraged to arrange for academic advising upon receipt of their letter of admission or transfer by calling the Centre de services aux étudiants at 306-585-4141 or by email at: etudiants@uregina.ca. Advising is recommended prior to registration in the first term, and it is encouraged to consult an advisor at least once a year, or more frequently (once a term) if preferred.

The Centre de services aux étudiants will provide a printed program audit upon request. Students may access (and print) program outline forms at: www.lacite.uregina.ca/en/study-here/academics/undergraduate-programs. Other program information, academic regulations and registration information can also be found in the Study Here section of the website.

Other general information about services offered en français at the Centre de services aux étudiants is available at www.lacite.uregina.ca/en/student-services.

Students are required to fulfill all of the “Student Code of Conduct” described the Academic Regulations section.

Evaluation of Academic Performance

Dean's Honours List
The Dean’s Honours List is compiled each term. The list has two parts, one for full-time students and the other for part-time students. To be included on the full-time list, students must have completed a minimum of 12 credit hours of numerically graded University of Regina courses in the current term and have achieved a term grade point average (TGPA) of at least 85.00%.

Students will be included on the part-time list if they took at least three but less than 12 credit hours of numerically graded University of Regina courses in the current term and achieved a GPA of at least 85.00% across all of the most recent terms needed to complete a minimum of 12 credit hours of numerically graded University of Regina courses since the term in which they were last on the Dean’s Honours List (or, in the case of students who have never previously been on the Dean’s Honours List, since they were admitted to the University of Regina).

Inclusion on the Dean’s Honours List will also be noted on students’ official transcripts.

Requirements for Special Mentions:
1. Bilingual mention/mention bilingue: A minimum of 40% and maximum of 60% of courses counted towards the degree program taken in French, including at least 3 courses from departments other than French (but must be from the Faculties of Arts, Media, Art, and Performance, or Science).

2. International Designation: completion of at least one of the following international experiences:
   • a one term (or more) out-of-country co-op work term, internship, or practicum, or
   • a three credit hour (or more) University of Regina course (or a course taken on a letter of permission at another Canadian post-secondary institution) that includes at least two weeks out of the country. If the course includes less than two weeks out-of-country experience, the approval of the Dean or designate will be needed for the student to receive international designation, or participation in an international exchange program, completing three or more credit hours, or
   • a minimum of three credit hours of courses taken by prior permission of the University of Regina at an out-of-country post-secondary institution, or
   • Other international experiences will be considered on a case-by-case basis.

3. Distinction: For degrees (except Honours), the Advanced Certificates, and Certificates, a minimum graduating program GPA of 80.00%.

4. Great Distinction: For degrees (except Honours), and the Advanced Certificates, a minimum graduating program GPA of 85.00%.

5. High Honours: For the BA Honours and Honours Certificate, a minimum BA Honours in GPA of 85.00%.
Other Faculty Regulations

Awarding of Concurrent and Additional Degrees
Refer to the Graduation section in this Calendar.

Deferral of Final Examination and/or Term Work
Students who are unable to complete a course for serious medical or personal reasons may be eligible to defer some of the course work. Students in this situation should consult the Centre de services aux étudiants or Registrar's Office of the relevant Federated College, as quickly as possible.

Extensions on deadlines for completion of assignments or writing of final examinations may be granted to students on the basis of illness, accident, or other extreme and legitimate circumstances beyond their control. If students become very ill or encounter other serious difficulties early in the term or when no coursework has yet been completed, withdrawal may be a better option. Refer to the Academic Regulations section.

Failed Courses
If students fail a course that is a prerequisite to one in which they have enrolled in the ensuing term, it is their responsibility to drop the latter course. Whether or not they drop, they will be refused credit for the latter course, even if it is successfully completed.

Elective Courses
The following courses are not considered to be university-level and so may not be taken for credit towards a La Cité degree or certificate program: AE 19 and 29; CHEM 100; AMTH 091 and 092.

Students will receive elective credit for ACAD 100 toward any Cité program if it is completed prior to the successful completion of ENGL 100, or with permission of the Director, or designate, if taken afterward. A maximum of 6 credit hours of activity-based KHS courses may be included in a Cité degree, diploma or certificate program. These courses include KHS 131, 132, 135, 231, 232, 233.

Repeating Courses
Normally students may only repeat a course once (the exception is English 100 [ENGL 100], which may be repeated twice).

Students wishing to repeat a course more than once (or more than twice in the case of ENGL 100) must make written application to Le Centre de services aux étudiants (or, for students registered through a Federated College, to their College's Academic or Registrar’s Office). Such requests are approved only in exceptional circumstances.

Students must also obtain Registration Permit/Override Permission from the Le Centre de services aux étudiants or from their federated college to register online in a third (or fourth for ENGL 100) attempt at a course. Refer to the Class Registration and Withdrawal section.

For students with repeated courses, GPAs will be calculated using the most recent grade attained in that course. Refer to the Academic Regulations section in this Calendar.

Introductory Courses
A maximum of 48 credit hours may be in 100-level courses.

Faculty Appeal Procedures
Students seeking information about the Faculty's appeal procedures should consult the general regulations in is final.

The Committee does not hear appeals of grades or placement on probation; consult the Student Code of Conduct and Right to Appeal section in this Calendar or contact Le Centre de services aux étudiants of La Cité.

The decision of the Faculty with respect to admission and conditions for continuation is final. The Committee does not hear appeals of grades or placement on probation; consult the Student Code of Conduct and Right to Appeal section.

Academic Programs in La Cité, Department of French and Francophone Intercultural Studies

Major: (36-45 credit hours)

Students of La Cité can choose to do two majors. A double major is permitted provided that students meet the course requirements for each program. Students must consult with the Associate Deans or Department Heads in both disciplines.

Minor (optional); (18 - 24 credit hours)

Students of La Cité can declare up to two minors. For detailed information on the minor requirements, please refer to the faculty and/or department offering that minor.

Bachelor of Arts (BA) – Major in French and Francophone Intercultural Studies

The BA is a four-year, 120 credit hours degree consisting of a set of core requirements (designed to achieve breadth), one or two majors (to achieve depth), and electives (free choices). Minors are optional. Students are allowed to count a maximum of 48 credit hours of introdyctory level courses towards their program.

The French Major requires 39 credit hours (13 courses), with at least 15 credit hours at the 300- or 400-level. Combined majors have a minimum of 60 credit hours (20 courses).

Note: FRN 100, 101, 110, and 200 do not count towards a French major or minor, but each receives degree program credit.
Students may count up to two courses completed in other departments in the major which deal with French art, culture, history, etc. and in which they have done their written work in French. Permission must be obtained from the Department Head.

