Re: 5 Year Follow-up with CCAM

Dear Dr. Yao,

Thank you for meeting with CCAM on April 6, 2022 to discuss the Department's implementation of the Academic Unit Review team's recommendations and future plans. We appreciate and acknowledge how the Department addressed the reviewers' recommendations and recognize the work accomplished to date as a result of the Academic Unit Review process.

We encourage the Department to consider potential, feasible approaches to committing multi-year funding to eligible graduate students as well as a strategy for how to best communicate the Department's multi-year funding commitment to the graduate students concerned.

Sincerely,

Dr. David Gregory, Interim Provost  
and Vice-President (Academic)

Christina Winter, Chair  
Council Committee on Academic Mission
