Disclosure to Statistics Canada

Statistics Canada is the national statistical agency. As such, Statistics Canada carries out hundreds of surveys each year on a wide range of matters, including education.

It is essential to be able to follow students across time and institutions to understand, for example, the factors affecting enrolment demand at post-secondary institutions. The increased emphasis on accountability for public investment means that it is also important to understand 'outcomes'. In order to conduct such studies, Statistics Canada asks all colleges and universities to provide data on students and graduates. Institutions collect and provide to Statistics Canada student identification information (student's name, student ID number, Social Insurance Number), student contact information (address and telephone number), student demographic characteristics, and enrolment information.

The federal *Statistics Act* provides the legal authority for Statistics Canada to obtain access to personal information held by educational institutions. The information may be used for statistical purposes only, and the confidentiality provisions of the *Statistics Act* prevent the information from being released in any way that would identify a student.

Students may contact Statistics Canada via e-mail if they have any questions: statcan.PSIS-SIEP.statcan@canada.ca.

English as a Second Language

A passing grade in the ESL program's final course, Advanced English for Academic Purposes-Advanced EAP (level 050 with writing elective) or a minimum average score of "Level 055" on the ESL placement exam, are considered to be acceptable demonstrations of proficiency in English for entry into credit studies at the University of Regina. Students who are enrolled in Advanced EAP (level 050) may be offered conditional admission to an academic program if they meet academic admission requirements.

Students who qualify to take Advanced EAP (via passing ESL 040 or by achieving an appropriate score on the ESL placement exam or by an overall IELTS Band score of 6.0 with no band score less than 5.0) and who are offered conditional admission to a credit undergraduate academic program at the University of Regina (in the Faculties of Arts (Economics only), Business Administration, Engineering and Applied Science, Science or the Centre for Continuing Education) will qualify for participation in the ESL + 1 program. ESL students participating in this program may take an undergraduate credit course from the authorized course list while enrolled in Advanced EAP. Because students must pass Advanced EAP to be admitted to the University, students must pass both Advanced EAP and the credit course in order to receive credit for the credit course. Students who initially fail Advanced EAP but pass the credit course, and who subsequently successfully retake Advanced EAP and are admitted to the University, may then receive credit for the previously completed credit course. Supporting Documents

Applicants to an undergraduate faculty will be required to submit supporting documentation for their application depending on educational background attained, and the approved faculty-specific admission requirements.

Official Transcripts

Official transcripts at either the secondary or post-secondary level may be requested. A secondary transcript is considered official when the original, official document issued by the Ministry of Education (or government authority that oversees Education) has been submitted to the Enrolment Services office. A post-secondary transcript is considered official when it is received at the University of Regina directly from the issuing institution or is submitted in a sealed institution-issued envelope which bears the official university stamp across the seal. All documents that are supplied in support of applications for admission, re-admission, or transfer become the property of the University of Regina.

Applicants with non-Canadian credentials who are issued a single irreplaceable copy may supply a copy of the original document at the time of application and then present the original, official document for verification at the appropriate undergraduate Enrolment Services office upon arrival.

Unavailable Documents

Applicants who are unable to obtain all or some of their academic documents for reasons beyond their control may apply for special consideration from the appropriate undergraduate Enrolment Services office by submitting a letter outlining their qualifications, what steps they have taken to obtain their official documents, and the reason why missing documents cannot be submitted.

Copies of Documents

Requests for copies of documents that are part of the official student record will be provided in accordance with *The Local Authority Freedom of Information and Protection of Privacy Act, Part II*. Requests are to be made in writing to the Registrar's Office and must be accompanied by a \$20 administrative fee. Students can expect that it may take up to 30 days for requests to be fulfilled.

Early Conditional Admission to the Faculty of Education – for current high school students

Applicants to degree programs in the Faculty of Education may be required to complete the online Education Profile or Baccalauréat en éducation Application in place of the general Application for Undergraduate Admission depending on program. These applications are available online in October of each year for application to the following fall term.

Adult 12 Early Conditional Admission

Adult 12 students are eligible for early conditional admission if:

1. they will have attained Adult 12 standing prior to the start of the term;
2. they have final grades in a minimum of half the required final admissions subjects to the faculty; and
3. the average of all final grades (in admission subjects only) available at the time of admission meets the admission average of the faculty.

Transcripts for Final Admission

Early conditional applicants must arrange for one official transcript of their final high school grades to be sent to the appropriate undergraduate Enrolment Services office by August 1. Photocopies and faxes of transcripts are not accepted as official documents for review of the final admission requirements. Saskatchewan students are encouraged to have grades submitted electronically by the Saskatchewan Ministry of Education.