BA Honours in French and Francophone Intercultural Studies

Requirements

The BA Honours program consists of a minimum of 120 credit hours and must include the following:

- All of the BA core requirements.
- A requirement of 48 credit hours in the major as determined by the Department of French and Francophone Intercultural Studies. Students should check the calendar entry of the department concerned for specific requirements.
- An honours paper (FRN 499 Dissertation spécialisée).

Special Regulations for Honours Programs

Students who fail more than 9 credit hours after their first academic year (i.e., after the first 30 credit hours attempted) are not eligible to enter or complete an Honours program. If there are extenuating circumstances, they may appeal to La Cité to have this regulation waived. If the Committee grants the appeal, the student must still comply with all other regulations governing admission and graduation, and will be allowed no further failed courses.

Students interested in literature should choose their courses from the literature offerings.

Students given advanced standing in French, based on the French pre-registration assessment, may be exempted from up to nine of the required 48 credit hours, according to the standing they are granted. The course(s) from which a student is exempted will be determined by the Department of French and Francophone Intercultural Studies.

Honours students shall maintain an average of 75.00% in their major courses.
Individual Major

If concentration in one subject area does not completely fulfill the pursuit of a specific goal, students have the option of pursuing an individualized interdisciplinary major. Students have the flexibility to create a major involving courses from several different subject areas which share a common theme. Individual majors have been pursued in topics such as Canadian studies, cognitive science, development studies, and social sciences.

Students who want to pursue the interdisciplinary study of a different particular theme should consult the Centre de services aux étudiants (or, for students registered in a Federated College, their College's Academic or Registrar's Office) for information about individual majors.

Certificate in French as a Second Language

This intensive program leads to the Certificate in French as a Second Language. Students must take nine prescribed courses (a total of 30 credit hours) in French over two consecutive terms. To be granted the Certificate, students must have a PGPA of 60.00%. Students achieving a PGPA of 80.00% or more will receive the mention “with Distinction” on their transcripts.

Conditions d’admission / Admission requirements

Students must take two mandatory placement tests. They must place at the FRN 101 level and reach the “Intermediate Low” level on the TCOF (Test de compétence orale en français) and/or obtain the permission of the Department head. Students will typically meet these requirements with the completion of Grade 12 Core French or FRN 101.

Minimum enrolment is required for the Certificate program to be offered. See description of FRLS courses in UR Self-Service or the Courses section in this Calendar.

- All other courses taught in French at the University of Regina.
- All courses receiving permission from the FFIS program.
La Cité Co-operative Education Program

La Cité’s co-op program provides a unique opportunity for students to develop their French language skills and gain experience in the labour market while completing their university degree.

Students who enrol in the co-op program significantly increase their chances of getting a job upon completion of their university studies. Enrolled students have special access to a job bank (PlacePro) and the support of professionals in preparing an application. Jobs may be in Saskatchewan or elsewhere in Canada.

Terms and conditions

Students enrolled in La Cité’s Co-op program are required to:

1. Take part in a Francophone (or bilingual) work environment for three periods of four months each;
2. Alternate between a term of university classes and a term of work placement;
3. End their program with an academic term;
4. Take job search preparation workshops.

La Cité students have flexibility with respect to the sequence of work placements and university classes. It is possible to request a double placement period, i.e., eight consecutive months in a work environment. Students can take advantage of up to two consecutive workplace periods during the spring/summer term. The program also allows for participation in a fourth work placement period on an optional basis.

The following is one possible sequence of university classes and work placement:

Eligibility criteria

The student must:

1. Have a program (GPA) of at least 67.5%;
2. Be enrolled in a minor in Francophone and Intercultural Studies or a major in Francophone and Intercultural Studies;
3. Have reached the language level requirement for French 200;
4. Have of a minimum of 30 and a maximum of 84 credit hours in an acceptable degree program as noted above (2). Student may apply in the term in which they will complete 30 credits hours;
5. Have completed at least two courses in their major or one in their minor;
6. Be a full-time registered student.

The Co-op program is not intended for students enrolled in the French as a Second Language Certificate Program, nor for part-time students.

To register, complete the form provided on La Cité’s website and submit it to the email address indicated on the form. Registration fees are payable for each work placement. The University of Regina is accredited by the Canadian Association for Co-operative Education (CAFCE).

Assistantships and Exchanges

Assistantships in France

The Ministère de l’éducation nationale in France employs post-secondary students in one-year posts as English language assistants in schools. Duties consist of up to 12 hours per week of conversation or language laboratory work. La Cité encourages senior students wishing to perfect their French and to acquaint themselves with French life and culture to apply for these posts.

Study in Quebec or Abroad

Students (normally those entering their third year of study at the University of Regina) may apply to study for one term or one year in a Francophone post-secondary institution. Students studying in Quebec or abroad must have their courses approved in advance to ensure that they are eligible for transfer credit. Students planning to undertake study in Quebec or abroad should contact the Centre de services aux étudiants about scholarships for which they may apply.

French Course Selection

Placement in French courses is usually based on a pre-registration assessment which can be done online at: https://lacite.uregina.ca/en/uni/services/tests

Students who have never studied French may register in FRN100 without doing the assessment. However, ALL students with any background in French (including elementary school, high school, immersion, living or studying in a French speaking environment) registering in their first course at the university MUST take the mandatory assessment. Students who have a background in core French would normally begin their studies at the 100 level (100, 101, etc.). Students with Grade 12 French immersion would normally begin their studies at the 200- or 300-level (201, 300, 301).

Students who have already received credit for a French course at the University of Regina may take or repeat a course at a lower level only with permission of La Cité. Permission to take or repeat a course at a lower level will normally be granted only in cases where the higher-level course has not been completed in the previous 5-year period.

Note: FRN 100, 101, 110, and 200 do not count towards a French major, but each receives degree program credit, and can count towards a minor in French as a Second Language.

Non-Credited Courses

To obtain a certificate of participation in non-credit courses at La Cité, the participant must attend at least 70% of the courses. You must have a minimum number of registrations before these courses are offered.

Mission
La Cité universitaire francophone a pour mission de répondre aux besoins éducatifs universitaires des francophones de la Saskatchewan quelle que soit leur langue première. La Cité participe actuellement au développement culturel, linguistique et professionnel de la communauté francophone en offrant des cours et programmes crédités et non crédités.

En ce sens, La Cité initie, encourage, développe et soutient la recherche et la diffusion des travaux scientifiques en français sur les enjeux propres à la francophonie en milieu minoritaire. La Cité cultive un milieu de vie et un environnement francophone accessible et stimulant sur le campus de l'Université de Regina.

Admission, Re-Admission, et Transfert
Veuillez consulter des politiques de l’Université ayant trait à l’admission, la réadmission et le transfert (Admissions section in this Calendar).

