Course Loads and Calculation of Averages

Admission Average Used for Entrance Awards

For the purposes of administering Entrance Awards, a student's admission average will be used as calculated at the time of admission. High school students who expect to graduate in June and apply during their grade 12 year of high school will be assessed for entrance awards using their early conditional admission average (refer to the Admissions section of this Calendar).

Minimum Course Load Requirements

To be eligible to earn undergraduate awards, a student must be registered in the minimum course load requirement in University of Regina courses as identified in the specific award criteria.

Accommodation on Course Load Requirements for Students with Disabilities

Students registered with the Centre for Student Accessibility (CSA) will be considered eligible at a 20% course reduction from the listed criteria in the award terms of reference. In exceptional cases, the required course loads (for award eligibility) may be reduced further, as determined on a case by case basis. The University reserves the right to adjust award values to reflect the reduced amount paid for tuition and books (by virtue of the reduced course load).

Externally-Administered Awards

University of Regina students may apply for additional scholarships and bursaries that are administered by other organizations. Information on externally-administered awards is posted on the University's website at www.uregina.ca/safa.