An exception to the deadline for receipt of transcripts will be made for applicants applying for fall admission who are writing departmental examinations in August or completing summer school, and for applicants to the winter term (semester) who will complete their final high school semester in December. It is the applicant's responsibility to contact the appropriate undergraduate Enrolment Services office with this information before the transcript deadline and to arrange for the final official transcript to be sent as soon as results are available.

Any applicant who does not provide an official transcript by the deadline will have their conditional admission revoked and registration in courses cancelled.

Final Admission Decisions

Once the official transcript showing graduation is received, students are re-evaluated for final admission based on the faculty-specific requirements and are notified in writing of the final decision.

Gap Year Program

The Gap Year Program is offered to current, direct-entry high school students (excluding Nursing; Education requires special permission) applying to the fall intake. It allows these students, once accepted, to defer their admission and any University of Regina funded automatic entrance scholarships for one year.

Adding a Second Program

Students interested in completing the academic requirements of two different programs at the same time, must discuss this option with an academic advisor in their current (Primary) program. Referring to the table below, adding an “Internal Secondary” program indicates both programs are within the same faculty and do not require a formal application. Adding an “External Secondary” program indicates both programs are not in the same faculty and will require a formal application using an Application for Undergraduate Concurrent Curricula Program form. Admission to a Secondary program is dependent on approval of both the student’s Primary and the potential Secondary program. Faculties that allow Secondary programs may have restrictions on the programs available. For additional information refer to the section on Awarding of Additional and Concurrent Degrees.

Even when students have been required to discontinue for a set period of time, admission is not automatic. Students may only be admitted to the University if accepted by a faculty or college. When a student has been admitted, and the University later receives a transcript showing an undeclared involuntary withdrawal from a previous institution, the student’s admission will be revoked, and registration will be cancelled.

Application Procedures for Students Petitioning to Return after Being Required to Discontinue (RTD) or Forced to Withdraw (MW) on Academic Grounds

Applicants follow normal application procedures for admission, re-admission, or faculty/college transfer, but must submit a petition letter, by the petition deadline (or faculty document deadline; whichever is earlier), to the appropriate Enrolment Services office. The petition letter should show cause as to why the student should be admitted or re-admitted and should include academic goals and information on what the student has been doing while away from the University of Regina or other post-secondary institution.

The letter, with other required documents, is forwarded by Enrolment Services to the requested faculty or college, which decides whether or not the applicant is to be admitted or re-admitted and any conditions for registration or continuance. The decision of the faculty or college is final. The faculty or college communicates its decision directly to the applicant. Applicants who are refused by one faculty or college may petition another for the next available term.

Once students have successfully petitioned a faculty or college, they must complete 9 credit hours in that faculty or college with a minimum grade of 60% in each course before transferring to another faculty or college or they will have to petition to transfer. Students wishing to return to a faculty or college from which they have been required to discontinue must petition that original faculty or college in order to be re-admitted or transferred even if the student has successfully completed academic work in another faculty or college since being required to discontinue.

Students who have been discontinued by other post-secondary institutions on academic grounds do not have to petition for admission if they have subsequently been admitted to an approved post-secondary institution and established satisfactory standing by successfully completing a minimum of 9 credit hours, provided that they meet the admission standards of the faculty to which they are applying.

Application Procedures for Students Petitioning to Return after Being Required to Discontinue on Disciplinary Grounds

Students who have been expelled for misconduct from the University of Regina may submit an application for re-admission and letter of petition to the University Secretary, Room 509 Administration-Humanities, 306-585-4956, for consideration by the Council Discipline Committee. If their petition is approved by the Committee, students must still meet the academic requirements for admission, re-admission, or transfer to their chosen faculty.

Students who have been suspended for misconduct and who have sat out their allotted time are not required to petition. They must reapply and follow normal deadlines and procedures for admission, re-admission, or faculty/college transfer.

At the discretion of the Director of Enrolment Services, an applicant who has been dismissed for disciplinary reasons from another post-secondary institution may be required to petition to the Council Discipline Committee and receive permission to apply for admission before being considered on academic grounds. If the applicant is admitted, the previous dismissal may be considered in any future proceedings for misconduct.

Application Deadlines for Petitioning Students

Applicants must meet the following deadlines, or the program-specific deadlines listed in the General Deadlines for Applications to Undergraduate Programs section, whichever are earlier:

Term	Application Deadline
Fall	July 1
Winter	November 1
Spring/Summer	March 1

Note: General extensions of deadlines do not apply to applicants in this category; however, the Dean of the Faculty or Registrar of the Federated College may specifically extend the petitioning deadline. Returning Nursing applicants who were required to discontinue from the University of Regina Faculty of Nursing may petition for re-admission in the fall, winter or spring/summer terms according to the regular petition deadlines. New Nursing applicants who were required to discontinue from another institution may petition for admission for the fall term according to the regular Nursing admission deadline.

