

GLOSSARY AND ABBREVIATIONS

Academic Action

Possible penalties which may be applied to a student for academic or non-academic misconduct.

Academic/Faculty Advisor

Specific University staff members who provide academic advice about degree programs and academic regulations, practices, and procedures; and who help students decide which classes to take. Usually, the advisor works in the academic area through which a student is registered.

[Academic Advising](#)

Meeting with an academic/faculty advisor that helps students decide which classes to take and to receive academic advice about degree programs and academic regulations, practices, and procedures.

This is different from counseling, which provides support for personal problems through [Counselling Services](#).

Academic Area

A University of Regina Faculty, Federated College, School, Department, or Institute.

Academic Misconduct (XF)

A grade which is assigned to students by the dean of a faculty or college offering a course and is entered by the Registrar's Office for a course from which a student is removed for disciplinary reasons and for which the appeal process has been exhausted.

Academic Probation

A trial period for a student whose registration is subject to academic conditions. Failure to satisfy these conditions may result in the student being required to withdraw from the University.

Academic Schedule

The official listing that outlines the start and end patterns and dates associated with the delivery of instruction.

Academic Year

May 1 to April 30.

Admission

Acceptance to the University following application.

Admission Requirements

These may include specific high school courses and minimum averages. Some programs have additional requirements such as an audition, portfolio, interview, or personal statement. For specific University of Regina admission requirements go to [Admission Requirements](#).

Advisor (Degree Audit)

Our degree audit tool which helps faculty, staff, and students track and plan academic progress in the student's chosen program. The system allows registered students to see how their completed courses fit in their program, what requirements still need to be completed, and run "what if" scenarios to see their progress in a program if they changed their faculty, program(s), major(s), minor(s), etc.

Aegrotat Standing

In rare circumstances, aegrotat standing in one or more courses in a term may be granted on medical or compassionate grounds to a student who meets the following conditions:

- the student is prevented from completing the term by serious illness or other extreme circumstances beyond the student's control;
- the student's illness is certified by a physician, or, other circumstances are certified by a professional in the relevant field or confirmed by other documentation acceptable to the dean;

- a deferral of term work and/or final examination is not appropriate because of the nature or severity of the illness or of the other circumstances;
- the student has completed at least 50% of the work contributing to the grade in the course; and,
- the instructor of the course confirms in writing that the student has demonstrated an understanding of the course material.

Aegrotat standing is granted by the dean of the faculty or college in which the student is enrolled. The uncompleted work may be term work, the final examination, or a combination of the two.

Affiliated College

A post-secondary institution associated with the University but legally and financially independent.

Alternate Credit

One of two possible credit values which may be granted for a course.

Application/Applying

The first step to being admitted to the University is submitting of a University of Regina application form, high school, or post-secondary transcript(s), application fee, and other documents as required.

Approvals

Authorization from the appropriate designate for courses that are restricted and require approval before registration.

Athletic Award

A grant of money to a student who participates in U Sports competition. These awards are governed by U Sports regulations.

Audit (AU)

The grade earned for attending a course without the benefit of earning formal credit hours. Students participate in classes only to the extent permitted by the instructor.

Audit (a course)

A student is given special permission to attend lectures and may participate in classes to the extent permitted by the instructor. A grade of AU, no academic credit, is earned. Audit courses appear on a student's transcript.

Award

Recognizes achievement or involvement in extra-curricular activities such as sport, student clubs and societies, community service, student government, etc. Students must achieve a minimum grade point average of 65%. Awards will appear on a student's transcript.

Awarded (AW)

The status applied to students who have completed their program requirements and have been approved by Executive of Council to graduate.

Blended Course

A course taught by employing a combination of the following teaching options: face-to-face, LIVE-streamed, online and/or video-conference. For more information, visit [CCE](#).

Business Days

The days of Monday to Friday inclusive between 8:15 a.m. and 4:30 p.m. Saskatchewan Time, with the exclusion of published statutory holidays and the closure of the University between 3:00 p.m. December 24 and 8:15 a.m. January 2 in the following year inclusive.

Bursary

Primarily designed to assist students with financial need. Recipients must be in good academic standing. Bursaries do not appear on a student's transcript.

Catalogue/Catalogue Term

A set date or period of time that identifies which rules to follow. A course may have a different prerequisite depending on the catalogue term. For example, a student admitted in the fall term may follow different program requirements than a student admitted in the winter term.

Challenge Credit

Credit granted for demonstrating mastery of the content of a course and hence obviating the need to take the course. See the [Admissions section](#).

Class

An individual meeting of the instructor with the students enrolled in a section of a course. Students enrol in sections of courses and attend classes. See also [Year of Study](#).