Cours Obsoletes
Tout étudiant, admis ou réadmis à La Cité et ayant terminé des cours de son éventuelle majeure il y a plus de dix (10) ans, peut avoir à remettre ses connaissances à jour en reprenant des cours ou en prenant des cours supplémentaires pour sa majeure. Tout cours réussi doit être repris en vertu de ce règlement peut compter comme crédit facultatif.

Orientation Universitaire et Inscription
Les services d’orientation académique offerts au Centre de services aux étudiants sont conçus pour aider l’étudiant à comprendre ses options universitaires ainsi que les exigences des programmes, donner un aperçu des services offerts et mettre l’accent sur les possibilités existant en français sur le campus et dans la communauté francophone. Nous encourageons tout étudiant qui s’inscrit à La Cité de fixer une rencontre d’orientation académique dès qu’il reçoit sa lettre d’admission ou de transfert en appelant le Centre de services aux étudiants au 306-585-4141 ou en adressant un courriel à etudiants@uregina.ca. Il est préférable d’avoir une séance d’orientation avant de s’inscrire à la première session et il est bon de consulter un conseiller au moins une fois par an, ou plus souvent (chaque session) si on le souhaite.

D’autres renseignements généraux sur les services offerts en français au Centre de services aux étudiants sont disponibles à: https://lacite.uregina.ca/fr/un/services

L’étudiant doit respecter toutes les responsabilités de l’étudiant (Responsibilities of Students) décrites dans l’Academic Regulations section de ce Calendrier.

Évaluation de la Performance Universitaire

Tableau d’honneur du Doyen
Le Tableau d’honneur du doyen est établi pour chaque session. Il comporte deux sections : l’une pour les étudiants à temps plein et l’autre pour les étudiants à temps partiel.

Pour être inclus dans la liste à temps plein, l’étudiant doit avoir terminé au moins 12 heures crédits de cours de l’Université de Regina notés numériquement pendant la session en cours et obtenu une MPC d’au moins 85.00% au cours de cette session.

L’étudiant est inclus dans la liste à temps partiel, s’il a suivi au moins 3 mais moins de 12 heures crédits dans des cours de l’Université de Regina notés numériquement pendant la session en cours, et obtenu, depuis la dernière session où il a figuré au Tableau d’honneur du doyen (ou, si l’étudiant n’a jamais figuré sur le Tableau d’honneur du doyen, depuis son admission à l’Université de Regina), une MPC d’au moins 85.00% à travers toutes les sessions les plus récentes dont il a besoin pour terminer un minimum de 12 heures crédits dans des cours de l’Université de Regina notés numériquement.

L’inclusion au Tableau d’honneur du doyen apparaîtra également sur le relevé de notes officiel de l’étudiant.

Exigences pour l’obtention d’une mention
1. Mention bilingue : au minimum 40% et au maximum 60% des cours comptant pour le diplôme ont été suivis en français, y compris trois cours dans des départements autres que le Département de français (mais doivent être des cours des Facultés des beaux-arts, des arts ou des sciences).

2. Désignation internationale : avoir terminé au moins une des expériences internationales suivantes:
   • une période de travail (travail-études), d’internat ou de stage pratique pendant une session ou plus, ou
   • un cours de l’Université de Regina de trois heures crédits ou plus, (ou un cours suivi sur lettre d’autorisation dans une autre institution postsecondaire canadienne) qui comporte au moins deux semaines passées à l’extérieur du pays (si le cours comprend moins de deux semaines d’expérience à l’extérieur du pays, l’étudiant doit obtenir l’approbation du doyen ou de son représentant désigné pour obtenir la désignation internationale); ou participer à un programme d’échange international donnant trois heures crédits ou plus, ou
   • un minimum de trois heures crédits dans des cours suivis sur autorisation préalable de l’Université de Regina dans une institution postsecondaire à l’extérieur du pays.
   • D’autres expériences internationales seront prises en considération au cas par cas.

3. Distinction : pour les diplômes (sauf Honours/Specialisation), les certificats avancés et les certificats, une MPC minimum de 80% dans le programme du diplôme.

4. Grande distinction : pour les diplômes (sauf Honours/Specialisation) et les certificats avancés, une MPC minimum de 85.00% dans le programme du diplôme.

5. Haute distinction : pour le BA Honours/Specialisation et le certificat Honours/Specialisation, une MPC minimum de 85.00% dans la majeure Honours/Specialisation.

Octroi De Diplômes Parallèles Et Supplémentaires
Voir Graduation section.

Report de l'examen Final et/ou des Travaux de la Session
Un étudiant qui, pour des raisons médicales ou personnelles sérieuses, ne peut pas terminer un cours pourra peut être reporter la remise de travaux. Un étudiant se trouvant dans cette situation doit prévenir le bureau des services aux étudiants, ou bien le bureau académique ou le bureau du registraire du Collège fédéré pertinent, aussi rapidement que possible.

La prolongation de délais de remise de travaux ou un report du passage d’un examen final peut être accordé à l’étudiant si une maladie, un accident ou d’autres circonstances extrêmes et légitimes indépendantes de sa volonté en sont à l’origine. Si l’étudiant tombe gravement malade ou rencontre d’autres difficultés sérieuses à l’étudier pendant la session ou avant que des travaux n’aient été rendus, le retrait est peut-être une meilleure option. Voir Academic Regulations section.

Échec a des Cours
Si un étudiant échoue à un cours qui est un préalable à un autre auquel il s’est inscrit pour la session suivante, il est responsable d’abandonner ce dernier. Qu’il l’abandonne ou non, les crédits pour celui-ci lui seront refusés même s’il le réussit.

Cours Facultatifs
Les cours suivants ne sont pas considérés comme cours de niveau universitaire et ne peuvent donc pas être suivis pour obtenir des crédits au sein d’un programme de diplôme ou de certificat de La Cité : AE 19 et 29; CHEM 100; AMTH 091 et 092.

Un étudiant obtiendra un crédit libre pour ACAD 100 qui peut compter pour tout programme de La Cité s’il termine ce cours avant de suivre avec succès ENGL 100, ou s’il le suit après avec l’autorisation de la direction ou de son représentant désigné. Un maximum de 6 heures crédits provenant de cours KHS fondés sur des activités peut compter pour un programme de diplôme ou de certificat. Ces cours comprennent KHS 131, 132, 135, 231, 232, 233.

Cours Repris
Normalement, un étudiant peut reprendre un cours une fois seulement (à l’exception de English 100 [ENGL 100] qu’on peut reprendre deux fois).

Un étudiant qui souhaite reprendre un cours plus d’une fois (ou, dans le cas de English 100, plus de deux fois) doit en faire la demande par écrit au bureau des services aux étudiants (ou dans le cas d’un étudiant inscrit à un Collège fédéré, auprès du bureau académique ou du bureau du registraire). Autorisation de reprendre un cours

De telles requêtes ne sont approuvées que dans des circonstances exceptionnelles comme cela est indiqué dans un guide disponible (en anglais) au bureau des services aux étudiants, au bureau du registraire des Collèges fédérés ou sur le web à: Autorisation d’inscription/substitution.

