1. Journalism was last reviewed in 2018-19. The program was completely revised effective 2024-25. The new program needs time before it undergoes an academic unit review.
2. The Bachelor of Design is a new program with a first intake of students in Fall 2024. It builds on the Creative Technologies and Design Diploma program. Thus, they should be reviewed together.

\* Eligible to apply for “internal” review as opposed to “external” review in this first 7-year cycle.