Cognate Course

A course with content closely relating to and supporting the content of another course.

Combined Major

A major that combines two subject areas to form a field of specialization.

Common Visiting Student

A student typically attending one of the Saskatchewan regional Colleges taking face-to-face, UR Live or web based classes. These students do not attend face-to-face classes on any U or R campus.

Community Education Centres (CECs)

These are satellite educational locations intended to assist in the development of province-wide practicum resources and to make part-time studies accessible to an increased proportion of the province's population.

Compulsory Withdrawal (CW)

The grade of CW, entered by the Registrar's Office, is for students who have been required to withdraw from a course for which they were formally registered.

Concentration

A focus within a program, usually within a major, comprising a cluster of courses on a particular theme or topic – or – a disciplinary component of a multidisciplinary degree program.

Concurrent Course Registration

Usually referred to as a prerequisite where enrolment is permitted in two courses at the same time. For example, if a student is deficient in a prerequisite course, it may be taken simultaneously with the course for which it is required.

Concurrent Programs

Two credentials being pursued at the same time. Concurrent programs issue two credentials, which may be conferred at the same time or at different times. Students who enrol in concurrent programs must meet the requirements as outlined in the [Graduation section](#). Students who enrol in concurrent programs at different institutions must obtain prior permission from their University of Regina faculty, federated college, or academic unit (see the [Admissions section](#)).

Confirmation of Enrolment

An official listing of a student's course registrations by term.

Convocation

An assembly of the members of the University to recognize the admission of students to degrees, diplomas, and certificates and to announce prizes, awards, and honours.

Convocation Ceremony

The event held annually in the spring (June) and fall (October) to recognize students' graduation from a University program.

Co-operative Education Program

A program wherein students spend alternate terms engaged in paid employment that closely relates to and enhances their academic studies. This program is also referred to as Work/Study program.

Corequisite

A required course that must be taken simultaneously with another.

Course

A set of lectures or directed readings, and related sessions (such as labs and seminars) dealing with a particular topic or a number of related topics. Normally courses at the University of Regina are delivered in a term(s) and are three credit hours.

Course Attribute

Used to categorize specific groups of courses.

Course Number

A number assigned to courses to show their depth and breadth of study.

Course Registration Number (CRN)

A unique identifier assigned to each course offering in a given term.

Course Restriction

A rule added to a particular course or section that determines which particular students can register in that course or section. May be based on department, field of study, class, level, degree, program, campus, college, student attribute, and cohort.

Credential

A degree, diploma, or certificate.

Credit for Completion (C)

The grade assigned for a "Credit/No Credit" course, where the course has been successfully completed.

Credit Hour

The unit measuring academic credit, usually consisting of one weekly period lasting approximately one hour, or a given number of periods of laboratory work throughout one term(s). A course timetabled to run three hours each week will usually carry three credit hours. Some courses carry fewer credit hours, some more.

Deferrals (DE)

Postponement of course work and/or final examinations for legitimate reasons, with special permission (see the [Academic Regulations](#) section).

Degree

A credential awarded to a student who has successfully completed a required course of study, typically of 120 credit hours or more.

Department

Academic and administrative areas within a faculty with a specific focus or discipline of study.

Direct Entrance Student

A student that been accepted to and will be attending University for the first time in the term immediately following high school graduation, and who has had no previous attendance at a post-secondary institution (excluding accelerated students or students who took a University class while simultaneously completing high school).

Discipline (as subject area)

A branch of learning or field of study. A precise area of academic study, e.g. mathematics, philosophy, art.

Distance Learning

Courses that may be taken online, LIVE-streamed, or face-to-face at Saskatchewan Polytechnic campuses and Saskatchewan Regional Colleges.

Distinction

Awarded for a Program Grade Point Average (PGPA) of 80.00% to 84.99%, at the time of graduation, for degree programs, and may not be awarded in all programs. Consult program specific graduation requirements.

Great Distinction

Awarded to students graduating with a PGPA of 85.00% or higher. May not be awarded in all programs. Consult program specific graduation requirements.

Double Major

A program component satisfying requirements for subject majors in two disciplines. Double majors require approval and advising from both departments concerned.

Early Conditional Admission

The category under which students may be admitted to the University while they are still in high school. This type of admission is based either solely on grade 11 marks or a combination of grade 11 and 12 marks. Admission is contingent upon satisfactory completion of a high school diploma.

Effective Term

The point at which academic program changes are effective. For example, if a course is deleted effective in a specific winter term, it may not be offered in subsequent terms.

Elective

A course of the student's choosing as opposed to a defined program requirement.