Baccalauréat és Arts (BA) – Majeure en Français et en Études Interculturelles Francophones
Le BA est un diplôme qui s’étale sur 4 ans et comporte 120 heures-crédits. Il compte des exigences fondamentales (diversité), une ou deux majeures (portée) et des choix libres. Les mineures sont facultatives. Un étudiant peut inclure un maximum de 48 heures-crédits obtenus dans des cours d’introduction dans son programme.

La majeure en français exige 39 heures-crédits (13 cours), dont au moins 15 heures-crédits au niveau 300 ou 400. Des majeures combinées comptent un minimum de 60 heures-crédits (20 cours).

L’étudiant doit également obtenir l’autorisation (Registration Permit/Override Permission) au bureau des services aux étudiants ou de son collège pour s’inscrire en ligne pour une troisième tentative (ou quatrième dans le cas de ENGL 100). Voir Class Registration and Withdrawal.

Pour l’étudiant qui reprend un cours, la MPC sera calculée en se servant de la note la plus récente obtenue dans ce cours. Voir Academic Regulations.

Cours d’introduction
Un maximum de 48 crédits peut être obtenu dans des cours de niveau 100.

Procédure D’appel de la Faculté
Tout étudiant cherchant des renseignements sur les procédures d’appel de la Faculté doit consulter les règlements généraux sous ou contacter le Centre de services aux étudiants de La Cité.

La décision de la Faculté en ce qui concerne l’admission et les conditions pour la continuation des études est finale.

Le Comité n’entend pas les appels ayant trait aux notes ou au placement probatoire; consultez, Réévaluation des notes (Reassessment of Grades).

Majeure: (36-45 heures-crédits)
Un étudiant à La Cité peut choisir de faire deux majeures. Il est permis de faire une double majeure si l’étudiant satisfait aux exigences de chaque programme. L’étudiant doit rencontrer les doyens associés ou les chefs de département de chaque discipline.

Mineure (facultatif): (18 - 24 heures-crédits)
Un étudiant à La Cité peut entreprendre deux mineures. Pour en savoir plus sur les exigences d’une mineure, veuillez consulter la faculté et/ou le département qui l’offre.

Note: FRN 100, 101, 110, and 200 ne comptent pas pour l’obtention d’une majeure ou mineure en français, mais chacun donne des crédits pour le programme de diplôme.
Tout étudiant qui s’intéresse particulièrement à la langue devrait choisir ses cours parmi ceux offerts en langue et linguistique; celui qui s’intéresse à la littérature devrait choisir ses cours parmi ceux qui en traitent.

Un étudiant qui reçoit une équivalence en français à la suite de l’évaluation préalable à l’inscription peut recevoir une exemption allant jusqu’à 9 des 39 heures crédités selon l’équivalence accordée. Le Département de français et d’études interculturelles francophones identifie les cours dont l’étudiant est exempté.

**Baccalauréat ès arts honors (Spécialisation) majeure en français et études interculturelles francophones**

**Exigences**

Le programme Baccalauréat ès arts honors (Spécialisation) majeure en français et études interculturelles francophones comporte un minimum de 120 heures crédités et doit inclure ce qui suit :

- Toutes les exigences de base du BA.
- Une exigence de 48 crédits dans la majeure tel que déterminé par le Département de français et d’études interculturelles francophones. L’étudiant devrait vérifier ce qui apparaît dans le calendrier du département concerné pour toute exigence particulière.
- Une dissertation spécialisée (FRN 499 Dissertation spécialisée).

**Règlements spéciaux pour les programmes de spécialisation**

L’étudiant qui, après sa première année universitaire, a échoué à plus de 9 crédits (i.e., après une tentative d’obtenir les 30 premiers) n’est pas admissible à s’inscrire ou à suivre le programme de spécialisation. S’il existe des circonstances atténuantes, il peut faire appel auprès de La Cité pour que ce règlement soit levé. Si le Comité accepte l’appel, l’étudiant doit malgré tout se conformer à tous les autres règlements régissant l’inscription et la remise du diplôme, et il ne lui sera plus possible d’échouer à un cours.

L’étudiant qui reçoit une équivalence en français s’appuyant sur l’évaluation préalable à l’inscription peut obtenir une exemption allant jusqu’à 9 des 48 heures-crédits, selon l’équivalence accordée. Le Département de français et d’études interculturelles francophones identifie le(s) cours pour lesquels l’étudiant bénéficiera d’une exemption.
Un étudiant qui se spécialise doit maintenir une moyenne de 75.00% dans les cours de sa majeure.

Majeure individualisée
Si la spécialisation dans un sujet ne répond pas complètement à la poursuite d’un objectif particulier, l’étudiant peut faire une majeure interdisciplinaire individualisée. Il peut alors créer une majeure avec des cours pris dans plusieurs disciplines mais qui ont un thème commun. Des majeures individualisées ont, par exemple, été effectuées en Études canadiennes, Science cognitive, Études du développement et Sciences sociales.

Un étudiant qui souhaite poursuivre une étude interdisciplinaire sur un thème particulier autre, doit consulter le Centre de services aux étudiants (ou, pour l’étudiant inscrit à un Collège fédéré, le bureau académique ou le bureau du registraire de son collège) pour en savoir plus au sujet des majeures individualisées.

Certificat en français langue seconde
Ce programme intensif permet d’obtenir le Certificat en français langue seconde. Les étudiants doivent s’inscrire à 9 cours de français (pour un total de 30 crédits) pendant deux semestres consécutifs. Ces cours sont prescrits par le programme. Afin de recevoir le Certificat, les étudiants doivent obtenir une MCPL de 60.00%. Une MCPP de 80.00% ou plus pour l’ensemble des cours du Certificat donne droit à la mention «avec distinction».

Conditions d’admission
Les étudiants doivent passer deux tests de placement obligatoires. Ils doivent se placer au niveau FRN 101 et atteindre le niveau «Intermédiaire bas» au Test de compétence orale en français (TCOF) et/ou obtenir la permission du Chef du département. De façon générale, les étudiants pourront répondre à ces exigences après avoir complété le Français de base (Core French) de la douzième année ou FRN 101.

Un nombre minimum d’inscriptions régit l’offre de ce programme.

Programme Co-op de La Cité

Le programme d’alternance travail-études de la La Cité offre une occasion unique de renforcer ses compétences linguistiques en français, acquérir de l’expérience sur le marché du travail tout en terminant son diplôme universitaire.