University of Regina Restrictions on Applications

Requirement to Discontinue from a Faculty (RTD)

Requirement to Discontinue from a Program

Students who have been required to discontinue from a program and who wish to change programs within the same faculty must consult their faculty on application procedures. Applicants for first-time admission and applicants for transfer to a new faculty must follow the petition procedures and may apply for the next available term.

Recognition of Prior Learning

Recognition of Credits between Programs of the University of Regina

All undergraduate credit courses offered by faculties at the University of Regina are accepted for credit by the remaining faculties, to the extent allowed by program requirements. A student who enters a new program or faculty may have courses that are extra to the degree program. Graduate courses may not be credited towards undergraduate programs.

Transfer of Credits from Other Post-Secondary Institutions

Transfer credit refers to the recognition of the successful completion of post-secondary credits taken at other recognized post-secondary institutions. Transfer credit may be awarded on the basis of the evaluation of a course (course by course), a series of courses (two or more courses equivalent to one course), or a block of courses (a group of courses equivalent to a specified number of credit hours).

The University of Regina will recognize coursework completed at the undergraduate level for transfer credit for courses that are deemed to be at the university level from all eligible institutions. Transfer credit awards will only be applied to a student's chosen program if they meet the minimum transfer grade point average (GPA) and grade requirements of the Faculty or Academic Unit and only to the maximum credit hours allowable under the published regulations for admission and/or degree completion. Students must complete the residency requirements of their chosen program.

Courses taken at the undergraduate level will not be recognized for graduate level transfer credit and courses taken at the graduate level will not be recognized for transfer credit at the undergraduate level.

More information on the regulations and processes associated with transfer credit at the University of Regina can be found at: www.uregina.ca/student/registrar/transfer-credit/.

Transfer of Credits from IB and AP Programs

Advanced Placement (AP) courses with a grade of 4 or better and higher-level International Baccalaureate (IB) courses with a grade of 5 or better may be granted transfer credit. A list of currently transferable courses can be found at urconnected.uregina.ca.

An official IB or AP transcript is required in addition to the provincial high school transcript and must be sent directly from the AP or IB main office to the appropriate Enrolment Services office.

Transfer of Credits for Courses Taken after Admission (Letter of Permission)

With the permission of their faculty/college, admitted and current students may take courses at another recognized institution for transfer to their program. To be eligible for a Letter of Permission students must:

- be in good academic standing with their faculty/college by meeting the minimum academic standards of their program and without having any current academic actions (probation, RTD, MW, etc.); and
- be in good financial standing with the University.

The University of Regina retains the right to refuse the award of transfer credit for students who take courses at another institution and do not obtain a Letter of Permission in advance of taking those courses.

Credit by Challenge

Challenge examinations allow a student to obtain credit by demonstrating mastery of the course material in a comprehensive examination. The following restrictions apply:

- Students who have attended another university before the University of Regina may not apply for credit by challenge until the evaluation of transfer credits from their previous university program has been completed.
- Except in special circumstances and with the permission of the Dean of their faculty, students may not apply for credit by challenge if they have completed more than 15 credit hours at the University of Regina.
- Courses audited or taken for credit (whether passed or failed) at the University of Regina or any other university may not be challenged.
- No course may be challenged more than once.
- Students may not challenge a prerequisite course after successfully completing the advanced course except by permission of the department head.

Each faculty and department may decide which courses may be challenged. No business administration, education, or activity-based courses are eligible for challenge. Each faculty and department also determine the method of conducting the challenge examination, which must be in a form that can be reassessed. Grading of a challenge examination is the same as that of the course challenged (that is, either numerical or pass/fail). A student may apply to have the grade assigned to a challenge examination reassessed.

Applications to challenge credit are made through the Registrar's Office, using an Application for Credit by Challenge. The fee for the examination is the same as tuition and fees for the regular course.

Prior Learning Assessment and Recognition (PLAR)

PLAR is facilitated through the Centre for Continuing Education. Some faculties and academic units on campus have formal policies on Prior Learning Assessment and Recognition: Other forms of PLAR in limited use at the University of Regina include:

- Block (transfer) or direct credit, or advanced standing, for work experience in selected programs that require this type of experience;
- Evaluation based on portfolio.

Specific information on PLAR regulations can be found in the faculty, federated college, or academic unit section.