Equated Credits

The number of contact hours (time spent in class) in the Academic Recovery Program (ARP) which aids students in progressing their course of study while maintaining their full-time status.

Equivalent Course

A course with content that is the same as or similar to another course. Credit will be given for only the most recent attempt of an equivalent course.

Exemption (EX)

A notation when previous education, training or experience excuses a student from having to take certain prerequisites or fulfill specific requirements. No credit hours are attached. Students may be required to take another course in lieu of the one for which an exemption is granted. Exemptions are granted by the student's faculty or college.

Expulsion

Dismissal for an indefinite period (in no case less than two calendar years). Students must petition to the Council Discipline Committee for permission to apply for re-admission.

Faculty

Related academic disciplines grouped together for the purposes of administration and academic planning, e.g. Faculty of Arts, Faculty of Education, Faculty of Science. Also, collectively, all professors, instructors, and lecturers who teach university courses.

Federated College

A college federated with the University is a post-secondary institution, legally and financially independent, but academically integrated with the University. Campion College, First Nations University of Canada, and Luther College are colleges federated with the University of Regina.

Orientation

A day-long event that prepares first year, international, mature, and transfer students for university. It happens the week before classes start in the fall and winter terms may include a campus tour, information sessions, lunch, and a chance to meet faculty representatives.

Full Course Load

In most undergraduate programs, fifteen credit hours (normally five three-credit-hour courses) per term. Individual programs may have exceptions.

Full-Time Student

For undergraduate students, a full-time student is one who is registered in nine or more credit hours of study per term.

Good Academic Standing

Undergraduate students are in Good Academic Standing when they maintain a minimum undergraduate grade point average (UGPA) of 60.00% or higher and maintain the minimum prescribed academic standards of their faculty.

Grade Point Average (GPA)

A GPA is an average of numeric grades, adjusted for variations in the credit hours that are assigned to the courses in which the average is based. GPAs are calculated at the University of Regina for each term (Term GPA – TGPA), for a student's previous academic session (Sessional GPA – SGPA), for a student's program (Program GPA – PGPA), and for a student's whole academic record (Undergraduate GPA – UGPA, and Cumulative GPA – CGPA). For transfer admissions, the Admission Grade Point Average – AGPA is calculated by combining all recognized academic post-secondary courses with any attempted U or R courses.

Grades/Marks

Grades for most courses range from 0% to 100%. Alphabetic grades are assigned in some courses. For a complete description of the grading system, see the [Academic Regulations section](#).

Grade Mode/Grading Mode

A code that denotes how a course is graded. Examples: N – Normal (percentage grade), P/F - Pass/Fail, C/NC - Credit/No Credit, M – Maintenance of Candidacy, T- Transfer Credit, X – Non-graded.

Grading Term

A set period from the first day of the term to the end of the term for the purpose of grading a course of study.

Graduand

A person who is eligible to graduate but whose credential is yet to be conferred.

Graduate

A person who has successfully completed a course of study and their credential has been conferred.

Graduate Student

A student who is completing a master's or doctoral degree.

Graduation

The receipt of an academic degree, diploma, or certificate, marking the completion of studies. Students are required to apply to graduate, it is not an automatic process. The ceremony where credentials are conferred is called Convocation.

Holds

Conditions that may prevent registration, release of documents, re-admission, etc.

Honours

A degree program in which students take a more intensive concentration in their major area. Graduating students will be awarded Honours or High Honours, depending on their graduating average (PGPA).

Incomplete (IN)

An interim grade assigned when term work is delayed for legitimate reasons; an extension has been granted.

International Exchange Agreements

Agreement between a postsecondary institution outside of Canada and the University of Regina that includes the general objectives of the exchange, the start and completion dates of the agreement, and the terms of agreement of the exchange. Exchange agreements may involve students, research, instructors, etc.

International Student

Any student who is not a Canadian Citizen or Permanent Resident in Canada. This includes students from the United States of America.

In Progress (IP)

The grade assigned to the first term or the first and second term of a single term scheduled course which is offered across two or three terms respectively.

Joint Program

A program in which the courses from two faculties or two institutions are formally combined, issuing in one or two credentials. The University's requirements for additional degrees (see [Graduation section](#)) are met by such programs.

Letter of Permission (LOP)

An approval that is required for students wishing to take a course(s) at another institution for transfer credit toward their University of Regina program. A letter must be obtained before going to another institution to take a course(s). Requirements for LOPs are described in Faculty program sections of this Calendar.

LIVE-Streamed Course

A course taught via the eCast Network on any device connected to the internet, which is then broadcast to various locations throughout the province. For more information, visit [CCE](#).