Les étudiants qui s’inscrivent au programme Co-op augmentent considérablement leur chance d’obtenir un emploi au terme de leurs études universitaires. Les étudiants inscrits ont un accès privilégié à une banque d’emplois (PlacePro) et à l’appui de professionnels dans la préparation d’une candidature. Les emplois peuvent être en Saskatchewan ou ailleurs au Canada.

Modalités
Les étudiants inscrits au programme Co-op de La Cité doivent obligatoirement:

• participer à trois périodes en milieu de travail francophone (ou bilingue) d’une durée de quatre mois chacune,
• alterner entre un trimestre de cours universitaires et un trimestre de placement en milieu de travail,
• terminer leur programme par un semestre académique,
• suivre des ateliers de préparation à la recherche d’emploi. Les étudiants de La Cité ont la flexibilité dans la séquence des placements et des cours universitaires. Il est possible de demander une double-période de placement, soit huit mois consécutifs en milieu de travail.
• Les étudiants peuvent bénéficier d’un maximum de deux périodes consécutives en milieu de travail au cours du trimestre printemps/été.

Le programme permet, de façon facultative, la participation à une quatrième période de placement en milieu de travail.

Voici une séquence possible entre les cours universitaires et le placement en milieu de travail:

Critères d’admission

L’étudiant(e):

1. Doit avoir une moyenne (PGPA) de 67.5%;
2. Doit être inscrit à la mineure ou la majeure en études francophones et interculturelles;
3. Doit avoir atteint le niveau de compétences linguistiques du cours FRN 200;
4. Doit avoir complété un minimum de 30 et un maximum de 84 crédits dans un des programmes ci-haut mentionnés (2). L’étudiant(e) peut s’inscrire lors du semestre où il complétera 30 crédits;

5. Avoir complété au moins deux cours de leur majeure ou un cours de la mineure;
6. Être un étudiant à temps plein.

Le programme Co-op ne s’adresse pas aux étudiants inscrits dans le Certificat en français langue seconde ni aux étudiants à temps partiel.

Pour s’inscrire, il importe de remplir le formulaire disponible sur le site de La Cité et de l’acheminer à l’adresse électronique ci-dessous. Des frais d’inscription sont requis pour chaque placement en milieu de travail. L’Université de Regina est accréditée par l’Association canadienne de l’enseignement coopératif (ACEC).

Assistanat et Échanges

Assistanat en France

En France, le Ministère de l’éducation nationale emploie des étudiants du postsecondaire comme assistants de langue anglaise dans des écoles pour une période d’un an. Les tâches consistent à offrir chaque semaine jusqu’à 12 heures de conversation ou de laboratoire. La Cité encourage les étudiants avancés dans leurs études qui souhaitent perfectionner leur français et apprendre à connaître le mode de vie et la culture française, à faire demande pour un de ces postes.

Études à Québec ou à l’étranger

Un étudiant (normalement, un étudiant qui commence sa 3e année d’études à l’Université de Regina) peut faire une demande pour étudier pendant une session ou une année dans une institution postsecondaire francophone. L’étudiant qui poursuit ses études au Québec ou à l’étranger doit faire approuver ses cours à l’avance pour être sûr qu’ils seront reconnus lors du transfert de crédits L’étudiant qui prévoit étudier au Québec ou à l’étranger devrait contacter le Centre de services aux étudiants au sujet des bourses auxquelles il peut être admissible.

Sélection Des Cours De Français

Le placement dans des cours de français s’appuie en général sur une évaluation préalable à l’inscription qui se trouve en ligne à https://lacite.uregina.ca/fr/university/placement.

L’étudiant qui n’a jamais étudié le français peut s’inscrire directement en FRN 100 sans faire l’évaluation. Toutefois, TOUS les étudiants qui ont acquis des connaissances en français (que ce soit à l’école primaire, secondaire, dans le programme d’immersion, ou en vivant ou étudiant dans un milieu francophone) et qu’ils s’inscrivent à leur premier cours universitaire de français DOIVENT passer cette évaluation obligatoire. L’étudiant qui a suivi le programme de français de base commencera, en général, au niveau 100 (100, 101, etc.). L’étudiant qui a terminé la 12e année du programme d’immersion commencera, en général, au niveau 200/300 (201, 300).

Un étudiant qui a déjà obtenu un crédit pour un cours de français à l’Université de Regina peut SUIVRE OU REPRENDRE un cours à un niveau plus bas uniquement s’il a l’autorisation de La Cité. L’autorisation de suivre ou reprendre un cours de niveau plus bas ne sera normalement accordée que dans les cas où le cours de niveau plus élevé n’a pas été terminé au cours des cinq (5) dernières années.

Note: FRN 100, 101, 110, et 200 ne comptent pas pour l’obtention d’une majeure en français, mais chacun donne des crédits pour le programme de diplôme, et peuvent compter pour l’obtention d’une mineure en français langue seconde.

Cours Non Crédites

Pour obtenir une attestation de participation aux cours non crédités de La Cité, le participant doit assister à au moins 70% des cours. Il faut avoir un nombre minimum d’inscriptions avant que ces cours ne soient offerts.

Pour en savoir plus sur les divers cours au programme, consultez notre site web à: https://lacite.uregina.ca/fr/centrefr.
Professional Pathways and Transfer Opportunities

The University of Regina makes every effort to ensure that the information in this section is accurate; however, other institutions may make changes to their policies, regulations, or application deadlines without notice, or after the University of Regina Undergraduate Calendar has been published. In such cases, the University of Regina assumes no responsibility for the accuracy of the information in this section of the Calendar.

Students are urged to consult their faculty advisor for accurate information on admission, program requirements and applicable deadlines and to consult the website or most recent calendar of the applicable institution. For admission requirements to programs offered by the University of Saskatchewan, students should consult the website: https://artsandscience.usask.ca/undergraduate/info/firstyear/professionalcollege.php

The professional programs described in this section have limited intakes. Students who complete the qualifying requirements are not guaranteed admission. The following points are important:

• students are often not accepted on their first application to the professional college, faculty, or school;
• many professional programs look for much more than the minimum requirements;
• many professional programs look for students who have already completed a degree;
• many professional programs have selection criteria in addition to academic performance (e.g., interviews, entrance examinations).

The courses required for admission to the targeted program should therefore be taken as part of studies towards a bachelor's degree offered by the University of Regina.

Students in high school who are considering one of these programs (with the exception of Law) should take as many mathematics and science courses as possible.

Agriculture and Bioresources
University of Saskatchewan

Degree Program
Bachelor of Science in Agriculture (BSA) provides students with a sound basis in the natural and social sciences and a broad knowledge of agriculture, agri-food systems, and the role of agriculture in both the Great Plains and global contexts.

