Re: Faculty of Nursing –Accreditation report in lieu of AUR

Dear Dr. Pollard,

Thank you for meeting with CCAM on June 7th to discuss the Faculty of Nursing's participation in the CASN Accreditation Program. CCAM accepts the forthcoming Nursing undergraduate program's national accreditation process together with the recent national accreditation of the Nursing graduate program in lieu of the Faculty of Nursing's Academic Unit Review.

However, CCAM requests a separate report that documents the research related questions for U of R faculty in the AUR self-study report template. CCAM also asks for a copy of the self-study report and other materials that are submitted to CASN as part of the Nursing undergraduate program's accreditation review and would appreciate regular updates as the Faculty of Nursing continues with the accreditation process. Student work should be excluded from the materials that are submitted to CCAM.

Sincerely,

Dr. David Gregory, Interim Provost
and Vice-President (Academic)

Christina Winter, Chair
Council Committee on Academic Mission