Maintenance of Candidacy (MC)

The grade assigned for graduate students who have completed the credit hour components of their program of studies, but have not completed all degree requirements (e.g., thesis, project, practicum, internship). For further information, consult the [Graduate Calendar](#).

Major

The primary area of specialization in a degree program. Details of course and grade point average requirements are stated in Faculty program sections of this Calendar.

Matriculation

To matriculate is to be officially admitted to the University after having met entrance requirements.

Mature Applicant

A student who is 21 years of age or older before the start of the term for which they are applying. See [Admissions](#).

Minor

A secondary area(s) of specialization in a subject outside of the Major allowing student to focus their electives in a subject or field. Minor program requirements are described in Faculty program sections of this Calendar.

Mutually Exclusive Course

A course that is considered to be similar to another course, but not exactly the same. Students are prevented from automatically registering in both courses without receiving an override.

Non-Contributory Courses - Pass/Fail Grading

In some faculties, students may have the privilege of designating a limited number of credit courses as being non-contributory to the computation of their GPA. This means that they will not be included in the calculation of their GPA. Courses to be taken on a non-contributory basis must be so designated at the time of registration and must be approved by the

student's faculty or college. For more information on non-contributory (pass/fail) courses, students should contact their faculty offices.

Non-Numeric Grades

Grades for which there is no numeric value. See the [Academic Regulations section](#).

Not Passed (NP)

NP is a failing grade that may be assigned in three cases:

1. When a student does not successfully complete an element of a course, and that element has been explicitly identified in the syllabus as essential to passing the course. Successful completion of the final examination, a laboratory component, or a term paper are examples of elements that could be so identified.
2. When a student has abandoned a course without formally withdrawing.
3. When a course is dropped after the last day to receive a W. For the purposes of the calculation of a GPA, the NP is interpreted as a grade of 40 for undergraduate students and 55 for graduate students to reflect the difference in the passing grade. When a letter grade is not assigned, the actual numerical grade earned should be entered. 40 should not be substituted for the actual earned grade.

Not Reported (NR)

An interim grade used when a student's completion of a course is delayed for reasons intrinsic to the course (e.g. unavailability of a lab, delay in obtaining ethics approval of a project, difficulty in setting up an examining committee), or when an investigation or appeal of academic misconduct in the course is in progress.

Numerically-Graded Course

A course graded on the percentage scale. Grades of 0-100%, NP (40%) and XF (0%) are considered numeric grades.

Online Course

A course that is taught via web-delivery. Courses of this kind will often include online chats, discussion boards, online tutorials, and online assignment submission. For more information, Visit [CCE](#).

Open Elective

A course of the student's choosing from any faculty.

Overload

More credit hours than a full course load. Must be approved in advance by the student's faculty, federated college, or academic unit.

Parchment

The document a student receives when conferred with their credential. The parchment includes the full legal name of the student, the credential earned including major(s), as appropriate, and high honours, distinction and great distinction for specific degree programs. The logo, seal and signatories are included.

Part-of-Term (POT)

The length of time over which a course section is to be offered, normally excluding examination days. For example, in the fall term and the winter term, Part of Term 1 runs from the first day of classes to the last day of classes.

Part-Time Student

For undergraduate students, one who is registered in fewer than nine credit hours of study per term. For graduate students, one who is registered in fewer than six credit hours of study per term.

Pass/Fail Grading

See [non-contributory courses](#).

Permit Override

An exception that allows a student to register for a course when the restriction has not been met. Permit Overrides must be approved by the faculty, federated college, or academic unit offering the course.

Plagiarism

To take the ideas, writings, findings, computer software, etc. of another and present them as one's own. Plagiarism is a very serious offence within the academic community. See [Student Code of Conduct and Right to Appeal](#).

PLAR (Prior Learning Assessment and Recognition)

When an individual's knowledge and ability is assessed in relation to a specific academic program. See [Centre for Continuing Education](#)

Pre-Professional Program

The period preceding specific study for or practice of a professional program such as Medicine or Dentistry. See Professional Pathways and Transfer Opportunities section in this calendar.

Prerequisite

A requirement that a student must complete before being eligible to register in the subsequent course.

Prize

A prestigious recognition, which may or may not have monetary value. It recognizes academic achievement in a course, cluster of courses, field of study or an academic piece of work, as defined by a minimum grade point average of 80%; or top academic performance, when an award evaluates students' marks in comparison to their peers; or talent or promise. Prizes will appear on a student's transcript.

Program

A prescribed set of courses leading to a degree, diploma, or certificate.

Prospective Student

A person who will potentially attend the University of Regina, but who has not yet applied or been accepted to the University. This could include high school students, home-based learners, international students, or mature students.