Bachelor of Science in Agribusiness (BSc (AgBus))
A four-year program combining science, economics, agricultural economics, and business.

Bachelor of Science in Renewable Resource Management (BSc (RRM))
A four-year program that focuses on management of land, biotic, and water resources.

The first year of all of the above programs can be completed at the University of Regina.

Introductory Courses
Introductory courses AGRC 111.3, Agricultural Sciences I and AGRC 112.3, Agricultural Sciences II may be taken online through Campus Saskatchewan.
Professional Pathways and Transfer Opportunities

**Required Grades and Averages**
University transfer applicants need a minimum 60.00% admissions average to be considered for admission to the University of Saskatchewan Agriculture and Bioresources program, or a minimum 65% to be considered for admission to the University of Saskatchewan Bachelor of Science and Diploma in Agribusiness. Students should consult the University of Saskatchewan website for information on how to calculate their admissions average.

**Dentistry, University of Saskatchewan**

**Degree Program**
**IMPORTANT NOTICE:** The College of Dentistry is considering requiring applicants to have completed a four-year undergraduate degree as a requirement for admission. Information on this requirement will be posted on the website as it becomes available.

The College of Dentistry offers a fully accredited four-year Doctor of Dental Medicine program with a proud tradition of excellence in teaching and research. Innovative learning, research, and clinical experiences are provided for students during the academic year.

The College of Dentistry admission quota is normally 28 applicants with 22 places reserved for Saskatchewan residents and up to six places open to all other applicants regardless of residency.

**University Prerequisite Courses for Dentistry**
1. Completion of THREE (3) 30 credit-unit academic years of university level course work towards the requirements of an undergraduate degree. An academic year is defined as TWO standard academic terms consisting of eight (8) consecutive months (September – April).
2. A cumulative weighted average of 75% over the TWO best academic years of study.
3. Completion of 39 credit units of required pre-dentistry courses (or equivalents) with a minimum overall average of 70%.

Required Grades and Averages
The overall pre-dentistry average and Academic Average will determine the applicant's eligibility for further admission consideration. All required pre-dentistry courses must be completed by the end of April the year in which admission is sought with an overall average of at least 70.00% to be eligible. Applicants who have not completed this requirement will not be considered.

Applicants may schedule their pre-dentistry courses as they wish (i.e., in the summer) provided a 30-credit hour course load is maintained per academic year.

In addition to completing the specified required pre-dentistry courses, students should choose a program and courses that will lead to an alternate career if dentistry is no longer a viable option.

It is recommended that applicants' program of studies be in the area of the natural sciences.

Other Admission Requirements and Selection Criteria
Applicants to the dentistry program must take the Dental Aptitude Test (DAT) administered by the Canadian Dental Association. The DAT is conducted on two occasions, November and February, each year. The deadline dates for applications are September 15 for the November DAT and January 15 for the February DAT. DAT results older than 3 years are not accepted for admission purposes. If an applicant has taken more than one DAT within this time period, the best overall DAT score will be used for admission purposes. Further information may be obtained from the Canadian Dental Association's website at www.cda-ada.ca/dat.

To apply as a Saskatchewan resident, applicants normally must have resided in Saskatchewan for at least FOUR years immediately prior to September 1 of the year in which admission is being sought. Visit the College of Dentistry's website for more information.

Interviews are granted based on the academic record as of the deadline date for receipt of applications.

Selection is based on the applicant's academic record (that is, the two best full academic years), weighted 65%; the DAT, weighted 15%; and the interview, weighted 20%.

Additional Information and Application for Admissions
The College of Dentistry accepts on-line applications only from August 1 to December 1. You may access the on-line application at https://apply.usask.ca/ellucian.erecruiting.web.external/pages/applicatio n.aspx?type=elcn_dentistrydmd1

Law, University of Saskatchewan

Degree Program
Juris Doctor (JD) The program requires three years of full-time study following admission to the College of Law (a part-time program is also offered). Applicants are required to have completed a minimum of two years (60 credit hours) of pre-law studies; however, a minimum of 24 credits in each of these two years will be accepted for GPA purposes. An applicant is still required to have completed 60 credits in order to apply.

High school prerequisites for Admission to University of Regina
See the Admissions section in this Calendar. Applicants to the University of Regina may request admission to any faculty to qualify for Law. Most applicants request admission to the Faculty of Arts (pre-Law).

University Prerequisite Courses for Law
There are no prerequisite courses. Humanities courses are recommended but not required for admission.

Required Grades and Averages
The required average for admission varies depending on the number of applications. Past experience indicates that applicants with an 80.00% CGPA and a score of 157 on the LSAT (see next section), or an equivalent combination of CGPA and LSAT score, will be competitive.

Other Admission Requirements and Selection Criteria
Applicants must write the Law School Admission Test (LSAT) no later than February of the year for which admission is sought. Applications to write the test must be submitted well in advance of (usually at least 4 weeks before) the test dates. The LSAT is offered at the University of Regina in October, December, and February; further information about test dates is available from the Registrar's Office.

Applicants must also compose and submit a personal statement of no more than 500 words, detailing special academic interests and achievements, work experience (including volunteer experience), special skills and personal attributes as well as any other significant life experiences (e.g. family, travel).

Admission to the College of Law is decided on a competitive basis considering the academic record, the LSAT score, and any special circumstances. A slight preference is given to students who are Saskatchewan residents or residents of the Yukon, Northwest Territories, Nunavut, Prince Edward Island and Newfoundland.

Special Admission Categories
Special consideration will be given to applicants whose educational opportunities have been hindered by circumstances such as cultural or economic disadvantage, physical impairment or learning disability, or significant interruption of the pursuit of post-secondary education. Applicants who wish to have such circumstances considered must attach a supporting statement and documentation, and letters of reference. Refer to: https://law.usask.ca/students/becoming-a-law-student/applying-to-law.php#Categoriesofapplicants

Indigenous Applicants
Some Aboriginal applicants may be required to successfully complete the Indigenous Law Centre's Summer Program, held in the late spring and summer at the University of Saskatchewan, College of Law, in order to be admitted to the College of Law. For more information contact:
Nutrition, University of Saskatchewan

Degree Program

Bachelor of Science in Nutrition: BSc (Nutr.) program involves an exciting and unique structure and a partnership with the Regina Qu’Appelle Health Region (RQHR) and Saskatoon Health Region (SHR). One year of pre-Nutrition studies is required, after which students may apply to enter the BSc (Nutr.). This program requires four years of full-time study following admission to the College of Pharmacy and Nutrition. Pre-Nutrition is a one-year (30 credit hour) program which may be completed at the University of Regina. On completion of a national examination, graduates qualify for professional registration and membership in the provincial and national association for dietitians/nutritionists (Dietitians of Canada).

Total: 30.0

Note: The requirement for “English” must include English Literature and Composition. A general academic writing course is not sufficient.

