Tuition Waiver Request

This is not a course registration form. You will need to register for courses through UR Self-Service or by contacting your Faculty or College.

List the course(s) for which you are requesting a tuition waiver.														Notes: (office use only)			
CRN				Subject				Course Number				Section		Credit Hours			

- Step 1** Submit this tuition waiver request form to the Registrar's Office on the last business day before the start of the term in which the course(s) is registered. See below for address or contact information. *Please note: a new tuition waiver request form must be submitted for every term that you are registered.*
- The due date for payment of fees is the first date of the term. The end of the penalty-free payment period is published in the Academic Calendar.
- Step 2** Pay for materials fees, laboratory fees, student fees, and other course-related costs as only tuition is covered in this waiver. *Please note, tuition is automatically posted to your account based on your registration. If the waiver is granted the tuition will be adjusted on your account.*
- Step 3** Your request will be reviewed and the outcome will be sent to your University of Regina email typically within five business days.
- Step 4** Review the deadline dates to drop without financial or academic penalty in the event that you are not eligible for the tuition waiver. *Please note that after the start of the term, students who are dropping courses may receive a grade of W (withdrawal) or NP (failure), and may receive no refund or only a partial refund of tuition and fees, depending on the date of the dropped course.*
- Step 5** If you are registered in a course(s) for which the tuition waiver is not granted based on waiver restrictions and you choose to remain registered in the course(s) the tuition payment will follow standard policy. If you choose to withdraw, you may do so in UR Self-Service or by contacting your Faculty, Federated College or Academic Unit and the drop penalty will follow standard policy. The Registrar's Office does not withdraw students from courses.