Competitive Entry Programs

Programs with limited enrolment. Not all students who apply will be admitted.

Registration

The selection of courses once a student has been admitted to the University.

Registration Restrictions

A limit placed on courses to permit only a specific group of students to register.

Required Course

A course that must be taken as part of a student's academic program.

Schedule Type

The delivery of instruction of a course. Examples: Lecture (the most frequent), Directed Reading, Project, Studio, etc.

Scholarship

Recognizes exceptional talent/promise or academic excellence, as defined by a minimum grade of 80% for students entering from secondary school; or a minimum grade point average of 80% for current students; or top academic performance, when an award evaluates students' marks in comparison to their peers. In some cases, scholarships may also include non-academic criteria (e.g. financial need, residency, etc.). Scholarships will appear on a student's transcript.

Section Number

Numbers which distinguish different sections of the same course offered on different days and times in a given term(s).

SEP (Student Exchange Program)

A special subject code for a course used to indicate that an outbound student is paying tuition and fees at the University of Regina while enrolling in courses at another institution, and that an inbound student is attending the University of Regina as a participant in a formal exchange.

Student Identification Number (SID)

A nine-digit identification number that is displayed on a student's Photo ID card and which is used to access services and facilities and for identification purposes.

Supplemental Examination

Repeating a course by rewriting the final examination only. The remainder of the grade is based on the course work completed in the previous attempt.

Suspended Program

A program (major or minor) that is no longer accepting students. It may be going under review and may be permanently terminated.

Suspension

Dismissal from the University for a fixed period. Students may apply for re-admission for the first term after expiration of the penalty; no petition is required.

Syllabus

An outline describing the details of the course provided by every professor at the beginning of the term.

Term

The periods of instruction into which the academic year is usually divided. The fall term begins in September and ends in December (13 weeks), the winter term begins in January and ends in April (13 weeks). The spring/summer term includes shorter periods of instruction between May and August.

Time-Ticket

The day and time when a student may first be able to register for classes. Students are permitted to add and drop classes from that point forward.

Transcript

An official document of a student's academic record that includes courses taken and grades earned at the University of Regina.

Transfer (between faculties and/or colleges)

A formal process involving an application to move from one faculty and/or federated college to another.

Transfer (between universities)

To withdraw from one educational institution and enrol at another.

Transfer Credit

Credit given by the University of Regina for academic work done at other institutions.

Tuition

The cost of taking courses at the University usually based on the number of credit hours in which a student is registered.

Undergraduate Student

A student who is working towards a bachelor's degree, diploma, or certificate.

University Transfer Courses

Courses offered by Canadian colleges as part of a formal University Transfer program.

UR Self-Service

A secure section of the University of Regina website for students to check their course schedules, register for classes, pay fees, check grades, buy textbooks, and more.

Variable Credit

The range of credit values for which these courses may be granted credit.

Visiting Student

A student who has not been formally admitted to the University but who, as a bona fide student of another accredited degree granting institution, is permitted to take courses for credit at the University of Regina to be applied to a degree program at the student's home institution.

Visual Schedule Builder (VSB)

A software system that assists students with creating an optimal schedule based on personal and academic needs.

Waitlist

A registration function in UR Self-Service that is available on select courses, allowing students to be added to a waitlist and notified if/when a space becomes available in that course section. There is a time limit on registration once a spot becomes available and there is a limit on how many students can be on a waitlist. Being on a waitlist does not guarantee a student is eligible to register for the course.

Withdrawal

Formal procedure by a student to voluntarily discontinue from a course or academic program. Non-attendance does not constitute withdrawal. There are deadlines beyond which a withdrawal will be assigned: 1) a grade of W; or, 2) a failing grade of NP. Both grades appear on the transcript. Refer to the [Class Registration and Withdrawal](#) section of this Calendar.

Withdrawal from Course (W)

The grade assigned to any student who has formally withdrawn from a course for which they were formally registered during a specific time period. Refer to [Deadlines and Important dates](#) in this Calendar.

Year of Study

Degrees, diplomas, and certificates are defined academically in terms of credit hours, not years of study.

For administrative purposes, the University defines year of study for undergraduate students as follows:

- Year 1: 0-23 credit hours successfully completed
- Year 2: 24-53 credit hours successfully completed
- Year 3: 54-83 credit hours successfully completed
- Year 4: 84-113 credit hours successfully completed
- Year 5: 114-143 credit hours successfully completed
- Beyond Year 5: 144 or more credit hours successfully completed

When certification is required, the University certifies credit hours successfully completed, including credit hours that may be extra to the current program.