Applicants must have completed at least 30 credit units of course work at the university level before April 30 in the year in which they wish to be considered for admission. Applicants may be admitted with a deficiency in up to 6 credit units of electives except for BIOL, CHEM, PSY and ENG courses; these applicants may be considered only if they have completed 30 credit units and the courses they have taken instead of the electives are included in the first year of the Nutrition program. Any deficiency must be made up prior to entry into the second year of the BSc (Nutr.) program.

Required Grades and Averages

Students must have a minimum CGPA of 70.00% to apply.

Other Admission Requirements and Selection criteria

Applicants for Nutrition are selected on a competitive basis in which overall performance, including academic performance and other factors, is considered. Assessment of academic performance uses an Admission Average based on the 30 credit units of required subjects [weighted as 40% of the overall average] and the cumulative average obtained at the university level [weighted as 60% of the overall admission average]. Assessment of other factors includes a Test of Critical Skills and a Personal Interview. Each eligible applicant (i.e. meeting all requirements), for whom all required information has been received, is assigned an Admission Score calculated from the academic and non-academic data combined. Applicants for each program are divided into two groups [Saskatchewan residents and non-residents] determined by their permanent home location and their Admission Scores are ranked. Candidates are then offered a seat in the program, until the respective admission quotas for each program are met.
In the final selection of applicants, the College chooses those who not only demonstrate academic potential, but who most aptly display a motivation for and understanding of a career in pharmacy or nutrition/dietetics. Successful candidates must also demonstrate that they possess the critical qualities and skills most valuable to be an effective professional, including the ability to read, write and think critically. Reference letters and other items such as award letters are not used in the selection process and should not be sent in support of the application. Supplementary documents are used only if specifically requested by the College.

Occupational Therapy, University of Alberta

Graduate Degree Program
The University of Alberta MSc OT program is designed to address practice and theoretical issues within a broad range of settings. It is a year-round, full-time program and can be completed within 26 months of study in either Edmonton or Calgary. MSc course-based – The deadline for receipt of applications is Jan 31 for September admission. Minimum requirements include:

- A four-year baccalaureate degree or its academic equivalent from an academic institution recognized by the University of Alberta.
- 3.0 GPA on a 4.0 scale (approx. 75%) on the most recent 60 credit hours of full-time study (or equivalent).
- Completion of STAT 160 and KIN 260.
- The degree requirements must be completed, and grades must appear on a transcript by June 30 of the admission year.

Other Requirements
A curriculum vitae/résumé provided in a pre-set format or your own personal format, including two letters of reference, a personal statement letter describing knowledge of occupational therapy.

For complete admissions criteria, applicants should consult Application Requirements webpage: https://rehabilitation.ualberta.ca/departments/occupational-therapy/msc-in-occupational-therapy/application-requirements

Grades and Averages
Applicants must normally have a CGPA of at least 78.00% in order to be considered.

Other Admission Requirements and Assessment
Applicants are initially ranked according to their pre-professional composite GPA which is made up of the required courses plus electives for a total of 60 credit hours. Applicants who have completed 30 credit hours over two consecutive terms are ranked above those who have taken fewer than 30 credit hours. All aspects of a student’s record, including failures and withdrawals, are considered by the Admissions Committee. Students who have received a failing grade in any post-secondary course or courses may submit a letter to the Admissions Committee explaining circumstances which contributed to an unsatisfactory standing

Special Admission Categories
Up to fifteen places are available for Saskatchewan residents. Two positions are available for students of aboriginal ancestry.

Additional Information and Applications

Interested students may also consult the website of the University of Alberta at ualberta.ca/departments/occupational-therapy. Information on the above program will be updated on an ongoing basis.

Application Deadline
Applications for fall admission must be received by the University of Alberta by January 31 and the required documents by June 30.

Optometry, University of Waterloo

Degree Program
Doctor of Optometry (OD): A minimum three years of pre-Optometry studies in the Faculty of Science are required to be eligible to apply; these may be completed at the University of Regina. This program requires four years of full-time study after admission to the School of Optometry, University of Waterloo.

University Prerequisite Courses for Pre-Optometry
Students should pursue a course of study leading to a BSc degree in the Faculty of Science since competition for spaces in the School of Optometry is considerable. A minimum of three years of study towards a BSc program is required. Prerequisite courses are as follows.

Required Grades and Averages
The average of all courses students have taken in BSc studies are included in the overall average calculation. The average is not limited to the prerequisites. Students’ average must be at least 75%. In recent years, the actual averages of students that have been accepted into the program have ranged from 79% to 92%.
Other Admission Requirements

Admission to the School of Optometry is restricted to Canadian citizens and permanent residents of at least 12 months’ standing. In special circumstances a limited number of international students may be admitted.

All applicants must write the Optometry Admissions Test (OAT) within the two years before application to the School. The OAT is a standardized test administered by the Association of Schools and Colleges of Optometry. It is based upon having completed one year of University Science and organic chemistry. All inquiries regarding the OAT, as well as online applications can be made at www.opted.org.

Additional Information and Applications

All applicants have an equal chance at one of 90 first-year placements. In July, interested students should check the School of Optometry, University of Waterloo website https://uwaterloo.ca/optometry-vision-science/future-optometry-students for the on-line application and to obtain information on the procedures for admission.

Physical Therapy, University of Saskatchewan Degree Program

The prerequisites for the Master of Physical Therapy are:

- Applicants must hold a 4-year baccalaureate (in any discipline) from a college or university of acceptable standing.
- Applicants must satisfy residency qualifications. See www.medicine.usask.ca/pt/admission/residency-requirements/
- Additional prerequisites are:
  - Human Physiology (KIN 267 and 268)
  - Human Anatomy (KIN 260)
  - Statistics (STAT 100 or 160)

Master of Physical Therapy (MPT)

Students entering the MPT program will be engaged in academic activities for 11 of 12 months of the year, for 2 years and 6 weeks. The curriculum is made up of modules of varying lengths. It differs from most university programs which provide courses in two regular terms (Sept. to Dec., Jan. to April). The MPT program at the U of S provides opportunities for each student to participate in a major project, clinical education, case integration courses and integrated evaluation.

The program has been designed to offer students a high-quality educational experience that is consistent with national accreditation standards. Students will graduate with the entry-level clinical requirements to obtain a license to practice physiotherapy in Saskatchewan and Canada. Initial work expectations of graduates will be primarily the provision of direct client care rather than advanced research and/or management.

Required Grades and Averages

The minimum admission average that will be accepted is 70%. The admission average is a weighted average calculated using a minimum of 60 credit units of study. The most recent credit units at the time of application are used. For the purpose of calculating the admission average, courses in a given term will be used.

Selection Criteria and Other Admission Requirements

Meeting the admission requirements does not guarantee admission to the School of Physical Therapy as each year there are more applicants than available positions.

Selection for admission is based upon academic performance (i.e. admission average) and interview performance. The minimum admission average that will be accepted is 70%. The admission average is a weighted average calculated using a minimum of 60 credit units. The most recent credit units at the time of application are used (up to and including term 1 if currently studying).

For the purpose of calculating the admission average, all courses in a given term will be used. Applicants are ranked according to their admission average and the top 96 applicants are granted interviews.

When computing applicants’ total admission scores, the admission average is weighted 60% and the interview score is weighted 40%.

From the 96 applicants interviewed, 40 will be offered admission (34 top ranked applicants from the general pool and 6 top ranked applicants from the education equity pool).

For more information on complete Application Procedures, please visit the University of Saskatchewan website: http://medicine.usask.ca/admission-to-the-mpt-program/how-to-apply.php#1

Special Admission Categories

Education Equity Program – The purpose of this program is to encourage enrolment by applicants of Aboriginal ancestry. The program is open to all Canadian citizens regardless of Saskatchewan residency status.

Each year, five positions for admission to the School of Physical Therapy are designated for applicants of Aboriginal ancestry who meet admission requirements. To be considered for the Education Equity Program for Aboriginal students, applicants of First Nations, Métis, or Inuit ancestry must indicate this status when completing the School of Physical Therapy. Proof of Aboriginal ancestry is required. Self-identification of Aboriginal ancestry does not exclude applicants from being considered in the general applicant pool.

Additional Information and Application Forms

Students must first complete the online MPT application form available on the School of Physical Therapy website to ensure that they meet admission requirements before applying through the College of Graduate Studies and Research.

For further information, students should consult the Academic Program Assistant at the School of Physical Therapy.

Application Procedures and Deadline

The deadline for receipt of applications and all supporting documents is December 15 each year.

Students must first complete the online MPT application form available on the School of Physical Therapy website to ensure that they meet admission requirements before applying through the College of Graduate Studies and Research. A non-refundable application fee of $90.00 is required as part of the College of Graduate Studies and Research application.

Please Note: that reference letters normally required for a Graduate Studies application are not required for the MPT and will not be accepted as part of the applicant’s file. Any applicant who may require disability accommodations for the admissions process should be registered with Disability Student Services and all requested accommodations must be received by the deadline for application (December 15).
Radiation Therapy: University of Toronto/The Michener Institute at UHN Joint Program

The Saskatchewan Cancer Agency has an agreement with the University of Toronto/Michener Institute Joint Diploma/Degree in Medical Radiation Sciences Program in Radiation Therapy to nominate and sponsor selected Saskatchewan students. The Saskatchewan Cancer Agency will be the clinical site for successful applicants. Visit the Saskatchewan Cancer Agency’s website www.saskcancer.ca for information regarding the application process for sponsorship.

Degree Program
At the successful completion of the program, students will receive a Bachelor of Science in Medical Radiation Sciences from the University of Toronto and an Advanced Diploma in Health Sciences from The Michener Institute of Education at UHN.

As a Radiation Therapist, graduates of this program will work within an interdisciplinary oncology team consisting of physicians and other healthcare providers in cancer centres. Graduates will use advanced computer systems and sophisticated radiation therapy equipment to deliver radiation beams to destroy tumours. Graduates will also play an important role in providing patient support throughout the treatment process, including counselling patients on expected radiation side effects and ways to minimize them.

Future career opportunities as a Radiation Therapist include (but are not limited to) research activities, advanced roles such as the Clinical Specialist Radiation Therapist (CSRT), management, education, sales/marketing, other specialties such as magnetic resonance imaging (MRI) and computed tomography (CT), and higher education such as the Master of Health Science in Medical Radiation Sciences at the University of Toronto.

To qualify for admission to this program, applicants can be in any U of R program and are required to have completed one full year of studies (30 credit hours) at a recognized university.

Graduates of any University of Regina program are also eligible to apply provided their degree included the required courses above.

Required Grades and Averages
The minimum GPA required in order to be considered for admission is B-(70% to 72%). Applicants with Master’s or PhD degrees will still have their undergraduate courses reviewed to ensure that students have the background necessary to be successful in the program.

Other Admission Requirements and Selection Criteria
Because all lectures, seminars and clinical laboratory sessions and activities are conducted in English, it is essential that students have an adequate knowledge of written and spoken English. Applicants for whom English is a second language must provide proof of an English language assessment. Visit the University of Toronto’s website for details.

Additional Information and Application Forms
Visit The Michener Institute of Education at UHN’s website for further information on the application process and application deadlines for this program.

Veterinary Medicine, University of Saskatchewan

The Western College of Veterinary Medicine is located on the campus of the University of Saskatchewan, Saskatoon, Saskatchewan and provides education in veterinary medicine for the four western provinces.

Degree Program
Doctor of Veterinary Medicine (DVM). This program requires four years of full-time study after admission to the Western College of Veterinary Medicine and is preceded by a minimum 60 credit hours of qualifying university studies, which may be completed at the University of Regina. Applicants to the University of Regina should request admission to the Faculty of Science (Pre-Veterinary Medicine).

University Prerequisite Courses for Veterinary Medicine
Since competition for admission to the College is very keen, students interested in veterinary medicine should pursue a degree program in the Faculty of Science and should choose the elective courses to fit such a program. Most students admitted to the College have more than the minimum two years (60 credit hours) of pre-veterinary medicine. Most applicants have more than two years of university. However, neither the number of years of pre-professional study nor the degree(s) held are factors in selecting students.

Required Grades and Averages
A minimum CGPA of 75.00% is required. All grades are converted to a common scale for comparative purposes and this converted average is used.

There are no "preferred" electives: the choice of electives should be based upon the requirements of the program in which the student is enrolled or the student's general interests. Students are encouraged to select electives that will liberalize or broaden their perspective.
Other Admission Requirements and Selection Criteria

An interview and two references (one of which must be a veterinarian and the other must have an animal or agricultural background) are required. While practical experience with animals is not an absolute requirement for admission to the program, it is becoming increasingly important as a factor in selection, as is an exposure to veterinary medicine.

Selection is based upon assessment of a number of factors including mental aptitude, academic performance, motivation, maturity, experience with animals, leadership qualities, social awareness, deportment, verbal facility, and ability to communicate, and an understanding and knowledge of the veterinary profession. Degrees or diplomas held are not factors in the selection process.

Special Admission Categories

Twenty spaces are reserved annually for Saskatchewan residents. Indigenous Equity Access Program: Each year, two seats are available for Indigenous students through the Education Equity Program. Applicants must meet residency requirements of British Columbia, Saskatchewan, Manitoba, or northern territories.
